## 2026 ABOVE & BEYOND AWARDS

During National Procurement Month, NCPP recognizes those procurement professionals – individuals and teams – who go Above & Beyond in their roles for their entity and communities. Throughout the month of March, there will be 15 Awards – 12 Individual Awards and 3 team awards.

This is where you come in – we need your nominations! Please take a few minutes to nominate that deserving peer or manager. The whole world should know how great they are!

### CRITERIA

Special success story in addressing unique challenges

Taking on additional tasks and leadership responsibilities

Volunteering in events or activities to serve their community

Serving in the military or guard to help with emergencies

Solving a difficult problem with an out-of-the-box solution

Serving as a volunteer Board member for a procurement association

Sharing knowledge and volunteering for training sessions and conferences

Leadership and mentoring to create a team environment that allows members to grow and succeed
