

Solution Rooms: Crowdsourcing Solutions to Your Chapter Issues & Challenges

In small groups, participants will engage in a fun and collaborative exercise to crowdsource solutions, forge new connections and develop resource lists.

Timing	Instructions
<1 min ea.	• Introduce yourself, share first name, volunteer title and chapter name along with chapter size
1 min	• Select one person to be the timekeeper and an alternate for when then timekeeper takes their turn • Timekeeper is responsible for watching the clock and ensuring conversation moves according to the identified timeframes
2-3 min	• Working quietly by yourselves, write down one challenge or problem related to your chapter for which you'd like guidance/advice
8 min	Consultation Rounds Begin • Someone volunteers to go first • Read your challenge statement aloud to the group with no elaboration, skip the details • Group spend no more than 1 minute asking the individual clarifying questions if more information is needed • Group spends the balance of the time providing feedback, suggestions and recommendations • Utilize the chat function to send links, resources, contacts, etc. (remember to save the chat before exiting the break-out!)
8 min	• Repeat the consultation round for Group Member 2
8 min	• Repeat the consultation round for Group Member 3
8 min	• Repeat the consultation round for Group Member 4
8 min	• Repeat the consultation round for Group Member 5
Closing	• If you have additional time, recap the discussion or take time individually to set next steps for you
