Pursuant to Va. Code § 58.1-609.1, the County is exempt from Virginia State Sales or Use Taxes and Federal Excise Tax, therefore the Consultant shall not charge the County for Virginia State Sales or Use Taxes or Federal Excise Tax on the finished goods or products provided under the Contract. However, this exemption does not apply to the Consultant, and the Consultant shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Consultant for incorporation in or use on a construction project. In the event that the Consultant has not received payment from the County for work performed by a sub-consultant under this Contract, the Consultant shall be liable for the entire amount owed to such sub-consultants and to pay such sub-consultants within 60 days of the receipt of an invoice following satisfactory completion of the work for which the sub-consultants has invoiced. The Consultant shall not be liable for amounts otherwise reducible due to the sub-consultant's noncompliance with the terms of the Contract. However, in the event that the Consultant withholds all or a part of the amount invoiced by the sub-consultants under the terms of the Contract, the Consultant shall notify the sub-consultants within 50 days of the receipt of such invoice, in writing, of his intention to withhold all or a part of the sub-consultant's payment with the reason for nonpayment, specifically identifying the contractual noncompliance, the dollar amount being withheld, and the lower-tier sub-consultants responsible for the contractual noncompliance. Payment by the County shall not be a condition precedent to payment to any lower-tier sub-consultants, regardless of that Consultant's receiving payment for amounts owed to that Consultant. Any provision in the Contract contrary to this section shall be unenforceable.

Within seven (7) days after receipt of amounts paid by the County for work performed by a sub-consultant under this Contract, the Consultant shall either:

- A. Pay the sub-consultant for the proportionate share of the total payment received from the County attributable to the work performed by the sub-consultant under this Contract; or

Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Consultant shall include in each of its subcontracts a provision requiring each sub-consultant to include or otherwise be subject to the same payment and interest requirements as set forth above with respect to each lower-tier sub-consultant.

The Consultant's obligation to pay an interest charge to a sub-consultant pursuant to this provision may not be construed to be an obligation of the County.

8.19 Substitutions

NO substitutions, additions, or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Division of Procurement. Where specific employees are proposed by the Consultant for the work, those employees shall perform the work as long as that employee works for the Consultant, either as an employee or sub-consultant unless the County agrees to the substitution. Requests for substitutions will be reviewed by the County and

approval may be given by the County at its sole discretion.

8.20 Assignment *

8.24 Ownership of Documents

Any reports, specifications, drawings, blueprints, negatives, electronic files, or other documents prepared by the Consultant in the performance of its obligations under the Contract shall be the exclusive property of the County, and all such materials shall be returned to the County upon completion, termination, or cancellation of this Contract. The Consultant shall not use, willingly allow, or cause such materials to be used for any purpose other than performance of all Consultant's obligations under the resulting Contract without the prior written consent of the County. However, the Consultant may retain file copies which cannot be used without prior written consent of the County. The County agrees that the Consultant shall not be liable for damages, loss, or injury resulting from the future use of the provided documents for other than the project specified, when the Consultant is not the firm of record.

8.25 Submissions

All Project correspondence, design/review documents, reports etc., prepared by the Consultant shall be distributed to the County's Project Manager for each major phase and sub phase of the Project in the quantities as directed. 8.26 Responsibility for Claims and Liabilities

The County's review, approval, or acceptance of, or payment for, any services required shall not be construed to operate as a waiver by the County of any rights or of any cause of action arising out of the Contract. The Consultant shall be and remains liable to the County for the accuracy and competency of plans, specifications, or other documents or work and Consultant is responsible to the County for any costs incurred resulting from any errors, acts, or omissions in the performance of any services furnished.

8.27 Severability *

In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but

8.31 Authority to Transact Business in Virginia *

A Consultant organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into a Contract with the County pursuant to the Virginia Public Procurement Act, Sections 2.2-4300 *et seq.* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Contract. The County may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

8.32 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

8.33 No Smoking

Certain County facilities, both inside and outside, may be entirely smoke free. Consultant shall inquire of the Contract Administrator or designee if a facility is entirely smoke free. Failure to adhere to the County's no smoking policies may lead to removal of Consultant employees and possible Contract termination.

8.34 Confidentiality

A. Consultant Confidentiality

The Consultant acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County. Therefore, except as required by law, the Consultant agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or

authorizations as related to this Agreement.

2. Access or attempt to access information beyond their stated authorization.
3. Disclose to any other person or allow any other person access to any information related to the County or any of its facilities or any other user of this Agreement that is proprietary or confidential. Disclosure of information includes, but is not limited to, verbal discussions, FAX transmissions, electronic mail messages, voice mail communication, written documentation, "loaning" computer access codes and/or another transmission or sharing of data.

The Consultant understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the County may seek legal remedies available to it should such disclosure occur. Further, the Consultant understands that violations of this provision may result in termination of the Agreement.

The Consultant understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this Agreement, and will not be divulged without the Purchasing Agent's written consent and then only in strict accordance with prevailing laws. The Consultant shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.

B. County Confidentiality

The County understands that certain information provided by the Consultant during the performance of this Agreement may also contain confidential or proprietary information. Consultant acknowledges that this Contract and public records (as defined by §2.2-3701 of the Virginia Freedom of Information Act) provided pursuant to this Contract are subject to the Virginia Freedom of Information Act §§2.2-3700 et seq. and the Virginia Public Procurement Act §2.2-4342 of the Code of Virginia.

8.35 Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subconsultants or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this Contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of Force Majeure and the reasons for the event of Force Majeure preventing that party from, or delaying that party in performing its obligations under

this Contract and that party must use its reasonable efforts to mitigate the effect of the event of Force Majeure upon its or their performance of the Contract and to fulfill its or their obligations under the Contract.

An event of Force Majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Consultant has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages, or the payment of any part of the Contract price during an event of Force Majeure; and (2) any delay costs in any way incurred by the Consultant due to an event of Force Majeure.

8.36 Survival of Terms

Upon discharge of this Agreement, Sections (Notices, Hold Harmless, Governing Law/Forum, and Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

8.37 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

8.38 Audits:

- A. The Consultant shall maintain books, records and documents of all costs and data in support of the services provided. Loudoun County or its authorized representative shall have the right to audit the books, records and documents of the Consultant under the following conditions:
 - 1. If the contract is terminated for any reason in accordance with the provisions of these contract documents in order to arrive at equitable termination costs;
 - 2. In the event of a disagreement between the Consultant and the County on the amount due the Consultant under the terms of this contract.
 - 3. To check or substantiate any amounts invoiced or paid which are required to reflect the costs of services, or the Consultant's efficiency or effectiveness under this contract; and,
 - 4. If it becomes necessary to determine the County's rights and the Consultant's obligations under the contract or to ascertain facts relative to any claim against the Consultant that may result in a charge against the County.
- B. These provisions for an audit shall give Loudoun County unlimited access during normal working hours to the Consultant's books and records under the conditions stated above.
- C. Unless otherwise provided by applicable statute, the consultant, from the effective date of final payment or termination hereunder, shall preserve and

make available to Loudoun County for a period of three (3) years thereafter, at all reasonable times at the office of the Consultant but without direct charge to the County, all its books, records documents and other evidence bearing on the costs and expenses of the services relating to the work hereunder.

- D. Loudoun County's right to audit and the preservation of records shall terminate at the end of three (3) years as stated herein. The Consultant shall include this "Right of Audit and Preservation of Records" clause in all subcontracts issued by it and they shall require the same to be inserted by all lower tier subconsultants in their subcontracts, for any portion of the work.
- E. Should the Consultant fail to include this clause in any such contract or lower tier contract, or otherwise fail to insure Loudoun County's rights hereunder, the Consultant shall be liable to Loudoun County for all reasonable costs, expenses and attorney's fees which Loudoun County may have to incur in order to obtain an audit or inspection of or the restoration of records which would have otherwise been available to Loudoun County from said persons under this clause. Such audit may be conducted by Loudoun County or its authorized representative.

[Start of Questions]

1. Does the County anticipate the Construction Manager position being full-time?

Response: The County anticipates the Construction Manager position being part time.

2. On Page 6 of the RFP, Section 5.0 SCOPE OF SERVICES it identifies a CEI services duration of 24 months for a 36-month construction duration project as referenced on Page 13, Subsection 5.7 Schedule. Is this correct as Loudoun County typically procures CEI Services for several months more than construction duration for pre- and post-construction support?

Response: The project duration is Forty-Eight (48) Months.

3. On Page 18 of the RFP, Section 7.0 Instructions to Offerors, Item C states that “all proposals shall be signed in ink”. Will the County allow electronic signatures to be acceptable and compliant for this submission?

Response: Electronic signatures are acceptable.

4. Loudoun County typically holds a pre-proposal conference for their larger project-specific CEI services RFPs. Will there be a CEI Services pre-proposal conference held for this RFP?

Response: There is no pre-proposal conference for this project.

5. On page 15 of 43, under Tab E, it states, “For each project, provide a one (1) page maximum project description with one (1) additional page of graphics and pictures (one (1) page includes both sides of the page).” For the project description page, are we restricted to one single-sided page, or can that be expanded to one double-sided page?

Response: One double-sided page is acceptable.

6. It is our understanding that Loudoun County is using Federal Funds for the Route 7/690 Interchange project based on the DTIC CIP Quarterly Reports. Assuming this to be the case, should it not be appropriate references of Federal Funded project mandates in this RFP?

Past CEI Services RFPs with Federal Funding included the following RFP attachments:

- a. Required Contract Provisions, Federal-Aid Construction Contracts (SF010DF FHWA 1273)
- b. Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246) (SF030AF)
- c. Firm Data Sheet
- d. Certification Regarding Debarment Forms

The CEI Services scope requires knowledge and capability to perform Davis Bacon Wage Rate administrative support to meet State and Federal Davis Bacon Wage Rate requirements. Tasks

include conducting interviews, reviewing payrolls, and other administrative support required to verify Davis Bacon Wage Rate Requirements are met.

Additional Federal Funded projects CEI tasks include checking the General Contractor's performance on meeting DBE, verifying that the General Contractor, Subcontractors, and Supplier comply with "Buy America" Federal requirements, and supporting the County to maximize Federal participation for change order reimbursements.

Response: This CEI Services RFP is not federally funded.
