VENDOR'S RESPONSIBILITY AND DEBARMENT

A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the requirements of the Purchase Order. It is the County's policy to conduct business only with responsible vendors.

The Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Vendor on this or other Purchase Orders which indicates that the Vendor is not responsible, the County may, in addition to other remedies provided in the Purchase Order, debar the Vendor from bidding on any County Contracts/Purchase Orders for a specified period of time not to exceed five (5) years, and terminate any or all existing Contracts/Purchase Orders the Vendor may have with the County.

The County may debar a Vendor if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated any term of Contract/Purchase order with the County, (2) committed any act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a Contract/Purchase Order with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

If there is evidence that the Vendor may be subject to debarment, the Purchasing Agent will notify the Vendor in writing of the evidence that is the basis for the proposed debarment and will advise the Vendor of the scheduled date for debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or the Vendor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of debarment. If the vendor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Vendor may be deemed to have waived all rights of appeal.

A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

These terms shall also apply to the subcontractors of County Contractor/Vendor.

JURY SERVICE PROGRAM

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Program which is incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1. The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. This policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service program, "employee" means any California resident who is a full-time employee of a Contractor and "full time" means 40 hours or more worked per week, or a lesser number of hours if; 1. the lessor number is a recognized industry standard as determined by the County, or 2. the Contractor has a long-standing practice that defines the lesser number of hours as full time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project.
2. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
3. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

If you believe the Jury Service Program does not apply to your business, check the appropriate box in part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

☐ My Business does not meet the definition of "Contractor", as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the Contract awarded, exceed \$500,000.

PRICES SPECIFIC CONTRACTS AND PURCHASE ORDERS

Vendors are entitled to receive payment for goods received by, or services provided to the County specific to the Contract or Purchase Order price amount. Under no circumstances will those Suppliers, Contractors or Vendors who supply goods or otherwise contract services with the County of Los Angeles be entitled to or paid for expenditures beyond the Contract or Purchase Order amounts.

ASSIGNMENTS BY CONTRACTOR

- A. Contractor shall not assign its rights or delegate its duties under the Agreement, or both whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.
- B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.
- C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM.

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal Government, directly or indirectly, in whole or in part, and the Contractor will notify the Buyer within thirty (30) calendar days in writing of: 1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and 2) any exclusionary action taken by any agency of the Federal Government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage Contractor may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Failure by Contractor to meet the requirements of this paragraph shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement.

Is Contractor/Proposer or any of its staff members currently barred from participation in any Federally funded health care program?

☐ NO, Contractor or any of its staff members is not currently barred from participation in any Federally funded health care program.

OFF-PEAK (HOURS) - DELIVERY OF COMMODITIES

It is the policy of the Los Angeles County Board of Supervisors that County departments promote off-peak deliveries and pickup of all commodities by County Vendors between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, during regularly scheduled County business days. The purpose of this policy is to reduce vehicle trips and vehicle emissions during the morning and afternoon commute periods. For purposes of the Board Policy, the trip shall be deemed to be compliant if the actual time of delivery provides for arrival at the County facility or location on or after 9:00 a.m. and the delivery or pickup is initiated at the County facility or location on or before 3:30 p.m..

Noncompliance with this policy may result in cancellation of a Purchase Order or termination of contract and/or agreement between the County and the awarded Vendor.

Unless otherwise instructed by authorized County department personnel, vendors shall be required to confer with County departments to schedule, as appropriate, regularly planned trips to County facilities for deliveries and/or pickup of commodities within the designated off-peak periods. County departments co-located at facilities that are serviced by the same Vendor shall make every effort to coordinate off-peak deliveries and pickups between the Vendor and other County departments at the facility.

Emergency, special orders, and other non-conforming deliveries and pickups specifically requested by County departments shall not constitute a violation of the Board Policy. In addition, circumstances documented by the Vendor to the satisfaction of the affected County department that are outside of the control of the Vendor that preclude adherence to the Board Policy shall not constitute a violation of the Board Policy.

If circumstances related to department operations preclude regularly scheduled deliveries between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, the department shall notify the Vendor of any exception(s) allowable under the Board Policy. If such circumstances are permanent in nature, the department shall notify the Chief Administrative Office and ISD of their intent to exclude the affected contract(s) and/or commodities from the provisions of the Board Policy.

County departments doing business with non-commodity or service-related vendors that schedule regular trips to County facilities shall, to the extent feasible and appropriate, encourage such vendors to schedule such trips to their facilities between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, during regularly schedule business days.

By signature below, vendor acknowledges receipt and understanding of this Board Policy, and agrees to adhere to above requirements regarding Off-Peak Delivery of Commodities.

1. Non-selected vendors will have three (3) business days, from the date the notice is posted, to file a formal bid protest with the Purchasing and Contracts Analyst (Buyer) that conducted the solicitation.
2. The bid protest, which must be received by the Buyer within the three (3) day period, shall be in writing, and include the specific facts, circumstances, reasons and/or basis for the protest. This written notice may be in the form of a letter, fax or email.
3. Bid protests must be filed prior to the award of contract or purchase order. Upon execution of the contract or purchase order to the selected vendor, the Purchase Agent will not take action on a bid protest; however, a written response will be provided to the protesting vendor.
4. If a vendor bid protest is appropriately filed (i.e., prior to the award), the Purchasing Agent may delay the award of contract or purchase order until the matter is resolved.

There are, however, situations where the delay of an award may not be in the best interest of the County due to emergency and/or time critical acquisitions such as at the end of the County's fiscal year. In these instances, the County has no obligation to delay or otherwise postpone an award of a purchase order or contract based on a vendor protest.

5. In all cases, the County Purchasing Agent reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.
6. The Purchasing Agent will respond to all bid protests in a timely manner.
7. The Purchasing Agent may refer a protest of a technical nature to the requisitioning County department for further clarification, and will prepare a letter to the protesting vendor, advising them of the pending action(s), and when a formal response can be expected.

Transitional Job Opportunities Preference Program

In evaluating bids (proposals), the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. The preference only applies to solicitations where Transitional Job Opportunity participants will be employed for the services solicited. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: that is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Services Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the department with their bid response to the purchasing or contracting solicitation for which they are competing; has been in operation for at least one year providing transitional job and the related supportive services to program participants; and provided a profile of their program a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting department. Transitional Job Opportunities vendors must request the preference in their solicitation responses and may not receive the preference until their certification has been affirmed by the applicable department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a vendor that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunity vendor.

If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification; however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

☐ In accordance with the above stated criteria, I certify that I am a Transitional Job Opportunity Vendor and I am claiming the preference on this solicitation. I further certify that Transitional Job Opportunity participants will be used for the services that are being solicited by the County in this solicitation.
