(Public Contract Code sections 10475, *et seq.*; Stats. 2008, Ch. 272). The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan (of which the Darfur region is a part), for the reasons described in Public Contract Code section 10475.

B. A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to,

- C. Therefore, Public Contract Code section 10478 (a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency.
- D. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from the Department of General Services (DGS) according to the criteria set forth in Public Contract Code section 10477(b).

The Agreement will be awarded to the lowest responsible bidder meeting the requirements outlined in the IFB.
- H. Bids must include the performance of all the services described herein. Any attempt to modify the bid document to deviate from the work specifications will not be considered and will cause a bid to be rejected.
- I. A bid may be rejected if it is conditional, incomplete, or if it contains any alterations of form or other irregularities of any kind. The State may reject any bid on the basis that it is not responsive or from a responsible bidder, and may waive any immaterial deviation in a bid. The State's waiver of an immaterial defect shall in no way modify the IFB document or excuse the bidder from full compliance with all requirements if awarded the agreement.
- J. Costs for developing bids and in anticipation of award of the contract are entirely the responsibility of the bidder and shall not be charged to the State.
- K. Only an individual who is authorized to bind the bidding firm contractually shall sign the attached Bid/Bidder Certification Sheet, **Attachment 3**. The signature must also indicate the title or position that the individual holds in the firm. **An unsigned bid may be rejected.**

- M. A bidder may withdraw a bid by, prior to bid opening, submitting a written withdrawal request to the State, signed by the bidder or an agent authorized in accordance with Section J above. A bidder may thereafter submit a new bid prior to the bid submittal deadline. Bids may not be withdrawn without cause subsequent to bid submittal deadline.
- N. The State may modify the IFB prior to the date fixed for submission of bids by the issuance of an addendum sent to all parties who received a bid package.
- O. The State reserves the right to reject all bids for reasonable cause.
- P. Bidders are cautioned to not rely on the State during its evaluation process to discover and report to the bidder any defects and errors in the submitted documents. Before submitting their documents, bidders should carefully proof them for errors and full adherence to the IFB requirements.
- Q. Where applicable, bidder should carefully examine work sites and specifications. Bidder shall investigate conditions, character, and quality of surface or subsurface materials or obstacles that might be encountered. No additions or increases to the contract amount will be made due to a lack of careful examination of work sites and specifications.
- R. The State does not accept alternate contract language from a bidder. A bid with such language will be considered a counter proposal and will be rejected. **The State's General Terms and Conditions (GTC) are not negotiable.** The **GTC 307** may be viewed at Internet site <http://www.ols.dgs.ca.gov/Standard+Language/default.htm>.

7. Small Business Preference: <http://www.pd.dgs.ca.gov/smbus>

- D. The contract, if awarded, shall be awarded to the lowest responsible bidder meeting the specifications. A bid meets the specifications if it complies with all of the requirements in this solicitation. In the event of a tie bid, the State will draw lots to determine the successful contractor. Only one proposal or bid may be submitted by an entity: individual, firm, partnership, corporation, joint venture or combination thereof. Receipt of more than one bid from an entity will result in all bids from that entity being rejected and returned to the bidder.

9. Award and Protest

- A. Bid results may be viewed on the internet at 12:00 P.M. (Noon) on the first business day following the bid due date at: <http://caltrans-opac.ca.gov>.

- C. Upon written request by any bidder, notice of the proposed award shall be posted in a public place in the office of the awarding agency at least five (5) working days prior to awarding the contract.
- D. Grounds for Filing a Protest: After the issuance of the applicable contract award notices as specified in this IFB, the right to protest the proposed award of a contract is afforded any bidder who claims it should have been awarded the agreement because it was the lowest responsible bidder meeting the specifications.
- E. Filing a Protest: The initial protest must be submitted to the Caltrans prior to the award of contract. When a protest has been submitted, the contract shall not be awarded until either the protest has been withdrawn or the Department of General Services has decided the matter.
