Any bid in which the bidder names a total price for all the articles without quoting a unit price for each and every separate item may not be considered for award.

10. **OMISSIONS & DISCREPANCIES**-Any items or parts of any equipment listed in this solicitation that clearly necessary for the operation and completion of such equipment, but are: (i) not fully described by the City; or (ii) are omitted by the City from such specification, shall be considered a part of such equipment even if not directly specified or called for in the specifications.

If a bidder finds discrepancies or ambiguities in, or omissions from, the solicitation, including the drawings and/or specifications, it shall notify the Purchasing Agent at least five (5) days prior to the date set for the opening of bids. If necessary, the Purchasing Agent will send a written addendum for clarification to all bidders no later than three (3) days before the date set for opening of bids. Notifications regarding specifications will not be considered if received within five days of the date set for opening of bids.

11. **BIDDER INTERESTED IN MORE THAN ONE BID**-If more than one bid is offered by a bidder, directly or indirectly, all such bids may be rejected. A bidder who has quoted prices on work, materials, or supplies to a bidder is not disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.
12. **TAX EXEMPTION**-The City is exempt from the payment of any federal excise or any Virginia sales tax.
13. **PROHIBITION AGAINST UNIFORM PRICING**-The Purchasing Agent encourages open and competitive bidding by all possible means and endeavors to obtain the maximum degree of open competition on all purchase transactions using the methods of procurement authorized by the Fairfax City Purchasing Resolution. Each bidder, by virtue of submitting a bid, guarantees that it has not been a party with other bidders to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bids of participating bidders. Any disclosure to or acquisition by a competitive bidder, in advance of the opening of the bids, of the terms or conditions of the bid submitted by another competitor may render the entire proceedings void and may require re-advertising for bids.
14. **UNBALANCED BIDS**—A bid shall be mathematically unbalanced if the bid contains unit pricing that does not reflect reasonable costs (including actual labor and material cost, overhead and profit) for the performance of the bid item(s) in question. A bid shall be materially unbalanced if there is a reasonable doubt that award of the mathematically unbalanced bid will result in the lowest ultimate cost to the City. A bid that is, in the sole discretion of the City Purchasing Agent, both mathematically and materially unbalanced, may be rejected as non-responsive.

### SPECIFICATIONS

15. **CLARIFICATION OF TERMS**—If any prospective bidder has questions about the specifications or other solicitation documents, the prospective bidder should contact the contract specialist whose name appears on the face of the solicitation no later than five working dates before the due date. Any revisions to the solicitation will be made only by addendum issued by the contract specialist.
16. **BRAND NAME OR EQUAL ITEMS**-Unless otherwise provided in the Invitation for Bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired. Any article that the City in its sole discretion determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The bidder is responsible for clearly and specifically identifying the product being offered and providing sufficient descriptive literature, catalog cuts and technical detail to enable the City to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make, or manufacturer specified. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the bidder clearly indicates in its bid that the product is an equivalent product, such bid will be considered to offer the brand name product referenced in the solicitation.
17. **SPECIFICATIONS**-When a solicitation contains a specification that states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification. The bidder must abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings.

### AWARD

18. **AWARD OR REJECTION OF BIDS**-The Purchasing Agent shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the City to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the City taking into consideration the evaluation factors set forth in the RFP. The Purchasing Agent reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the City. Award may be made to as many bidders as deemed necessary to fulfill the anticipated requirements of Fairfax City. The Purchasing Agent also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.
19. In determining the responsibility of a bidder, the following criteria will be considered:

  - g. The quality, availability and adaptability of the goods or services to the particular use required;
  - h. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
  - i. Whether the bidder is in arrears to the City on debt or contract or is a defaulter on surety to the City; and
  - j. Such other information as may be secured by the Purchasing Agent having a bearing on the decision to award the contract. If an apparent low bidder is not awarded a contract for reasons of non-responsibility, the Purchasing Agent shall so notify that bidder and shall have recorded the reasons in the contract file.
20. **NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS**-A written award mailed or otherwise furnished to the successful bidder within the time for acceptance specified in the solicitation shall result in a binding contract. 22. **PROMPT PAYMENT DISCOUNT-**
  - a. Unless otherwise specified in the solicitation, prompt payment discounts requiring payment in less than fifteen (15) days will not be considered in evaluating a bid for award. However, even though not considered in the evaluation, such discounts will be taken if payment is to be made within the discount period.
  - b. If a discount for prompt payment is allowed, the discount period will begin on the date of receipt of a properly completed invoice or acceptance of materials or services, whichever is later.
  - c. For determining acceptance of supplies in accordance with the provisions of the prompt payment discount paragraph, inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements.

For the purpose of earning the discount, payment is deemed to be made as of the date of mailing of the City check or issuance of an Electronic Funds Transfer, or completion of a credit card transaction.
23. **INSPECTION-ACCEPTANCE-** Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time. The City reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

#### **CONTRACT PROVISIONS**

25. **TERMINATION FOR CONVENIENCE-**A contract may be terminated in whole or in part by the City in accordance with this clause whenever the Purchasing Agent determines that such a termination is in the best interest of the City. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.
26. **TERMINATION OF CONTRACT FOR CAUSE-**
  - a. If, through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under this contract, or if the Contractor violates any of the covenants, agreements, or stipulations of this contract, the City shall have the right to terminate the contract. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. In such event all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall, at the option of the City, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.
  - b. Termination of the Contract for Cause does not relieve the Contractor of liability to the City for damages sustained by the City by virtue of any breach of contract by the Contractor for the purpose of set off until such time as the exact amount of damages due to the City from the Contractor is determined.
27. **CONTRACT ALTERATIONS-**No alterations in the terms of a contract shall be valid or binding upon the City unless made in writing and signed by the Purchasing Agent or her authorized agent.
28. **SUBLETTING OR ASSIGNMENT** -It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the Purchasing Agent. If the Contractor desires to assign its right to payment of the contract, Contractor shall notify the Purchasing Agent immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from its obligations or change the terms of the contract.
29. **FUNDING-** The obligation of the City to pay compensation due the Contractor under the contract or any other payment obligations under any contract awarded pursuant to this contract is subject to appropriations by the Fairfax City Council to satisfy payment of such obligations. The City's obligations to make payments during subsequent fiscal years are dependent upon the same action. If such an appropriation is not made for any fiscal year, the contract shall terminate effective at the end of the fiscal year for which funds were appropriated and the City will not be obligated to make any payments under the contract beyond the amount appropriated for payment obligations under the contract. The City will provide the Contractor with written notice of non-appropriation of funds within thirty (30) calendar days after action is completed by the City Council. However, the City's failure to provide such notice will not extend the contract into a fiscal year in which sufficient funds have not been appropriated.

30. **DELIVERY/SERVICE FAILURES**-If a Contractor (i) fails to deliver goods or services within the time specified or within a reasonable time as interpreted by the Purchasing Agent; or (ii) fails to make replacements or corrections of rejected articles or services when so requested, immediately or as directed by the Purchasing Agent, then the Purchasing Agent shall have the authority to purchase in the open market goods or services of comparable grade or quality to replace goods or services not delivered or rejected. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, the City reserves the right to use or consume articles delivered or services performed which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.
31. **NON-LIABILITY**-The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, the transportation carrier, act of God, act of Government, act of an alien enemy or by any other circumstances which, in the Purchasing Agent's opinion, are beyond the reasonable control of the Contractor. Under such circumstances, however, the Purchasing Agent may, at their discretion terminate the contract.

If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers (i.e., wholesalers, jobbers, or retailers), which was used as the basis for bidding on this solicitation.
36. **CHANGES**-If in the Purchasing Agent's opinion, it becomes proper or necessary in the execution of this contract to make any change in design, or to make any alterations that will increase the expense, the Purchasing Agent shall determine an equitable adjustment to the Contractor's compensation.

No payment shall be made to the Contractor for any extra material or services, or of any greater amount of money than stipulated to be paid in the contract, unless some changes in or additions to the contract requiring additional outlay by the Contractor are first expressly authorized and ordered in writing by contract amendment or otherwise furnished by the Purchasing Agent.

39. **INSPECTIONS**-Inspection and acceptance of materials or supplies will be made after delivery at the designated destinations unless otherwise stated. Final inspection is conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or

40. **COMPLIANCE**-Delivery must be made as ordered and in accordance with the contract or as directed by the Purchasing Agent when not in conflict with the contract. The decision of the Purchasing Agent as to reasonable compliance with delivery terms shall be final. Any request for extension of delivery time from that specified in the contract must be approved by the Purchasing Agent, such extension applying only to the particular item or shipment affected. If the Contractor is delayed by the City, there shall be added to the time of completion a time equal to the period of such delay caused by the City. The public body shall issue its written determination of responsibility based on all information in the possession of the public body, including any rebuttal information, within five business days of the date the public body received the rebuttal information. At the same time, the public body shall notify, with return receipt requested, the bidder in writing of its determination.
- d. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by instituting legal action as provided in § [2.2-4364](#).
- e. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § [2.2-4360](#).

- f. Nothing contained in this section shall be construed to require a public body, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.
- g. If, upon appeal, it is determined that the decision of the Purchasing Agent was arbitrary or capricious and the award for the particular City contract in question has not been made, the sole relief available to the bidder shall be a finding that the bidder is a responsible bidder for the City contract in question. Where the award has been made and performance has begun, the City may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing Contractor shall be compensated for the cost of performance up to the time of such declaration. - a. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the Purchasing Agent, no later than ten days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the public body in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than ten days after posting or publication of the notice of such contract. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 2.2-4342, then the time within which the protest shall be submitted shall expire ten days after those records are available for inspection by such bidder or offeror under § 2.2-4342, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Purchasing Agent shall issue a decision in writing within ten days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within ten days of receipt of the written decision by instituting legal action as provided in § 2.2-4364. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal.
- b. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The public body shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.
- c. Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the public body may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

Failure of the public body to render a decision within 90 days shall not result in the contractor being awarded the relief claimed or in any other relief or penalty. The sole remedy for the public body's failure to render a decision within 90 days shall be the contractor's right to institute immediate legal action.
- d. A contractor may not institute legal action as provided in § 2.2-4364, prior to receipt of the public body's decision on the claim, unless the public body fails to render such decision within the time specified in the contract or, if no time is specified, then within the time provided by subsection C. A failure of the public body to render a final decision within the time provided in subsection C shall be deemed a final decision denying the claim by the public body.

The decision of the public body shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the public body by invoking administrative procedures meeting the standards of § 2.2-4365, if available, or in the alternative by instituting legal action as provided in § 2.2-4364.
