Cloud-Based Health Solutions. CSRA offers a series of cloud-based solutions to provide and support Mechanized Claims Processing and Information Retrieval systems as described by the series of State Medicaid Directors Letter issued by CMS to include:

- Services and platform for Medicaid Enterprise Systems cloud based systems including:
 - Financial Management
 - Eligibility and Enrollment
 - Provider Management
 - Plan & Member Management
 - Operations
 - Business Intelligence and Analytic Solutions
 - Fraud and Abuse Detection Systems
 - Claims Adjudication and Processing
 - Payments
 - Medicaid Data Warehouses
- Services and platforms related to Integrated Eligibility as covered by the A-87 Waiver for all social services and benefits offered by States
- Services and platforms related to the provision of services for health insurance exchanges under the Affordable Care Act

- Services and platforms related to the health information exchanges
- Services and platforms related to All Payer Databases and other data warehouses in support of Medicaid, Health Insurance, or other Social Services programs.

Application Migration Services: CSRA's proven modernization and migration process couples industry best practices with our Federal-sector expertise. CSRA will collaborate with state or local agencies to perform a detailed portfolio assessment and then establish a cloud strategy customized to the agency.

Cloud Management Platform (CMP): CSRA has recent experience with several CMPs, including ServiceNow and or proprietary Agility Platform, both of which allows clients to manage multiple cloud environments from a single interface.

Custom Software Application Development: CSRA offers custom software application solutions for both cloud and non-cloud environments. These solutions include complex web-based applications, content managed websites, and data warehouse reporting applications. Our team's success has been built around leading-edge development tools and techniques employed via Agile processes for efficient responses to changing needs.

ABOUT CSRA

Enduring Values. Inspired Performance.

Every day CSRA makes a difference in how the government serves our country and our citizens. We are inspired by the important missions of our customers and we believe that by working together we can deliver exceptional next-generation IT solutions and professional services to enable the safety, security, health and well-being of our nation.
