

Product Line up

Dual Socket Chameleon

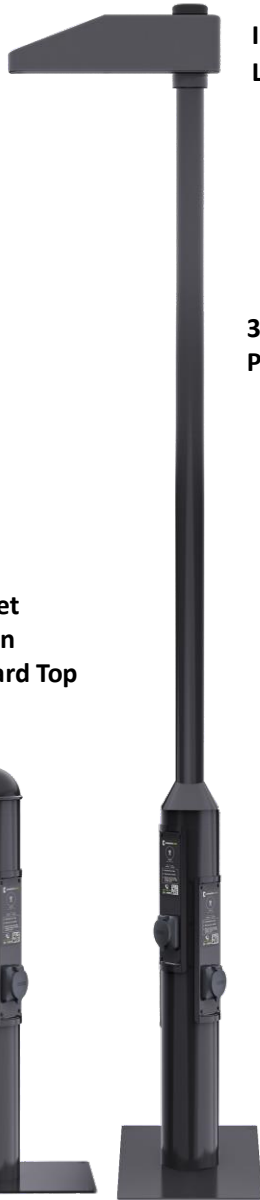

Dual Socket Chameleon With Bollard Top

IOT Sensors and Lighting

3 Metre Giraffe Post

Single Socket Gecko

Dual Scarab On Post

Tethered Scarab Wall Mounted

Tethered Raccoon, Post and Wall Mounted

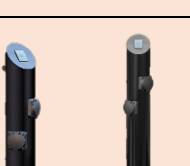

Tethered Raptor, Post and Wall Mounted

Connected Kerb - Product List – Summary

Last Updated: 12/06/2024

Product Type	Product	Image	RRP	Description	Components
Gecko	7kw Gecko – Single Socket		\$2601	Post mounted charge point solution Provides a single socket Power infrastructure installed in underground node box	1 x 'Gecko' Charger 1 x Single Post 1 x Node Box 1 x Single 7kw Power / Data Pack
	7kw Gecko – Dual Socket		\$3904	Post mounted charge point solution Provides 2 x sockets Power infrastructure installed in underground node box	2 x 'Gecko' Chargers 1 x Dual Post 1 x Node Box 1 x Dual 7kw Power / Data Pack
	22kw Gecko – Single Socket		\$2953	Post mounted charge point solution Provides a single socket Power infrastructure installed in underground node box	1 x 'Gecko' Charger 1 x Single Post 1 x Node Box 1 x Single 22kw Power / Data Pack
	22kw Gecko – Dual Socket		\$5895	Post mounted charge point solution Provides 2 x sockets Power infrastructure installed in underground 2 x node boxes with temp plate to cover 2nd node box	2 x 'Gecko' Chargers 1 x Dual Post 2 x Node Box 2 x Single 22kw Power / Data Pack 1 x Temp Cover Plate
	11kw Gecko - Dual Socket		TBC (PRODUCT IN DEVELOPMENT)	Post mounted charge point solution Provides 2 x sockets Power infrastructure installed in underground node box	2 x 'Gecko' Chargers 1 x Dual Post 1 x Node Box 1 x Dual 11kw Power / Data Pack

Chameleon	7kw Chameleon – Single Socket		\$2917	- Floor mounted charge point solution (no separate post required) - Provides a single socket - Power infrastructure installed in underground node box	1 x Single Socket 'Chameleon' Charger 1 x Node Box 1 x Single 7kw Power / Data Pack
	7kw Chameleon – Dual Socket		\$4067	- Floor mounted charge point solution (no separate post required) - Provides 2 x sockets - Power infrastructure installed in underground node box	1 x Dual Socket 'Chameleon' Charger 1 x Node Box 1 x Dual 7kw Power / Data Pack
	22kw Chameleon – Single Socket		\$3269	- Floor mounted charge point solution (no separate post required) - Provides a single socket - Power infrastructure installed in underground node box	1 x Single Socket 'Chameleon' Charger 1 x Node Box 1 x Single 22kw Power / Data Pack
	22kw Chameleon – Dual Socket		\$4067	- Floor mounted charge point solution (no separate post required) - Provides 2 x sockets - Power infrastructure installed in underground 2 x node boxes with temp plate to cover 2nd node box	1 x Dual Socket 'Chameleon' Charger 2 x Node Box 2 x Single 22kw Power / Data Pack 1 x Temp Cover Plate
	11kw Chameleon - Dual Socket		TBC (PRODUCT IN DEVELOPMENT)	- Floor mounted charge point solution (no separate post required) - Provides 2 x sockets - Power infrastructure installed in underground node box	1 x Dual Socket 'Chameleon' Charger 1 x Node Box 1 x Dual 11kw Power / Data Pack

	7kw Racoon – Single Courd		\$638	Wall mounted or post mounted charge point with single type 1 cord outlet	1 x charger
	11kw Raptor – Single Courd		\$1543	Wall mounted or post mounted charge point with single type 1 cord outlet	1 x Charger
	19kw Raptor – Single Socket		TBC	Wall mounted or post mounted charge point with single type 1 cord outlet	
Scarab	7kw Scarab – Single Socket / Tethered cable		\$1080	Wall mounted or post mounted charge point with single type 1 cord outlet or type 2 Socket	1 x 7kw 'Scarab' Charger
	22kw Scarab – Single Socket / Tethered cable		\$1569	Wall mounted or post mounted charge point with single type 1 cord outlet or type 2 Socket	1 x 22kw 'Scarab' Charger

Product Type	Product	Image	RRP	Description	Components
	Cord management kit	N/A	\$254	Kit only	
	Replacement Cord	N/A	\$538	16 ft cable	
	Wheel stop	N/A	\$264	1 x wheel stop, PC-6	
	RFID Card	N/A	\$12	RFID1	
	Cellular Repeater	N/A	\$198.5	4G Cellular repeater	

Product Type	Product	Image	RRP	Description	Components
Software and support services	Annual Software License fee per socket	N/A	\$101.45	12 Month period	
	Basic Asset Management service plan	N/A	\$284.31	Single socket O&M 12 month period	
	Existing EV station upgrade, Swap out from single port to dual port	N/A	\$3632		
	Commissioning of EV station	N/A	\$338	Per Unit	
	Training / Support	N/A	\$250	Price per hour	
	Turnkey Maintenance plan	N/A	\$563.6	Price per 12 Month period per socket	
	Fleet charging module	N/A	\$2394	10 Socket licence fee (Turnkey services upon request)
