4. Term of the Master Agreement; Non-exclusivity.

- 4.1. **Generally.** The initial term of this Master Agreement is for two years from the Effective Date. This Master Agreement may be extended beyond the initial term for a

maximum of four additional years at Lead State's discretion, upon review of requirements of Participating Entities, current market conditions, and Contractor performance, and as agreed upon by a fully executed amendment between the Lead State and Contractor.

4.2. **Not Exclusive.** This Master Agreement is not exclusive. Purchasing Entities retain the right to contract for Services or both through any selection process authorized by law, or to perform the Services themselves. Neither NASPO ValuePoint nor the Lead State guarantees that any specific number of Contracts will be issued or that any specific number of Products or Services will be required.

4.3. **Thirty Day Extension.** Notwithstanding the foregoing, Lead State, in its sole discretion, may extend this Master Agreement for a maximum of 30 calendar days beyond the expiration of the then-current term. Lead State's Master Agreement Contract Administrator shall notify Contractor in writing of the 30-day extension prior to the expiration of the then-current term. Consecutive extensions under this section are not allowed.

5. Amendments.

5.1. **Amendments.** The terms of this Master Agreement may not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of Lead State and Contractor.

5.2. **Services Within Scope.** Lead State may, upon agreement with Contractor, add or modify Travel Management Services that are within the scope of the RFP to this Master Agreement through a duly executed amendment.

6. Participants and Scope.

6.1. **Requirement for Participating Addendum.** Contractor may not deliver Services under this Master Agreement to a Participating Entity until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The Master Agreement Terms and Conditions are applicable to any Request for Services by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent the Master Agreement Terms altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults, governing law and venue relating to Requests for Services a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. Request for Services) used by the Purchasing Entity to request Services.

6.2. **Authorized Use.** Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual states' statutes are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief

Procurement Official.

- 6.3. **Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Financial obligations of Participating Entities who are states are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 6.4. **Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 6.5. **Eligibility for a Participating Addendum.** An eligible entity that is not a state may under some circumstances sign its own Participating Addendum, subject to the consent to participation by the Chief Procurement Official of the state where the entity is located. Coordination of requests for such participation is through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; such entity must ensure it has the requisite procurement authority to execute a Participating Addendum.
- 6.6. **Prohibition on Resale.** Subject to any specific conditions included in this Master Agreement or a Participating Addendum, Purchasing Entities may not resell Services purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 6.7. **Individual Customers.** Except to the extent modified by a Participating Addendum, each Purchasing Entity will follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for its purchases as the Lead State has in the Master Agreement, including but not limited to, any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for its purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. Contractor will apply the charges and invoice each Purchasing Entity individually.

7. Services.

- 7.1. **Authorized Purchasing Agent.** All communications concerning administration of Services must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing by the Purchasing Entity.
- 7.2. **Service Order Period.** Requests for Services must be placed prior to the termination

date of this Master Agreement but may have a delivery date or performance period up to 120 calendar days past the then-current termination date of this Master Agreement. Contractor is reminded that financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

- 7.3. **Performance of Services.** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Request for Services then outstanding at the time of such expiration or termination. Contractor shall not honor any Request for Services placed after the expiration, cancellation or termination of this Master Agreement, or otherwise inconsistent with its terms. Requests for Services from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.
- 7.4. **Purchasing Entity or Purchasing Entity Resources.** If any Contract or Request for Service under this Agreement requires Purchasing Entity or Traveler to provide any resources, and Purchasing Entity or Traveler fails to provide the requisite quality or quantity of such resources or fails to provide such resources in a timely manner but for a period not to exceed 30 calendar days, Contractor's sole remedy will be an extension of the applicable delivery dates corresponding to the delay caused by Purchasing Entity's or Traveler's failure.
- 7.5. **Establishment of Account.** From time to time, Purchasing Entities may request and work with Contractor to establish a travel account and the applicable documentation and processes permitting Travelers to obtain one or more of the Services described in the Services and Rates attached hereto as Exhibit A.
- 7.6. **Terms of Service.** Any Contractor or third-party terms of service for accounts or other online services are subject to Exhibit D of this Master Agreement unless a Participating Addendum specifies otherwise.
- 7.7. **Requests for Service.** Once an account is established and the Purchasing Entity and Contractor have agreed upon an ordering process, Travelers may order or submit requests for one or more of the Services by a method and in a form to be agreed upon between Contractor and Purchasing Entity ("Request for Service"). Contractor shall fulfill each Request for Services in accordance with the applicable Contract.
- 7.8. **Transition Services.** Contractor shall at a Participating Entity's option and subject to a written agreement between Contractor and the applicable Participating Entity, provide transition services to support a responsible and secure transition of Services and Purchasing Entity Data to another service provider or to its Purchasing Entities.

8. Compensation.

- 8.1. **Rates and Fees.** Purchasing Entity shall pay Contractor for Services performed and Accepted by a Purchasing Entity including through its Travelers in accordance with a Contract reflecting the rates and fees in Exhibit A, which represent the not-to-exceed prices available to any Purchasing Entity. Purchasing Entity will not pay Contractor for Services performed before the date this Agreement or the applicable Request for Service

or after the termination of this Agreement.

8.2. **Expenses.** Purchasing Entity will not pay or reimburse any expenses incurred by Contractor during the completion of the Services except as authorized in a specific Contract.

8.3. **Price Renegotiation.** Contractor shall keep pricing specified in Exhibit A fixed for at least the first 12 full months of this Master Agreement. Thereafter, Lead State and Contractor may adjust pricing no more than once annually by written amendment. Contractor shall submit any pricing increase requests to Lead State in writing and provide substantiating evidence that each request is based on demonstrable market changes impacting the cost of the Services. The request must show all proposed increases by line item and include supporting documentation acceptable to Lead State. Lead State may require Contractor to provide U.S. Bureau of Labor Statistics Producer Price Index or Consumer Price Index data or any other relevant manufacturer or industry data substantiating the increase. However, a price increase may not produce a higher profit margin for Contractor than at the beginning of the initial term of this Master Agreement. The increase may not exceed 3% of the price immediately before the increase. Pricing changes will apply to Service Requests entered on and after the effective date of the pricing change.

9. Payment and Invoicing.

9.1. **Payment for Services.** All purchases by a Purchasing Entity must be made using a method of payment listed in this Master Agreement or the applicable Participating Addendum. This includes but is not limited to purchasing cards or travel cards. A personal Traveler's credit card is prohibited, unless allowed under the Purchasing Entity's travel policy.

10. Payment Methods.

10.1. **Generally.** Participating Entity and its third-party provider (i.e. hotel or car rental company) will agree upon the method of payment. Provided, however, that the third-party providers must accept all major credit cards (Visa, MasterCard, Discover, and American Express) and Contractor shall accept all major credit cards (Visa, MasterCard, Discover, and American Express) through its booking tools.

10.2. **Restrictions.** Additional fees, taxes, surcharges, or any other charges must not be assessed to the Traveler when accepting major credit cards for payment unless otherwise stated within this Agreement or Addendum thereto or required by law. Contractor shall not pre-charge estimated room charges or first day or night room charges or rental charges.

10.3. **Billing Dispute Resolution.** A Purchasing Entity's contract administrator may dispute charges by sending Contractor written notice detailing the dispute within 30 calendar days of the date of invoice. Contractor shall investigate the dispute and make appropriate adjustments to the specific account.

10.4. **EFT Transaction Procedures.** Contractor and Purchasing Entity may establish procedures for EFT transactions at the time of account setup. In the event Contractor, during the term for the account, elects to designate a different financial institution for the receipt of any payment made using EFT procedures, notification of such change

and required information must be received by the Purchasing Entity's contract administrator a minimum of 60 calendar days prior to the effective date of the change. Contractor's failure to provide accurate information in a timely manner may delay payment of amounts otherwise properly due.

10.5. Funds Available and Authorized; Payments. Purchasing Entity's payment of amounts under a Contract is contingent on Purchasing Entity receiving funding, appropriations, limitations, allotments, or other expenditure authority at levels sufficient to allow Purchasing Entity, in the exercise of its reasonable administrative discretion, to make payments under the Contract. Purchasing Entity shall not order Services under a Contract unless it has received appropriate funding to meet its financial obligations to such Service requests.

11. NASPO ValuePoint Provisions.

11.1. Applicability. NASPO ValuePoint is not a party to this Master Agreement. The terms set forth in this Section 11 are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement with the right to enforce the provisions of this Section 11, NASPO ValuePoint Provisions.

11.2. Administrative Fees.

11.1.1 NASPO ValuePoint Fee. Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than 60 calendar days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of Services under this Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to have been included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

11.1.2 State Imposed Fees. Some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

11.2 NASPO ValuePoint Summary and Detailed Usage Reports.

11.2.1 Summary Sales Data. Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://calculator.naspovaluepoint.org>. All sales made under this Master Agreement must be reported as cumulative totals by state. Contractor must submit a report for each quarter, including quarters during which Contractor has no sales, in which case this will be indicated in the Reporting Tool. Reports must be submitted no later than 30 calendar days following the end of the calendar quarter (as specified in the reporting tool).

11.2.2 Detailed Sales Data. Contractor shall also report detailed sales data by: (1) state; (2) entity/customer type, *e.g.* local government, higher education, K12, non-profit; (3) Purchasing Entity name; (4) Purchasing Entity bill-to and ship-to locations; (4) Purchasing Entity and Contractor Request for Services or Purchase Order identifier/number(s); (5) Request for Services or Purchase Order Type (*e.g.* sales order, credit, return, upgrade, determined by industry practices); (6) Request for Services date (as Purchase Order date); (7) Ship Date; (8) and line item description, including product number if used. The report must be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than 30 calendar days after the end of the reporting period. Reports must be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports must include sales information for all sales under Participating Addenda executed under this Master Agreement.

11.2.3 Reporting on Personal Use. Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating Addendum. Report data for employees should be limited to ONLY the state and entity ((state and agency, city, county, school district, etc.) under whose authority the employee is purchasing Product for personal use and the amount of sales. No personal identification numbers (*e.g.*, names, addresses, **social security numbers or any other numerical identifier**) may be submitted with any report.

11.2.4 Use of Data. Timely submission of these reports is a material requirement of this Master Agreement. The recipient of the reports will have exclusive ownership of the media containing the reports. Contractor hereby grants Lead State and NASPO ValuePoint a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

11.3 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

11.3.1 Staff Education. Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

11.3.2 Onboarding Plan. Upon request by NASPO ValuePoint, Contractor shall, as Participating Addenda are executed, provide plans to launch the program for a Participating Entity. Plans will include time frames to launch the agreement and confirmation that Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

11.3.3 Annual Contract Performance Review. Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at

the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

11.3.4 Use of NASPO ValuePoint Logo. The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.

11.3.5 Most Favored Customer. Contractor shall, within 30 calendar days of their effective date, to notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Requests for Services from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.

11.4 Cancellation. In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel this Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if Contractor fails to record or report revenue for three consecutive quarters, upon 60 calendar day written notice to Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after of the Effective Date of this Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

11.5 Additional Agreement with NASPO. Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of this Master Agreement, the terms of which will be the same or similar (and not less favorable) than the terms set forth in this Master Agreement.

12 Release of Information. Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.

13 No Representations. Contractor shall not make any representations of NASPO ValuePoint's, Lead State's, any Participating Entity's, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the Services that are the subject of this Master Agreement without prior written consent. Failure to adhere to this requirement may result in termination of this Master Agreement for cause.

14 Price and Rate Guarantee Period. All prices and rates must be guaranteed for the initial term of the Master Agreement. Following the initial Master Agreement period, any request for price or rate adjustment must be for an equal guarantee period, and must be made at least (30) calendar days prior to the proposed effective date of the price or rate adjustment. Requests for price or rate adjustment must include sufficient

documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless authorized by Lead State. No retroactive adjustments to prices or rates will be allowed.

- 15 Compliance with Applicable Law.** Any and all Services offered and furnished must comply fully with all applicable federal and state laws, regulations, and executive orders, including the Federal Terms and Conditions set forth in Exhibit C.

16 Inspection and Acceptance.

16.1 Generally. Where a Participating Addendum does not otherwise specify a process for inspection and Acceptance, this section governs. This section does not and is not intended to limit rights and remedies under the applicable commercial code.

16.2 Inspection. All Services are subject to inspection at reasonable times and places during performance of a Contract. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.

- 16.3** Deficiencies. If any Services do not conform to Contract requirements, the Purchasing Entity may require Contractor to perform the Services again in conformity with Contract requirements, at no increase in order amount. When errors or defects cannot be corrected by re-performance, the Purchasing Entity may require Contractor to take necessary action to ensure that future performance conforms to contract requirements; and reduce the contract price to reflect the reduced value of Services performed.

- 17 Payment.** Payment after Acceptance is normally made within 30 calendar days following the date Services are delivered or the date a correct invoice is received, whichever is later. Subject to applicable law, after 45 calendar days Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Request for Services. Payments may be made via a purchasing card with no additional charge.

18 Warranties.

- 18.1 Contractor's General Representations and Warranties.** Contractor represents and warrants:

18.1.1 Contractor has the power and authority to enter into and perform under this Master Agreement and each Contract.

19 Intellectual Property Ownership and Licenses.

19.1 Purchasing Entity Intellectual Property means any intellectual property that is owned by a Purchasing Entity, including Purchasing Entity Data described in Exhibit D. A Purchasing Entity Intellectual Property includes any derivative works and compilations of any Purchasing Entity Intellectual Property. Purchasing Entity grants Contractor a non-exclusive, royalty-free, world-wide license to use, copy, display, distribute, transmit and prepare derivative works of Purchasing Entity Intellectual Property, including Purchasing Entity Data, only to fulfill the purposes of this Contract. Purchasing Entity's license to Contractor is limited by the term and the confidentiality and security obligations of the Contract.

19.2 Contractor Intellectual Property. Contractor Intellectual Property means any intellectual property that is owned by Contractor and contained in or necessary for the use of the Services, and includes any software owned by Contractor, including but not limited to those as described in Exhibit D, documentation, and derivative works and compilations of any Contractor Intellectual Property. Contractor any right, title, or interest in any intellectual property that is now owned or subsequently owned by Lead State, any Participating Entity, or any Purchasing Entity. Except as expressly set forth in this Master Agreement or in a Participating Addendum, nothing in these terms may be construed as one party granting to or conferring upon the other any right, title, or interest in any Contractor Intellectual Property that is now owned or subsequently owned by Contractor.

Failure to buy and maintain the required insurance may result in this Master Agreement's termination or, at a Participating Entity's option, result in termination of its Participating Addendum.

20.3 Coverage. Coverage must be written on an occurrence basis. The minimum acceptable limits will be as indicated below:

20.3.1 Contractor shall maintain Commercial General Liability insurance covering premises operations, products and completed operations, blanket contractual liability, personal injury (including death), advertising liability, and property damage, with a limit of not less than \$1 million per occurrence and \$2 million general aggregate;

Any cancellation under this provision does not affect the rights and obligations attending Services outstanding at the time of cancellation, including any right of a Purchasing Entity to indemnification by Contractor, rights of payment for Services delivered and accepted, rights attending any

warranty or default in performance in association with the Services, and requirements for records administration and audit. Cancellation of the Master Agreement due to Contractor default may be immediate.

- 29 Force Majeure.** Neither party to this Master Agreement is responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, or war which are beyond that party's reasonable control. Lead State is not required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure does not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

- 30.3** If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor will be in breach of its obligations under this Master Agreement and Lead State shall have the right to exercise any or all of the following remedies:

Failure of Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies does not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Request for Services, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Request for Services is not a waiver and may not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or Contract.

(a) provided by Contractor or Contractor's subsidiaries or affiliates;

(b) specified by Contractor to work with the Services; or

(c) reasonably required, in order to use the Services in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

(d) It would be reasonably expected to use the Services in combination with such product, system or method.

33.2.2 The Indemnified Party shall notify Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, Contractor will not be relieved from its obligations unless Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to Contractor. If Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it has control over the defense and settlement of it, subject to applicable law. Further, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at Contractor's reasonable request and expense, information and assistance necessary for such defense. If Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim.
