Dear Mr. Lewis,

On behalf of Ivalua, Inc. (Ivalua) we are pleased to provide our response to Request for Proposal (RFP)# 202102021 which requests for a proposal for eProcurement Solutions and Services Category 1: Full Solution, and Category 3: eSoftware Only.

We understand The State of Maine in conjunction with National Association of State Procurement Officials (NASPO) is interested in evaluating options for eProcurement solutions for State and Local governments.

The enclosed response provides an in-depth look at Ivalua's Source to Pay procurement solution in relation to the RFP specifications and capabilities.

Ivalua for Public Sector has optimized the end-to-end digital procurement experience with unmatched scalability, security, and flexibility. The result is a market-leading, fully transparent, collaborative network for citizens, buyers, and suppliers throughout every stage of the procurement lifecycle.

My team and I are passionate in our desire to support The State of Maine and NASPO as it plans to achieve and exceed the objectives of this strategic initiative. We look forward to your feedback and the opportunity to demonstrate the Ivalua solution.

Very truly yours,

Anne M. Curran
