

Attachment 09 PROPOSED DEVIATIONS TO SAMPLE MASTER AGREEMENT

The Lead State may, but is not obligated to, consider proposed deviations to Attachment 04, Sample Master Agreement.

Provisions of the Sample Master Agreement that are generally inapplicable to, incompatible with, or unsuitable for the subject of this RFP should be brought to the attention of the Lead State using the process described in this RFP for asking questions and will be addressed only at the sole discretion of the Lead State.

Offeror-specific deviations to the Sample Master Agreement may be proposed as part of Offeror's proposal in this attachment but are **strongly discouraged**. The quantity, breadth, and nature of deviations proposed by Offeror may be considered in the Lead State's evaluation of Offeror's proposal and of its risks, costs, and benefits to the Lead State and potential Participating Entities and Purchasing Entities. Proposing excessive or overly restrictive deviations, or proposing deviations upon which Offeror's proposal is conditioned, may result in Offeror's proposal being deemed non-responsive.

Offeror's Proposed Deviations. (Check one of the below.)

- ☒ Offeror has no proposed deviations to Attachment 04, Sample Master Agreement.
- ☐ Offeror proposes the deviations set forth in the table below and **will submit with Offeror's proposal a redlined copy of Attachment 04, Sample Master Agreement** incorporating each proposed deviation. Offeror understands, acknowledges, and agrees to comply with the following:
- The Lead State will not consider any proposed deviation that:
 - Is not submitted in this attachment;
 - Is not accompanied by an explanation as required in this attachment;
 - Is not reflected in redlined edits to the Sample Master Agreement and submitted with Offeror's proposal;
 - Merely references another document or a URL; or
 - Modifies the NASPO ValuePoint administrative fee.
 - Offerors may propose additional terms but must include them in this attachment and must clearly identify where any terms conflict with the Sample Master Agreement.
 - If Offeror is awarded a Master Agreement resulting from this RFP, a comparison of Attachment 04, Sample Master Agreement and Offeror's accepted deviations thereto may be posted on the NASPO ValuePoint website for examination by potential Participating Entities and Purchasing Entities.
