

MYTHICS NASPO CONTRACTS

SIMPLIFYING TECHNOLOGY PROCUREMENT FOR STATE & LOCAL GOVERNMENT

Mythics delivers trusted technology solutions to state and local governments through our **NASPO ValuePoint contract**, providing a compliant, streamlined path to acquire enterprise software, cloud services, hardware, and expert support. As a long-standing public sector partner, Mythics combines deep procurement knowledge with technical expertise to help agencies reduce acquisition complexity, accelerate deployment timelines, and maximize the value of their technology investments. From licensing and architecture to implementation and managed services, we support the full lifecycle of modernization initiatives – enabling government organizations to achieve mission outcomes faster, securely, and with confidence.

ONE PARTNER FOR YOUR ORACLE MULTICLOUD JOURNEY

Seamless Multicloud Integration

Mythics connects OCI, AWS, Microsoft Azure, and Google Cloud so your systems work together. Our multicloud frameworks keep data moving, workloads aligned, and analytics accessible across environments, helping you avoid silos and simplify operations.

Security & Compliance

We ensure your multicloud deployment meets rigorous security standards and regulatory requirements, including FedRAMP, HIPAA, and DoD IL5.

Trusted Oracle Partner

More than 20 years of experience helping federal, state, higher education, healthcare, and commercial organizations succeed with Oracle.

Cloud Licensing & Advisory Experts

Oracle licensing is complex – we make it simple. From Authorized Cloud Environment policies to Bring Your Own License (BYOL) models across AWS, Azure, GCP, and OCI, we help you understand your options and get the most from your existing investments, including support contracts and ULA models.
