Please select the option that most accurately defines your company, based on the definitions below.

***Georgia Resident Business means any business that regularly maintains a place from which business is physically conducted in Georgia for at least one year prior to any bid or proposal to the state or a new business that is domiciled in Georgia and which regularly maintains a place from which business is physically conducted in Georgia; provided, however, that a place from which business is conducted shall not include a post office box, a leased private mailbox, site trailer, or temporary structure.

**A Small business is defined as a business that is independently owned and operated. In addition, such a business must either have fewer than 300 employees or less than \$30 million in gross receipts per year.

*A Georgia Resident Small Business would be a business that meets the requirements for both a Georgia Resident and Small Business.

Also, the State encourages all companies to sub-contract portions of any state contract to small and minority business enterprises. Suppliers interested in taking advantage of the Georgia income tax incentives provided for by the Official Code of Georgia Annotated Section 48-7-38, relative to the use of minority subcontractors in the performance of contracts awarded by the State of Georgia, should visit the website below for more information.

Have you submitted a completed Tax Compliance form?

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed Tax Compliance Form (SPD-SP045), which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the Tax Compliance Form will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State Entity reserves the right to submit the Supplier's completed form to DOR for review even if the contract is valued at less than \$100,000.00. Download the Tax Compliance form using the link below and upload the completed form as part of your response:

<http://doas.ga.gov/assets/State%20Purchasing/Stage%203%20Documents/SPD-SP045TaxComplianceForm.doc>

Any Offeror identified as a prohibited source will be ineligible for award. Accordingly, the Offeror is strongly encouraged to check its tax status now and resolve any outstanding tax liabilities prior to submitting this response. Department of Revenue has identified the following source to allow Offerors to check current tax status:

If the Supplier is a scrutinized company, the Supplier shall not be eligible to bid on or submit a proposal for a contract with the State Entity unless DOAS makes a determination in accordance with O.C.G.A. Section 50-5-84 that it is in the best interests of the State to permit the scrutinized company to submit a bid or proposal. Any scrutinized company desiring DOAS to make such a determination should contact both DOAS and the Issuing Officer immediately.

Have you submitted a completed Tax Compliance form?

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed Tax Compliance Form (SPD-SP045), which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the Tax Compliance Form will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State Entity reserves the right to submit the Supplier's completed form to DOR for review even if the contract is valued at less than \$100,000.00. Download the Tax Compliance form using the link below and upload the completed form as part of your response:

<http://doas.ga.gov/assets/State%20Purchasing/Stage%203%20Documents/SPD-SP045TaxComplianceForm.doc>

Any Offeror identified as a prohibited source will be ineligible for award. Accordingly, the Offeror is strongly encouraged to check its tax status now and resolve any outstanding tax liabilities prior
