1.0	In connection with your technical proposal response for category 4. Proposer shall provide a value and cost narrative for all value added technology and services proposed. This narrative must be accompanied by all proposed pricing.	Response: Please refer below to the Sentinel Cost Proposal and Narrative for Category 4. Value-Added Technology and Services for Spot Check Smartphone Check-in and Video Call Service and Day Reporting Center Services
-----	---	---

Cost Proposal for Spot Check Smartphone Check-in and Video Call Service

Sentinel provides this sample quote based on a minimum of approximately 25 participants making daily Check-ins, weekly Interviews (with questions) and one (1) Video Call per month, including but not limited to the following services:

- Unlimited access to secure web-based monitoring application with each authorized Participating Entity officer getting their own unique Username and Password to access the system.
- One (1) Interview per week. The participant can conveniently complete their interview utilizing the Mobile Phone App
- Interactive Interview with up to ten (10) customized questions, based on Participating Entity's requirements, that will allow the Participating Entity to obtain current information for each participant without the need for a face-to-face visit.
- Appointment Reminder with push notifications and automatic updates to the participant's calendar to improve participant compliance and ensure interview sessions are completed in a timely manner.
- Multi-Factor Authentication via Facial Recognition or Fingerprint (based on phone technology) during each Interview to ensure the identity of the participant.
- Location Based Services (LBS) utilizing geofencing and scheduling to verify the participant's whereabouts during each Check-in/Interview completed from the Mobile App
- System supports English and Spanish
- Access up to one (1) Video Call for Mobile App participants per Month
- Officer Notification of missed check-ins, failed check-ins, device power down, and app closure
- User access to an Extensive Report Library
- "Reward Points" designed to encourage and reward participant compliance and a Community Resource page that provides the participant a list of available resources in their community.

The price for these services for this sample quote is **\$1.15/participant/day**. This price is dependent upon the participant having their own smartphone or the Participating Entity providing smartphones. Sentinel acknowledges that these factors may vary on a per program basis, thus Sentinel will remain open to discussing these characteristics and, where necessary, discuss directly with the Participating Entity and negotiate any modifications required by the NASPO Participating Entity.

Cost Proposal for Day Reporting Center Services

Upon the basis that each Day Reporting Center (DRC) is highly unique, Sentinel will quote DRC services on a per Participating Entity basis as a fixed monthly fee dependent upon the following factors, including but not limited to:

- The volume of monthly participants per DRC facility
- Whether the DRC facility / infrastructure is provided by Sentinel versus provided by the Participating Entity
- Whether or not the DCR facility houses Participating Entity staff as well as Sentinel Case Management staff
- Cumulative Required Programming / Available Curriculum (Examples):
 - Cognitive Skills Programming / Moral Reconation Therapy®
 - Substance Abuse Program
 - Anger Management
 - Budgeting / Money Management
 - Parenting and Family Values
 - Responsible Living
 - Educational Services / Employment Preparation
 - Making Changes For Good
 - Thinking For Good
 - Driving the Right Way
 - Bringing Peace to Relationships / Domestic Battery
- Access to, integration of / referral to local agencies linking participants with appropriate aid sources for transitional housing, clothing, Alcoholics / Narcotics Anonymous, counseling / treatment providers, welfare / financial assistance, and transportation assistance (via public transportation tokens),
- Whether or not Sentinel is providing Electronic Monitoring to DRC participants as part of the contracted services, the type(s) and anticipated volumes of Electronic Monitoring
- Whether or not Sentinel is providing Alcohol and/or Drug Screening as part of the contracted services, the type of test and regularity of testing required
- Whether the DRC is entirely Participating Entity-paid, entirely offender-paid, or hybrid and, if hybrid, what anticipated percentage of each funding source:

Sentinel acknowledges that these factors may vary on a per program basis, thus Sentinel will remain open to discussing these factors and, where necessary, discuss directly with the Participating Entity and negotiate any modifications required by the NASPO Participating Entity for Day Reporting Center Services. Sentinel shall provide staff to implement this program and may recover the costs for their services at a negotiated amount directly from the Participating Entity and or Participants.
