

Summary of Amendments MA152 (formerly 152-1)

Created by Brett Whitelaw
Procurement Manager
State of Utah

Lead State: NASPO Wireless Voice, Data & Accessories Portfolio

Amendment #	Description	Effective Date
1	• Att. A revision - Limitation of Liability, Software Ts and Cs, Contract Migration • Att. B revision to section 2.1.6, Cancellation fees replaced with new language, clarifying the Purchasing Entities rights and Contractors rights.	1/21/20
2	Contract is changed from MA152-1 to MA152	2/14/20
3	• New Attachment N – New Product Log and Product Adds • New Attachment G – Plan Description	6/1/20
4	• Att. A revision – Participants and Scope – NASPO to communicate to Contractor the process of approval from a State CPO to allow for a PA between a non-state entity and the Contractor.	10/2/20
5	• New Attachment C (cost sheet), G (Plan Description), N (New Product Log), V (Award Category Sheet), and V/W (Category 3 Subcategory Descriptions)	5/20/21
6	• Att. B revision to section 3.4 – New products and pricing may be added under category 3 by written approval from the Lead State and posted on the NASPO site in lieu of an amendment to the master agreement. • Att. B revision to section 2.2.1 – Equipment definition revised • New attachment G – Plan Description	2/10/22
7	Att. B amended to reflect that Attachment G may be updated from time to time to add or remove products without an amendment to the master agreement. Updates will be published on the NASPO site and effective when posted.	4/18/22
8	• Contract extended to 8/11/2029 • Product additions • Clarification that the master agreement terms supersede any product-specific terms.	4/2/24
9	• Allows Contractor to collect a recovery fee when an Equipment Subsidy Term is not met. • Additional definitions added as clarification to situations in which a recovery fee would apply	9/1/25
