STATE OF OKLAHOMA AMENDMENT NO. 2 TO STATEWIDE CONTRACT WITH ZOLL MEDICAL CORPORATION.

This Second Amendment to the NASPO Procurement Master Agreement (the "Second Amendment") is effective as of the date of the last signature below ("Effective Date"), between the State of Oklahoma by and through the Office of Management and Enterprise Services ("State") and ZOLL Medical Corporation ("Supplier"). This Second Amendment supplements and amends The NASPO Procurement Master Agreement entered into by the parties and effective August 26, 2024 ("Contract"), including all supplements and amendments thereto. Unless otherwise indicated herein, capitalized terms used in this Amendment without definition shall have the respective meanings specified in the Contract.

For good and valuable consideration, the parties agree to amend the Contract as follows:

1. The Supplier and State ("Parties") acknowledge and agree that **Exhibit C – Cost** to the Contract is hereby amended to include *Value-Add products* that fall within the scope, as defined in Exhibit B, of the Contract. The revised pricing sheet, including all Value-Add offerings, is incorporated into the Contract by reference and supersedes and replaces any prior versions of Exhibit C.

2. The following Contract document attached hereto supersedes and replaces the previous Pricing Document to the Contract in its entirety.
    a. Exhibit C – Cost

3. In the event of a conflict between the terms and conditions hereof and the terms and conditions of the Contract, the specific terms set forth in this Amendment shall govern the subject matter herein.

4. Except as expressly modified in this Amendment, all terms and/or provisions of the Contract not addressed herein remain as executed by the parties in the Contract and remain in full force and effect.

5. This Amendment may be executed by electronic signature in counterparts (e-mail, facsimile or otherwise). The counterparts each of which shall constitute an original, but all of which together shall constitute one and the same instrument.
