RE: Electric Vehicle Charging Station Equipment and Services
State of Maryland BPM037964 – Amendment 2

The State of Maryland (The State), in conjunction with NASPO ValuePoint, is issuing this amendment to BPM037964 – Electric Vehicle Charging Station Equipment and Services to modify the time frame in which to submit updated pricing and product information.

Pursuant to Amendment 1 the process for adding new products, manufacturers and services, updating currently available products per the Contractor's Price Catalog and issuing amendments for adding and/or updating the Contractor's Price Catalog were permitted every six (6) months.

This amendment supersedes Amendment 1 and permits a request to be made once every three (3) months. Additional requests shall only be permitted three (3) months after the prior acceptance has been made.

Upon receipt of the requested updates, the State, in conjunction with NASPO ValuePoint, will review and determine acceptability. Should the requested updates become accepted, they will go into effect no earlier than thirty (30) days of said acceptance.

1. Process for Updating Currently Available Products in Contractor's Price Catalog

Contractor's Price on existing items must be guaranteed for three (3) months. Any request for a price or rate adjustment must be for an equal guarantee period and must be made at least thirty (30) days prior to the effective date. Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.

2. Amendments for Adding and/or Updating Contractor's Price Catalog

Any request for 1- adding new items, or 2 – updating price on existing items, will not require an official amendment. The request will need to be made in writing to the Lead State with reasonable justification for why the product is considered within the awarded categories or for the change/increase in price. Upon written approval from the Lead State, any new Price Catalog with new and/or updated items may be posted publicly and available for purchase.

This will become Amendment 2 to Contract BPM037964 and made available on the NASPO ValuePoint Vendor Portal.
