State agencies may also use the general State-approved Purchase Order referencing the Master Agreement Number, substantially in the form attached hereto as Exhibit No. 4. To the extent the terms of any form differ from the terms of this PA, the terms of this PA supersede such contrary terms. Each Purchase Order from a Purchasing Entity that is not a state agency must contain, on the front page, the following language:

"This purchase is placed against the State of Iowa Master Agreement No. 24157, the terms and conditions of the master agreement and the associated participating addendum entered into by the State of Oregon, under OregonBuys Master Blanket Purchase Order (MBPO) No. PO-10700-00035701 apply to this purchase and supersede all conflicting terms and conditions, express or implied."

The State expressly disclaims any liability for purchases made by non-State agency Purchasing Entities or any other entity.

Contractor is not entitled to receive payment under this PA or any PO from any part of Oregon state government other than Purchasing Entity. Nothing in this PA or a PO is to be construed as permitting any violation of Article XI, section 7 of the Oregon Constitution or any other law regulating liabilities or monetary obligations of the State of Oregon. Purchasing Entity represents that it has sufficient appropriations and limitation for the current biennium to make payments under any PO issued under this PA.

11. Volume Sales Reports (VSRs) / Vendor Collected Administrative Fee (VCAF).

Contractor will be required to submit Volume Sales Reports and Vendor Collected Administrative Fees and are outlined below.

11.1. Volume Sales Reports

Pursuant to the process defined by DAS PS found at:

<https://www.oregon.gov/das/Procurement/Pages/Supplier.aspx>, Contractor shall submit a Volume Sales Report ("VSR") to DAS PS on a quarterly basis; the quarterly report is due no later than thirty (30) calendar days from the end of the applicable quarter.

However, Contractor is advised to be prepared to generate these reports within five days of the end of each respective quarter. This five-day requirement will not go into effect without prior, advance notice given by DAS-PS. For purposes of this Addendum, quarters end March 31, June 30, September 30, and December 31.

The VSR must contain a basic set of required columns with data representing:

- Purchasing Entity
- Description of Good purchased
- Participating Addendum Price
- Quantity
- Total Price
- Complete and accurate details of all receipts (sales and refunds) for the reported period; and
- Such other information as DAS PS may reasonably request

Contractor is responsible for timely reporting and shall submit a VSR whether or not there are sales during the applicable reporting period. In the event no sales have been recorded for the reporting period, a report must be submitted stating "***No Sales for the Reporting Period***".

11.2. Vendor Collected Administrative Fee

Pursuant to the process defined by DAS PS and published through the following link,

<https://www.oregon.gov/das/Procurement/Pages/Supplier.aspx>, Contractor shall submit a Vendor Collected Administrative Fee ("VCAF"), as directed by DAS PS. The VCAF is a charge equal to two percent (2%) of Contractor's gross total sales, less any credits, made to Purchasing Entities during the reporting period.

12. Warranties. Purchasing Entities are entitled to the warranties, rights, remedies, and benefits under the Master Agreement and this PA for any purchases made by such Purchasing Entity Pursuant to POs.

13. Indemnification.

13.1. General Indemnity. Subject to the Master Agreement, Contractor will defend, save, hold harmless and indemnify the Purchasing Entity and the State of Oregon and their agencies, subdivisions, officers, employees and agents from and against all third party claims, suits, actions, losses, damages, liabilities, costs and expenses and causes of action relating to death, injury, or damage to tangible property to the extent caused directly by acts or omissions of Contractor, its officers, employees, subcontractors or agents relating to its performance under the Addendum. Notwithstanding anything to the contrary herein, Contractor shall have no obligation indemnify any indemnified party to the extent any such damage is caused by such party's own negligence or willful misconduct.

13.2. Infringement Indemnity. Subject to the Master Agreement, Contractor will, at Contractor's sole expense, defend, save, hold harmless and indemnify Purchasing Entities and the State of Oregon and their agencies, subdivisions, officers, employees and agents from and against any and all third party claims, damages, reasonable attorneys' fees, and any and all costs incurred in any settlement negotiation or final settlement agreement caused directly by a claim that any aspect of the goods or

services furnished under a PO infringes a patent, utility model, industrial design, copyright, mask work, trademark, trade dress, or any other legally cognizable intellectual property right of any third party (an "Infringement Claim"). Notwithstanding anything to the contrary herein, Contractor's indemnification obligations hereunder do not extend to any claim, damage, or cause of action caused by or based on (i) the State's (or an indemnified party's) own negligence or intentional misconduct; or (ii) the specifications or directions provided by such party.

13.3. Participation. Control of Defense and Settlement. Contractor's obligation to indemnify Purchasing Entity as set forth in Sections 13.1 and 13.2 is conditioned on Purchasing Entity providing to Contractor prompt notification of any claim or potential claim of which Purchasing Entity becomes aware that may be the subject of those Sections. Contractor shall have control of the defense and settlement of any claim that is subject to Section 13.1 or Section 13.2; however, neither Contractor nor any attorney engaged by Contractor shall defend the claim in the name of the State of Oregon or any Purchasing Entity of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the approval of the Attorney General, nor shall Contractor settle any claim on behalf of the State of Oregon without the approval of the Attorney General which shall not be unreasonably withheld, delayed or conditioned. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event that the State of Oregon determines that Contractor is prohibited from defending the State of Oregon, is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue and the State of Oregon desires to assume its own defense.

14. Remedies. If any equipment or services furnished by Contractor are, in Contractor's opinion, likely to become the subject of an Infringement Claim, or if a Purchasing Entity is prevented from exercising its rights under this PA based on any Infringement Claim or court order arising from any Infringement Claim, then Contractor may, at its option and expense, procure for the Purchasing Entity the right to continue using the allegedly infringing goods or services, or replace or modify the goods or services so that they become non-infringing; provided that the replacement or modified good or service meets the specifications set forth in the applicable PO to the satisfaction of the Purchasing Entity. If the foregoing remedies are not available, then Purchasing Entity will return the allegedly infringing goods or terminate the allegedly infringing services, and Contractor will refund Purchasing Entity's payments, in full, for the allegedly infringing equipment or services.

15. Dispute Resolution. Notwithstanding anything to the contrary in the Master Agreement, Purchasing Entities that are State Agencies may resolve disputes through mediation or other types of dispute resolution, provided, however, Purchasing Entities that are State Agencies shall not participate in arbitration of disputes nor shall Purchasing Entity that is a State Agency waive trial by jury.

16. Term and Termination of Participating Addendum.

16.1. Term. This PA remains in effect until the earlier of (a) the expiration or termination of the Master Agreement, or (b) termination of this PA in accordance with its terms. All term extensions of the Master Agreement allow the same extensions to this Participating Addendum.

16.2. Termination. DAS PS may terminate this PA, in whole or in part, at any time upon thirty (30) days prior notice to Contractor. In addition, DAS PS may terminate this PA, in whole or in part, immediately upon notice to Contractor, or at such later date as DAS PS may establish in such notice, for any reason, or upon the occurrence of any of the following events:

16.2.1. State fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for the goods to be purchased under the PA; or

16.2.2. Federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the purchase of goods under this PA is prohibited, or the State is prohibited from

paying for such goods from the planned funding source.

Upon receipt of written notice of termination, Contractor will stop performance under all POs as directed by State.

16.3. Contractor may terminate this Addendum, in whole or in part, at any time upon sixty (60) days prior notice to DAS-PS.

16.4. Termination under any provision of this PA does not extinguish or prejudice State's or a Purchasing Entity's right to enforce this PA or a PO with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance that has not been cured, including any right of the State or a Purchasing Entity to indemnification by Contractor. If this PA or a PO is so terminated, the State or a Purchasing Entity will pay Contractor in accordance with the terms of this PA for goods delivered and accepted by the Purchasing Entity.

17. Termination of Individual Purchase Orders.

17.1 Individual POs may be terminated at any time by written consent of Purchasing Entity and Contractor. Purchasing Entity may, at its sole discretion, terminate individual POs, in whole or in part, upon 30 days written notice to Contractor.

17.2 Purchasing Entity may terminate individual POs, in whole or in part, immediately upon notice to Contractor, or at such later date as Purchasing Entity may establish in such notice, upon the occurrence of any of the following events:

- Purchasing Entity fails to receive funding, or appropriations, limitations, or other expenditure authority at levels sufficient to pay for the goods to be purchased under the PO.
- Federal or State laws, regulations or guidelines are modified or interpreted in such a way that either the purchase of goods under the PO is prohibited, or Purchasing Entity is prohibited from paying for such goods from the planned funding source; or
- Contractor commits any material breach of this PA or a PO and fails to cure such material default after notice thereof and a reasonable opportunity to cure.

17.3 Upon receipt of written notice of termination, Contractor will stop performance under the PO as directed by Purchasing Entity.

17.4 Termination of a PO does not extinguish or prejudice Purchasing Entity's right to enforce the PO with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance that has not been cured, including any right of Purchasing Entity to indemnification by Contractor. In addition, termination of a PO does not extinguish or prejudice Purchasing Entity's right to enforce the warranty, indemnification, governing law, venue and consent to jurisdiction provisions of this PA. If a PO is so terminated, Purchasing Entity will pay Contractor in accordance with the terms of this PA for goods delivered and accepted by Purchasing Entity.

18. Compliance with Law. Contractor will not intentionally violate any federal, state, and local laws, rules, regulations, executive orders and ordinances applicable to the Work under this PA or any PO, as may be adopted or modified from time to time. A State Agency Purchasing Entity's performance under a PO is conditioned on Contractor's compliance with the provisions of ORS 279B.220, 279B.235, 279B.230. and 279B.270. In addition, Contractor warrants the equipment and services provided under this PA not intentionally violate any federal Occupational Safety and Health Administration (OSHA) requirements or any Oregon safety and health requirements, including those of the State Workers' Compensation

Division. Contractor also agrees to comply with (a) Title VI of the Civil Rights Act of 1964, (b) Section v of the Rehabilitation Act of 1973, (c) the Americans with Disabilities Act of 1990 and ORS 659.425, (d) all regulations and administrative rules established pursuant to the foregoing laws and (e) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.

19. Pay Equity. As required by ORS 279B.235, Contractor shall comply with ORS 652.220 and shall not unlawfully discriminate against any of Contractor's employees in the payment of wages or other compensation for work of comparable character on the basis of an employee's membership in a protected class. "Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability, or age. Contractor's compliance with this section constitutes a material element of this PA and a failure to comply constitutes a breach that entitles DAS PS or Purchasing Entity to terminate this PA or a PO for cause.

20. Application of Public Records Law. Contractor acknowledges that any disclosures Contractor makes to Purchasing Entity under this PA are subject to application of the Oregon Public Records Law, including but not limited to ORS 192.311 – 192.478, the provisions for the Custody and Maintenance of Public Records, ORS 192.005 – 192.710, and of ORS 646.461 - 646.475. The non-disclosure of documents or of any portion of a document submitted by Contractor to Purchasing Entity may depend upon official or judicial determinations made pursuant to the foregoing laws. Contractor will be notified prior to Purchasing Entity's release of documents to entities other than participating agencies or other State agencies. Contractor shall be exclusively responsible for defending Contractor's position concerning the confidentiality of the requested documents, at its own expense.

21. Recycled Products. Contractor will endeavor to use, to the maximum extent economically feasible in the performance of this PA or any PO, recycled paper (as defined in ORS 279A.010(1)(gg)), recycled PETE products (as defined in ORS 279A.010(1)(hh)), and other recycled plastic resin products and recycled products (as "recycled product" is defined in ORS 279A.010(1)(ii)).

22. Notices. Except as otherwise provided in a PO, any formal communications between the parties to or notices to be given under a PO will be given in writing by personal delivery of the notice or mailing the notice, postage prepaid, at the address or number set forth on the PO. Any communication so addressed and mailed will be deemed to have been received five (5) calendar days after mailing. Any communication or notice by personal delivery will be deemed to be given when actually received by the appropriate authorized representative. Any communication or notice by email is deemed given when the recipient, by an email sent to the email address for the sender or by a notice given by another method, acknowledges having received that email, with an automatic "read receipt" not constituting acknowledgment of an email for purposes of this Section.

23. Governing Law. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this PA and resulting POs, including, without limitation, their validity, interpretation, construction, performance, and enforcement.

24. Jurisdiction and Venue. Any claim, action, suit or proceeding (collectively, "Claim") between State or any other agency or department of the State of Oregon, and Contractor, that arises from or relates to this PA or a PO under this PA, will be brought and conducted solely and exclusively in the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively in the United States District Court of the District of Oregon. **Contractor, by execution of this PA or acceptance of a Purchase Order submitted pursuant to this PA hereby consents to the in personam jurisdiction of said courts.** Nothing in this section will be construed as a waiver of the State of Oregon's sovereign immunity with respect to any Claim, whether brought under State or Federal law, or consent to jurisdiction in State or Federal Court.

Any Claims between Contractor and a Purchasing Entity other than the State of Oregon or State agency that arise from or are related to individual POs or this PA will be brought and conducted solely and exclusively within the Circuit Court of the county in the State of Oregon in which such Purchasing Entity resides or has its principal office, or at Purchasing Entity's option, within such other county as Purchasing Entity will be entitled to proceed under the venue laws of Oregon to bring or defend Claims. If any such Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. **Contractor, by execution of this PA or acceptance of a Purchase Order submitted pursuant to this PA hereby consents to the in personam jurisdiction of said courts.**

- 25. Foreign Contractor.** If Contractor is not domiciled in or registered to do business in the State of Oregon as of the effective date of this PA, Contractor will promptly provide to the Oregon Department of Revenue all information required by that Department relative to the PA or any Purchase Order. A Purchasing Entity may withhold final payment under a Purchase Order until Contractor has provided the Oregon Department of Revenue with the required information.
- 26. Merger Clause; Waiver.** This PA, including the Master Agreement and the exhibits attached to this PA, constitutes the entire agreement between the parties on the subject matter hereof, and supersede all prior agreements, oral or written. There are no understandings, agreements, or representations, oral or written, between these parties that are not specified in this PA. No waiver, consent, modification or change of terms of this PA binds either party unless in writing and signed by both parties and all necessary State approvals have been obtained. Such waiver, consent, modification, or change, if made is effective only in the specific instance and for the specific purpose given. The failure of State to enforce any provision of this PA does not constitute a waiver by the State of that or any other provision.
- 27. Access to Records.** Contractor will maintain all fiscal records relating to POs in accordance with IFRS accounting standards and will maintain any other records relating to POs in such a manner as to clearly document Contractor's performance thereunder. The Purchasing Entity, the State and its agencies, the Oregon Secretary of State Audits Division and their duly authorized representatives will have commercially reasonable access to such fiscal records and to all other books, documents, papers, plans and writings of Contractor which relate to this PA to perform examination and audits and make excerpts and transcripts. To the extent provided by law, the federal government will be entitled to the same access as the State of Oregon and Purchasing Entities. Contractor will retain and keep accessible all such fiscal records, books, documents, papers, plans, and writings five (5) years) following final payment and termination of this PA, or until the conclusion of any audit, controversy or litigation arising out of or related to this PA, whichever date is later.
- 28. Insurance.** Within ten (10) days of the Effective Date, in addition to the insurance set forth in the Master Agreement, Contractor must provide insurance as set forth on Exhibit No. 2 No POs may be placed or accepted until proof is provided that these requirements have been met.
