MISSOURI ECONOMIC IMPACT

The utilization of Missouri businesses and Missouri employees and other positive economic impact in the provision of the products and/or services under the agreement between the State of Missouri and the vendor is highly desirable for the State of Missouri. Therefore, please provide responses to the following to describe your Missouri economic impact.

1. Provide a description of the company's economic presence within the State of Missouri, including Missouri employees statistics, Missouri business facilities (size, type of facility, location), Missouri subcontractors, etc.
   vTech Solution, Inc. maintains an active economic presence in Missouri through ongoing contract support for multiple Missouri-based clients and consultants currently performing services within the State, including resources working onsite at client locations. The company is registered to conduct business in Missouri through its registered agent, InCorp Services, Inc., Springfield, Missouri. Additionally, vTech supports Missouri's supplier diversity objectives by partnering with Ace Staffing, a Missouri-certified MBE/WBE firm. While vTech does not currently maintain a dedicated corporate office in Missouri, it continues to contribute to the State's economy through local project delivery, workforce participation, and utilization of Missouri-based business partners.

2. Provide a description of the proposed services that will be performed and/or the proposed products that will be provided by the Missourians and/or Missouri products under the Missouri Contract Number
   _ NASPO ValuePoint Cloud and Software Solutions - COOP CONTRACT NUMBER NO.: CPPT300349002600035 & Contract # CT260035048.

3. Provide a description of the economic impact returned to the State of Missouri through tax revenue obligations.
   vTech Solution Inc. may contribute to the State of Missouri's economy through applicable tax revenue obligations associated with doing business in the state, including taxes related to sales and use, payroll, and other business activities as required by law. To the extent that contract performance involves purchases from Missouri-based vendors, use of Missouri-based subcontractors, or engagement of Missouri employees, additional indirect economic benefit may also be generated through related state and local tax contributions.
