Attachment A
Wyoming General Conditions

This Attachment A, Wyoming General Conditions, is incorporated into the Participating Addendum. Together, those documents (the "Wyoming Documents") supplement and replace terms and conditions contained in State of Utah NASPO ValuePoint Master Agreement LS5014, dated 11/20/2025, (the "Master Agreement"), as between Presidio Networked Solutions LLC ("Contractor") and the State of Wyoming (referred to in this Attachment A as "State"). In the event of any conflict or inconsistency between the terms and conditions contained in the Master Agreement and the Wyoming Documents, the terms and conditions in the Wyoming Documents shall control, and shall supersede and replace the terms contained in the Master Agreement as between the Contractor and State.

The following provisions of the Master Agreement are amended as follows:

1. MASTER AGREEMENT SECTION, Payment, is amended to change the time for Payment after Acceptance from thirty (30) days to forty-five (45) days, pursuant to Wyo. Stat. § 16-6-602.

The following General Conditions of this Attachment A are hereby incorporated into the Participating Addendum:

1. **Acceptance.** Contractor shall notify State if State's purchase order is not accepted by Contractor. Any items received by State and not rejected within thirty (30) days of the date of the invoice shall be deemed accepted by State.

2. **General Provisions.**

   A. Amendments. Any changes, modifications, revisions, or amendments to this Participating Addendum which are mutually agreed upon by the parties to this Participating Addendum shall be incorporated by written instrument, executed by all parties to this Participating Addendum. Notwithstanding the above, any amendment to the Master Agreement shall be deemed incorporated into this Participating Addendum unless the amendment is rejected by the State in writing to Contractor within ten (10) calendar days of the amendment's effective date and is document thereafter via written amendment thereto.

   B. Applicable Law, Rules of Construction, and Venue. The construction, interpretation, and enforcement of this Participating Addendum shall be governed by the laws of the State of Wyoming, without regard to conflicts of law principles. The terms "hereof," "hereunder," "herein," and words of similar import, are intended to refer to this Participating Addendum as a whole and not to any particular provision or part. The Courts of the State of Wyoming shall have jurisdiction over this

Participating Addendum and the parties. The venue shall be the First Judicial District, Laramie County, Wyoming.

C. Assignment Prohibited and Participating Addendum Shall Not Be Used as Collateral. Neither party shall assign or otherwise transfer any of the rights or delegate any of the duties set out in this Participating Addendum without the prior written consent of the other party. Notwithstanding the foregoing, the State agrees that Contractor may assign this Agreement without such approval to an affiliate or in connection with a merger, acquisition, consolidation, corporate reorganization, sale of a substantial block of its stock, or the sale of all or substantially all of its assets. The Contractor shall not use this Participating Addendum, or any portion thereof, for collateral for any financial obligation without the prior written permission of the State.

D. Availability of Funds. Each payment obligation of the State is conditioned upon the availability of government funds which are appropriated or allocated for the payment of this obligation and which may be limited for any reason including, but not limited to, congressional, legislative, gubernatorial, or administrative action. If funds are not allocated and available for continued performance of the Participating Addendum, the Participating Addendum may be terminated by the State at the end of the period for which the funds are available. The State shall notify the Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. No penalty shall accrue to the State in the event this provision is exercised, and the State shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section. Notwithstanding the foregoing, the State shall remain responsible for all amounts properly due for Products and Services provided prior to the effective date of termination and, to the extent permitted by applicable law, any non-cancellable third-party commitments incurred by Contractor on the State's behalf prior to such termination. This provision shall not be construed to permit the State to terminate this Participating Addendum for the purpose of obtaining substantially similar products or services from another provider.

E. Award of Related Contracts. The State may award supplemental or successor contracts for work related to this Participating Addendum or may award contracts to other contractors for work related to this Participating Addendum. The Contractor shall cooperate fully with other contractors and the State in all such cases.

F. Certificate of Good Standing. The Contractor shall provide to the State a Certificate of Good Standing from the Wyoming Secretary of State, or other proof that Contractor is authorized to conduct business in the State of Wyoming, if required, before performing work under this Participating Addendum. Contractor shall ensure that all annual filings and corporate taxes due and owing to the Secretary of State’s office are up-to-date before signing this Participating Addendum.

G. Compliance with Laws. The Contractor shall keep informed of and comply with all applicable federal, state, and local laws and regulations in the performance of this Participating Addendum.

H. Extensions. Nothing in this Participating Addendum shall be interpreted or deemed to create an expectation that this Participating Addendum will be extended beyond the term described herein. Any extension of this Participating Addendum shall be initiated by the State and shall be accomplished through a written amendment between the parties entered into before the expiration of the original Participating Addendum or any valid amendment thereto, and shall be effective only after it is reduced to writing and executed by all parties to the Participating Addendum.

I. Force Majeure. Neither party shall be liable for failure to perform under this Participating Addendum if such failure to perform arises out of causes beyond the control and without the fault or negligence of the nonperforming party. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event, and takes all reasonable steps to minimize delays.

J. Indemnification. The Contractor shall release, indemnify, and hold harmless the State, each Purchasing Entity, and their officers, agents, and employees from any and all third-party claims, suits, liabilities, court awards, damages, costs, reasonable attorneys' fees, and expenses to the extent directly resulting from Contractor's negligent acts or omissions in the performance of its obligations under this Participating Addendum. Contractor's obligations in his section are contingent upon the State providing Contractor with (i) prompt written notice of the claim; (ii) sole control of the defense and settlement of the claim in consultation with the Wyoming Attorney General; and (iii) reasonable information, assistance and cooperation, at Contractor's reasonable expense. Contractor shall not settle any claim in a manner that admits liability on behalf of or imposes any obligation upon the State without the Wyoming Attorney General's prior written consent, not to be unreasonably withheld.

K Independent Contractor. The Contractor shall function as an independent contractor for the purposes of this Participating Addendum, and shall not be considered an employee of the State of Wyoming for any purpose. Consistent with the express terms of this Participating Addendum, the Contractor shall be free from control or direction over the details of the performance of services under this Participating Addendum. The Contractor shall assume sole responsibility for any debts or liabilities that may be incurred by the Contractor in fulfilling the terms of this Participating Addendum, and shall be solely responsible

Docusign Envelope ID: C3794365-0AE6-86C5-8094-DAD69D569E2C

for the payment of all federal, state, and local taxes which may accrue because of this Participating Addendum. Nothing in this Participating Addendum shall be interpreted as authorizing the Contractor or its agents or employees to act as an agent or representative for or on behalf of the State of Wyoming or any Purchasing Entity, or to incur any obligation of any kind on behalf of the State of Wyoming or any Purchasing Entity. The Contractor agrees that no health or hospitalization benefits, workers' compensation, unemployment insurance or similar benefits available to State of Wyoming employees will inure to the benefit of the Contractor or the Contractor's agents or employees as a result of this Participating Addendum.

L. Kickbacks. The Contractor certifies and warrants that no gratuities, kickbacks or contingency fees were paid in connection with this Participating Addendum, nor were any fees, commissions, gifts, or other considerations made contingent upon the award of this Participating Addendum. If the Contractor breaches or violates this warranty, the State may, at its discretion, terminate this Participating Addendum without liability to the State, or deduct from the contract price or consideration, or otherwise recover, the full amount of any commission, percentage, brokerage, or contingency fee.

M. Nondiscrimination. The Contractor shall comply with the Civil Rights Act of 1964, the Wyoming Fair Employment Practices Act (Wyo. Stat. § 27-9-105, *et seq.*), the Americans with Disabilities Act (ADA), 42 U.S.C. § 12101, *et seq.*, and the Age Discrimination Act of 1975 and any properly promulgated rules and regulations thereto and shall not discriminate against any individual on the grounds of age, sex, color, race, religion, national origin, or disability in connection with the performance under this Participating Addendum.

N. Notices. All notices arising out of, or from, the provisions of this Participating Addendum shall be in writing and given to the parties at the addresses provided under this Participating Addendum, either by regular mail, email (AI-Purchasing-Contracts@wyo.gov and DLSLEDNational@presidio.com) or delivery in person.

O. Notice of Sale or Transfer. The Contractor shall provide the State with notice of any sale, transfer, merger, or consolidation of the assets of the Contractor. Such notice shall be provided in accordance with the notices provision of this Participating Addendum and, when possible and lawful, in advance of the transaction. If the State determines that the sale, transfer, merger, or consolidation is not consistent with the continued satisfactory performance of the Contractor's obligations under this Participating Addendum, then the State may, at its discretion, terminate or renegotiate the Participating Addendum.

P. Patent or Copyright Protection. The Contractor recognizes that certain proprietary matters or techniques may be subject to patent, trademark, copyright, license, or other similar restrictions, and warrants that, to its knowledge as of the

Docusign Envelope ID: C3794365-0AE6-86C5-8094-DAD69D569E2C

date of delivery of the applicable work, such work performed by the Contractor or its subcontractors will violate any such third-party rights. The Contractor shall defend and indemnify the State against any third-party claim alleging that such work infringes a third party's patent, trademark, copyright or other intellectual property right. Contractor's obligations under this Section are conditioned upon the State providing Contractor with (i) prompt written notice of the claim; (ii) sole control of the defense and settlement of the claim in consultation with the Wyoming Attorney General; and (iii) reasonable information, assistance, and cooperation, at Contractor's reasonable expense. Contractor shall not settle any claim in a manner that admits liability on behalf of or imposes any obligation upon the State without the Wyoming Attorney General's prior written consent, not to be unreasonably withheld. If any work becomes, or in Contractor's reasonable opinion is likely to become, subject to an infringement claim, Contractor may, at its option and expense: (a) obtain for the State the right to continue using the affected work; (b) modify the affected work so that it becomes non-infringing without materially reducing its functionality; or (c) replace the affected work with a substantially equivalent non-infringing alternative. If none of the foregoing alternatives is commercially reasonable, Contractor may terminate the affected work and refund any prepaid fees attributable to the State's unused portion thereof.

Contractor shall have no obligation under this Section to the extent a claim results from (i) modifications not made or authorized by Contractor; (ii) combination or use of the affected work with products, services, or materials not provided or approved by Contractor, where the claim would not otherwise have arisen; (iii) use of the affected work contrary to applicable documentation or Contractor's written instructions; (iv) any modification to affected work made by Contractor pursuant to instructions, designs, specifications or any other information provided to Contractor by or on behalf of the State or (v) continued use after Contractor has provided a substantially equivalent non-infringing alternative.

With respect to third-party products or services, Contractor's obligations shall be limited to passing through to the State the intellectual property infringement remedies and indemnification made available by the applicable manufacturer, publisher, or service provider, to the extent such remedies are available for pass-through.

The remedies set forth in this Section constitute the State's exclusive remedies and Contractor's entire liability with respect to claims of intellectual property infringement arising under this Participating Addendum.

Q. Prior Approval. This Participating Addendum shall not be binding upon either party, no services shall be performed, and the Wyoming State Auditor shall not draw warrants for payment, until this Participating Addendum has been fully executed, approved as to form by the Office of the Attorney General, filed with and approved by the Department of Administration and Information Procurement

S. Severability. Should any portion of this Participating Addendum be judicially determined to be illegal or unenforceable, the remainder of the Participating Addendum shall continue in full force and effect, and the parties may renegotiate the terms affected by the severance.

T. Sovereign Immunity and Limitations. Pursuant to Wyo. Stat. § 1-39-104(a), the State of Wyoming and each Purchasing Entity that is an instrumentality of the State of Wyoming expressly reserve sovereign immunity by entering into this Participating Addendum and any purchase order, and each Purchasing Entity constituting a governmental entity expressly reserves governmental immunity. All of them specifically retain all immunities and defenses available to them as sovereigns or governmental entities pursuant to Wyo. Stat. § 1-39-101, *et seq.*, and all other applicable law. The parties acknowledge that the State of Wyoming has sovereign immunity and only the Wyoming Legislature has the power to waive sovereign immunity. The parties further acknowledge that there are constitutional and statutory limitations on the authority of the State of Wyoming and its agencies or instrumentalities to agree to certain terms and conditions supplied by the Contractor, including, but not limited to, the following: the State's liability for damages; choice of law in a state other than Wyoming; conflicts of law provisions; venue and forum-selection clauses in a state other than Wyoming; Contractor-provided defense or control of litigation or settlement; the State's liability for acts or omissions of third parties; any requirement that the State pay attorneys' fees or costs; additional insured provisions; dispute resolution, including, but not limited to, arbitration; the State's indemnification of another party; and confidentiality. Any such provisions in the Master Agreement, the Participating Addendum, or in any purchase order, attachment, or document incorporated by reference, will not be binding on the State of Wyoming or any Purchasing Entity. Designations of venue, choice of law, enforcement actions, and similar provisions shall not be construed as a waiver of sovereign immunity. The parties agree that any ambiguity in this Participating Addendum shall not be strictly construed, either against or for either party, except that any ambiguity as to immunity shall be construed in favor of immunity.

U. Taxes. The Contractor shall pay all taxes and other such amounts required by federal, state, and local law, including, but not limited to, federal and social security taxes, workers' compensation, unemployment insurance, and sales taxes.

Upon any termination, the State shall pay Contractor for all Products ordered and Services performed through the effective date of termination and, to the extent permitted by applicable law, all non-cancellable third-party commitments reasonably incurred by Contractor on behalf of the State prior to receipt of the notice of termination.

W. Third-Party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of third-party beneficiary, and this Participating Addendum shall not be construed so as to create such status. The rights, duties, and obligations contained in this Participating Addendum shall operate only between the parties to this Participating Addendum and shall inure solely to the benefit of the parties to this Participating Addendum. The provisions of this Participating Addendum are intended only to assist the parties in determining and performing their obligations under this Participating Addendum.
