Attachment A:

State's Modifications and Additions to Master Agreement Terms and Conditions

The following terms and conditions govern during the term of the Participating Addendum (PA).

1. PAYMENT TERM

All payment terms are computed from the date of delivery of supplies or services OR receipt of a properly executed invoice, whichever is later. State is allowed 30 days to pay such invoices. All contractors are required to provide banking information at the time of PA execution in order to facilitate State electronic funds transfer payments.

Withholding of Payment. State may withhold disputed payments to Contractor under the subject statement of work (or where no statement of work exists, the applicable contract). The withholding may not be greater than, in the aggregate, fifteen percent (15%) of the total value of the subject statement of work or applicable contract. With respect to payments subject to milestone acceptance criteria, State may withhold payment only for such specific milestone if and until the subject milestone criteria are met. Contractor is not relieved of its performance obligation if such payment(s) is withheld.

2. U.S. FUNDS

All prices and payments must be in U.S. dollars.

3. REFERENCE TO PA

The Purchase Order number MUST appear on all invoices, packing lists, packages, and correspondence pertaining to the PA contract.

In addition to its other remedies under this Contract, at law, or in equity, State may require Contractor to promptly correct, at Contractor's expense, any services failing to meet Contractor's warranty herein. Services corrected by Contractor shall be subject to all the provisions of this Contract in the manner and to the same extent as services originally furnished.

12. PUBLIC INFORMATION

This Contract and all related documents are subject to disclosure pursuant to Montana public information laws. Unless protected by a State exception to public disclosure, State of Idaho's Master Agreement Sections 14.2 Confidentiality, 14.2.2 Nondisclosure, and 14.3 Injunctive Relief are specifically not incorporated herein. Under Montana public information laws, unless information meets an exception to the public's right to know, this Contract, referenced documents, including pricing documents, are all deemed public information.

13. CIO OVERSIGHT

The Chief Information Officer (CIO) for the State of Montana, or designee, may perform oversight activities. Such activities may include the identification, analysis, resolution, and prevention of deficiencies that may occur while performing services. The CIO may require the issuance of a right to assurance or may issue a stop work order.

14. RIGHT TO ASSURANCE

If State, in good faith, has reason to believe that Contractor does not intend to, is unable to, or has refused to perform or continue performing all material obligations under these Terms and Conditions, State may demand in writing that Contractor give a written assurance of intent to perform. Contractor's failure to provide written assurance within the number of days specified in the demand (in no event less than

five business days) may, at State's option, be the basis for termination and pursuing the rights and remedies available to State.

15. STOP WORK ORDER

State may, at any time, by written order to Contractor require Contractor to stop any or all parts of the required work for the period of days indicated by State after the order is delivered to Contractor. The order must be specifically identified as a Stop Work Order issued under these terms and conditions. Upon receipt of the order, Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. If a Stop Work Order issued under these terms and conditions is canceled or the period of the order or any extension expires, Contractor shall resume work. The State Contract Manager shall make the necessary adjustment in the delivery schedule or price, or both, and the services shall be amended in writing accordingly.

16. BLIND OR VISUALLY IMPAIRED

No state funds may be expended for the purchase of information technology equipment and software for use by employees, program participants, or members of the public unless it provides blind or visually impaired individuals with access, including interactive use of the equipment and services, that is equivalent to that provided to individuals who are not blind or visually impaired. (18-5-603, MCA) Contact the State Procurement Bureau at (406) 444-2575 for more information concerning nonvisual access standards.

17. DEFENSE, INDEMNIFICATION / HOLD HARMLESS

17.1 Indemnities by Contractor

Contractor, at its sole cost and expense, shall defend, indemnify and hold harmless the State of Montana, the contracting agency, or their officers, officials, directors, agents, employees, volunteers, contractors, successors, assignees, or designees from any and all liability, actions, claims, demands, causes of actions, judgments, suits, settlements, penalties, or fines, and all related costs, court costs, attorney fees, expert fees, and other expenses, arising out of, resulting from, or related to:

A. Any acts or omissions of Contractor, its employees, sub-contractors, assignees, or third-party providers in or in connection with the execution or performance of the Contract and any purchase order issued under the Contract, except for the sole negligence of State.

B. Any and all third-party claims involving infringement of United States patents, copyrights, trade and service marks, and any other intellectual or intangible property rights in or in connection with the execution or performance of the Contract and any purchase orders issued under the Contract, or

C. Tax liability, unemployment insurance, workers' compensation, or expectations of benefits by Contractor, its employees, representatives, agents, or subcontractors in or in connection with the execution or performance of the Contract and any Purchase Orders issued under the Contract.

17.2 Coordination of Defense

State shall give Contractor prompt notice of any Claim, and at Contractor's expense, State shall cooperate in the defense of the Claim. Contractor acknowledges that under Montana law, the Montana Attorney General may participate in an action involving State.

17.3 State Reimbursement

If Contractor fails to comply with its defense obligations under this Section, State may undertake its own defense. If State undertakes its own defense, Contractor shall reimburse State for all costs to State resulting from: (1) settlements, judgments, losses, damages, liabilities, and penalties, fines; and (2) defense of the Claim, including but not limited to attorney fees, court costs, and the costs of investigation, discovery, and experts.

18. LIMITATION OF LIABILITY

Contractor shall provide the Participating Entity the same limitation of liability as it has provided the State of Minnesota in the Master Agreement.

19. COMPLIANCE WITH LAWS

In performing its duties in this Contract, Contractor shall comply with all applicable federal, state, or local laws, rules, ordinances, policies, and executive orders. Contractor is the employer for the purpose of providing healthcare benefits and paying any applicable penalties, fees and taxes under the Patient Protection and Affordable Care Act [P.L. 111-148, 124 Stat. 119].

In accordance with 49-3-207, MCA, and Executive Order No. 04-2016, Contractor agrees that:

A. the hiring of persons to fulfill Contractor's duties in this Contract will be made based on merit and qualifications; and

B. there will be no discrimination based on race, color, sex, pregnancy, childbirth, or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this Contract.

Any subcontracting by Contractor obligates subcontractors to the above.

Nondiscrimination Against Firearms Entities/Trade Associations. Contractor shall not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association, and Contractor shall not discriminate

during the term of the Contract against a firearm entity or firearm trade association. This Section shall be construed in accordance with 30-20-301, MCA.

20. CONTRACT TERMINATION

20.1 Termination for Convenience

State may, by written notice to Contractor, terminate this Contract without cause and without incurring liability to Contractor. State shall give notice of termination to Contractor at least 30 days before the effective date of termination. State shall pay Contractor only that amount, or prorated portion thereof, owed to Contractor up to the date State's termination takes effect. This is Contractor's sole remedy. State shall not be liable to Contractor for any other payments or damages arising from termination under this Section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

20.2 Termination for Cause with Notice to Cure Requirement

Either party may terminate this Contract for the other's failure to perform any of its duties under this Contract after giving written notice of the failure to the other. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

20.3 Reduction of Funding

State must, by law, terminate this Contract if funds are not appropriated or otherwise made available to support State's continuation of performance of this Contract in a subsequent fiscal period. (18-4-313(4), MCA.) If state or federal government funds are not appropriated or otherwise made available through State's budgeting process to support continued performance of this Contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, State shall terminate this Contract as required by law. State shall provide Contractor the date State's termination shall take effect. State shall not be liable to Contractor for any payment that would have been payable had the Contract not been terminated under this provision. As stated above, State shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date State's termination takes effect. This is Contractor's sole remedy. State shall not be liable to Contractor for any other payments or damages arising from termination under this Section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

21. Terrorism, Suspension or Debarment, or Otherwise Ineligible

State has the absolute right to terminate the Contract without recourse in the following circumstances:

A. Contractor is listed on the prohibited vendors list authorized by Executive Order #13224, "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism," published by the United States Department of the Treasury, Office of Foreign Assets Control;
B. Contractor is suspended or debarred from doing business with the federal government as listed in the System for Award Management maintained by the General Services Administration; or
C. Contractor is found to be ineligible to hold the Contract under the laws of State.

22. EVENT OF BREACH – REMEDIES

22.1 Event of Breach by Contractor

Any one or more of the following Contractor acts or omissions constitute an event of material breach under this Contract:

Products or services furnished fail to materially conform to any requirement;
Failure to perform any of the other terms and conditions of this Contract, including but not limited to beginning work under this Contract without prior State approval or breaching Section 25.1, Technical or Contractual Problems, obligations; or Voluntary or involuntary bankruptcy or receivership.

22.2 Event of Breach by State

State's failure to perform any material terms or conditions of this Contract constitutes an event of breach.

22.3 Actions in Event of Breach

Upon Contractor's material breach, State may:

A. Terminate this Contract under Section 20.1, Termination for Convenience and pursue any of its remedies under this Contract, at law, or in equity; or
B. Treat this Contract as materially breached and pursue any of its remedies under this Contract, at law, or in equity.
C. Upon State's material breach, Contractor may:
    a. Terminate this Contract under Section 20.2, Termination for Cause with Notice to Cure, and pursue any of its remedies under this Contract, at law, or in equity; or
    b. Treat this Contract as materially breached and, except as the remedy is limited in this Contract, pursue any of its remedies under this Contract, at law, or in equity.

22.4 WAIVER OF BREACH

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate

remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

23. FORCE MAJEURE

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five-day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this Contract, unless the parties mutually agree that the obligation is excused because of the condition.

24. CONFORMANCE WITH CONTRACT

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the Contract shall be granted without the State Procurement Bureau's prior written consent. Product or services provided that do not conform to the Contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

25. MEETINGS

25.1 Technical or Contractual Problems.

Contractor shall meet with State's personnel, or designated representatives, to resolve technical or contractual problems occurring during the Contract term or to discuss the progress made by Contractor and State in the performance of their respective obligations, at no additional cost to State. State may request the meetings as problems arise and will be coordinated by State. State shall provide Contractor a minimum of three full working days' notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the Contract.

25.2 Progress Meetings

During the term of this Contract, State's Project Manager shall plan and schedule progress meetings with Contractor to discuss Contractor's and State's progress in the performance of their respective obligations. These progress meetings will include State's Project Manager, Contractor's Project Manager, and any other

additional personnel involved in the performance of this Contract as required. At each meeting, Contractor shall provide State with a written status report that identifies any problem or circumstance encountered by Contractor, or of which Contractor gained knowledge during the period since the last such status report, which may prevent Contractor from completing any of its obligations or may generate charges in excess of those previously agreed to by the parties. This may include the failure or inadequacy of State to perform its obligation under this Contract. Contractor shall identify the amount of excess charges, if any, and the cause of any identified problem or circumstance and the steps taken to remedy the same.

25.3 Failure to Notify

If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by State, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

25.4 State's Failure or Delay

For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of State's failure or delay in discharging any State obligation, State shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If State agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby and provide for any additional charges by Contractor. This is Contractor's sole remedy. If State does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

26. TRANSITION ASSISTANCE

If this Contract is not renewed at the end of this term, if the Contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor shall provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this Contract or particular work under this Contract. The purpose of this assistance is to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to State or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to such transition assistance. State shall pay Contractor for any resources utilized in performing such transition assistance at the most current Contract rates. If State terminates a project or this Contract for cause, then State may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages State may have sustained as a result of Contractor's breach.

Contractor shall verify on the Purchase Order that any purchase under this Participating Addendum does not use federal grant money. This Section is only applicable until Contractor and State mutually agree on Federal Terms and Conditions.

27. CHOICE OF LAW AND VENUE
Montana law governs this Contract. The parties agree that any litigation concerning this this Contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees, except as provided in Section XX, Defense, Indemnification/Hold Harmless.

Nothing in these provisions shall be construed as a waiver of the sovereignty or governmental immunity State enjoys, whether derived from the Eleventh Amendment to the United States Constitution or otherwise, or a waiver of any defenses to Proceedings or consent to jurisdiction based thereon.

28. AUTHORITY
This Contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

29. SEVERABILITY
A declaration by any court or any other binding legal source that any provision of the Contract is illegal, and void shall not affect the legality and enforceability of any other provision of the Contract, unless the provisions are mutually and materially dependent.

30. WAIVER
State's waiver of any Contractor obligation or responsibility in a specific situation is not a waiver in a future similar situation or is not a waiver of any other Contractor obligation or responsibility.

31. PUBLIC DISCLOSURE
Contractor may publicize the Contract term, scope and price without prior written approval. However, Contractor may not use the State seal, any State logo, or claim any State endorsement as to the Contract without prior written approval by State.

32. SURVIVAL
All provisions in this Contract that relate to warranties, Audit, Payment, Indemnification, Defense, and Hold Harmless, and Limitation of Liability, shall survive any termination of this Contract.

Changes:

A. eProcurement System and Marketplace

The State of Hawaii, State Procurement Office, has instituted a statewide eProcurement system, Aloha eBuys. Periscope Holdings, Inc. ("Periscope"), the State's eProcurement system provider, has implemented Aloha eBuys, which will allow Participating Entities to easily search and purchase from this Price/Vendor List Contract. Therefore, Contractor acknowledges and agrees to the following, which requirements are separate from and additive to any of Contractor's requirements under the NASPO ValuePoint Master Agreement.

i. Remittance of the VCAF – On a quarterly basis, and at the same time as the submission of the Quarterly Sales Report per the above, the Contractor shall remit the VCAF via Automated Clearing House (ACH) transaction directly to Periscope using the Reconciler portal, or as otherwise reasonably directed by Periscope or the State, no later than thirty (30) days after the end of each calendar quarter. The calendar quarters will end September 30, December 31, March 31, and June 30 of each year. Periscope's or the State's receipt or

acceptance of any Quarterly Sales Report and/or VCAF furnished pursuant to the Contract shall not preclude Periscope or the State from challenging the validity thereof at any time. Failure to remit the Quarterly Sales Report and/or VCAF timely and accurately may result in Contractor's goods and/or services being made ineligible for purchase through the Aloha eBuys marketplace. Continued non-compliance by the Contractor may result in the Contractor being found in default of the Contract and, thus, may be subject to termination. Assistance with VCAF remittance is available from the Periscope Customer Service by email or telephone, which contact information shall be providing during Contractor's onboarding.

ii. Catalog Implementation – Contractor shall cooperate with State and/or Periscope as requested, including attendance of meetings, to include and maintain throughout the term an Aloha eBuys marketplace catalog of products and services consistent with and limited to the Contract items. Contractor may choose one of the following catalog options.

a. Hosted Catalog – Contractor shall provide a list of its awarded products and services (including product name, descriptions, images, relevant specifications, keyword search terms, etc.) and pricing consistent with the Contract and in the electronic format provided by Periscope. The product and service list may only provide the awarded products and services at prices listed in the Contract, including quantity and other discounts. In order to maintain the most up-to-date version of the product and service list in compliance with Contract terms, Contractor must provide updated product and service pricing information via electronic format approved by Periscope at least annually but no more than four times per year or as otherwise permitted by the Contract.

b. Punchout Catalog – Contractor shall "punch out" to its own online catalog, provided that its own online catalog is capable of being integrated with the Aloha eBuys marketplace via Commerce eXtensible Markup Language. Contractor's punchout catalog may only provide the awarded products and services at prices listed in the Contract, including quantity and other discounts. Contractor must validate its punchout catalog is current by providing a written update to Periscope every four (4) months (or as otherwise provided in the Contract), verifying that Contractor has audited the offered products and services and pricing.

Any price stated by Contractor under the Contract (including in its hosted or punchout catalog) shall be inclusive of the VCAF, and Contractor shall not reflect the VACF as a separate line item on customer quotes and invoices.

Contractor shall 1) attend a vendor onboarding meeting with Periscope within thirty (30) days of the date of execution of this Amendment, and 2) complete upload of the hosted catalog or integration of the punchout catalog as well as the approval process(es) within ninety (90) calendar days of the date of execution of this Amendment. Contractor shall cooperate with State and Periscope for any other reasonable requests to ensure a catalog's accurate depiction of the Contract.

Any changes to Contractor's catalog permitted by the Contract must be pre-approved in writing by the State.

iii. vi. Such other information as the State and Periscope may reasonably request; and
vii. If no Sales were made during the reporting quarter, then a Quarterly Sales Report shall still be submitted showing zero Sales and zero VCAF due.

GENERAL CONDITIONS

1. Coordination of Services by the STATE. The head of the purchasing agency ("HOPA") (which term includes the designee of the HOPA) shall coordinate the services to be provided by the CONTRACTOR in order to complete the performance required in the Contract. The CONTRACTOR shall maintain communications with HOPA at all stages of the CONTRACTOR'S work, and submit to HOPA for resolution any questions which may arise as to the performance of this Contract. "Purchasing agency" as used in these General Conditions means and includes any governmental body which is authorized under chapter 103D, HRS, or its implementing rules and procedures, or by way of delegation, to enter into contracts for the procurement of goods or services or both.

2. Relationship of Parties: Independent Contractor Status and Responsibilities, Including Tax Responsibilities.

   a. In the performance of services required under this Contract, the CONTRACTOR is an "independent contractor," with the authority and responsibility to control and direct the performance and details of the work and services required under this Contract; however, the STATE shall have a general right to inspect work in progress to determine whether, in the STATE'S opinion, the services are being performed by the CONTRACTOR in compliance with this Contract. Unless otherwise provided by special condition, it is understood that the STATE does not agree to use the CONTRACTOR exclusively, and that the CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with the STATE.

   b. The CONTRACTOR and the CONTRACTOR'S employees and agents are not by reason of this Contract, agents or employees of the State for any purpose, and the CONTRACTOR and the CONTRACTOR'S employees and agents shall not be entitled to claim or receive from the State any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to state employees.

   c. The CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of the CONTRACTOR'S performance under this Contract. Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.

   d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. The CONTRACTOR also is responsible for obtaining all licenses, permits, and certificates that may be required in order to perform this Contract.

   e. The CONTRACTOR shall obtain a general excise tax license from the Department of Taxation, State of Hawaii, in accordance with section 237-9, HRS, and shall comply with all requirements thereof. The CONTRACTOR shall obtain a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of the Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid and submit the same to the STATE prior to commencing any performance under this Contract. The CONTRACTOR shall also be solely responsible for meeting all requirements necessary to obtain the tax clearance certificate required for final payment under sections 103-53 and 103D-328, HRS, and paragraph 17 of these General Conditions.

   f. The CONTRACTOR is responsible for securing all employee-related insurance coverage for the CONTRACTOR and the CONTRACTOR'S employees and agents that is or may be required by law, and for payment of all premiums, costs, and other liabilities associated with securing the insurance coverage.

g. The CONTRACTOR shall obtain a certificate of compliance issued by the Department of Labor and Industrial Relations, State of Hawaii, in accordance with section103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.

h. The CONTRACTOR shall obtain a certificate of good standing issued by the Department of Commerce and Consumer Affairs, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.

i. In lieu of the above certificates from the Department of Taxation, Labor and Industrial Relations, and Commerce and Consumer Affairs, the CONTRACTOR may submit proof of compliance through the State Procurement Office's designated certification process.

3. Personnel Requirements.

a. The CONTRACTOR shall secure, at the CONTRACTOR'S own expense, all personnel required to perform this Contract.

b. The CONTRACTOR shall ensure that the CONTRACTOR'S employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Contract, and that all applicable licensing and operating requirements imposed or required under federal, state, or county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied.

4. Nondiscrimination. No person performing work under this Contract, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law.

5. Conflicts of Interest. The CONTRACTOR represents that neither the CONTRACTOR, nor any employee or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR'S performance under this Contract.

6. Subcontracts and Assignments. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Contract and no such assignment or subcontract shall be effective unless (i) the CONTRACTOR obtains the prior written consent of the STATE, and (ii) the CONTRACTOR'S assignee or subcontractor submits to the STATE a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR'S assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Contract shall be effective unless and until the assignment is approved by the Comptroller of the State of Hawaii, as provided in section 40-58, HRS.

a. Recognition of a successor in interest. When in the best interest of the State, a successor in interest may be recognized in an assignment contract in which the STATE, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

(1) The Assignee assumes all of the CONTRACTOR'S obligations;

(2) The CONTRACTOR remains liable for all obligations under this Contract but waives all rights under this Contract as against the STATE; and

(3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

b. Change of name. When the CONTRACTOR asks to change the name in which it holds this Contract with the STATE, the procurement officer of the purchasing agency (hereinafter referred to as the "Agency procurement officer") shall, upon receipt of a document acceptable or satisfactory to the

Agency procurement officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms and conditions of this Contract are thereby changed.

c. Reports. All assignment contracts and amendments to this Contract effecting changes of the CONTRACTOR'S name or novations hereunder shall be reported to the chief procurement officer (CPO) as defined in section 103D-203(a), HRS, within thirty days of the date that the assignment contract or amendment becomes effective.

d. Actions affecting more than one purchasing agency. Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.

7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.

8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.

9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.

10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.

11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.

12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.

a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified

period not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:

(1) Cancel the stop performance order; or

(2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.

b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:

(1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and

(2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.

c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.

d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and

necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.

c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.

d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.

e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.

f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.

b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.

c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:

(1) Any completed goods or work product; and

(2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

d. Compensation.

(1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.

(2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.

(3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:

(A) Contract prices for goods or services accepted under the Contract;

(B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;

(C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);

(D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the

total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.

(4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

(1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:

(A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;

(B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or

(C) Within such further time as may be allowed by the Agency procurement officer in writing.

(2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;

(3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and

(4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.

b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.

c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.

b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.

c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.

17. Payment Procedures; Final Payment; Tax Clearance.

a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.

b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.

c. Prompt payment.

(1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and

(2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.

d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.

b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.

c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:

(A) Changes in the work within the scope of the Contract; and

(B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.

d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.

e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.

f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.

g. Head of the purchasing agency approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least $25,000.00 and ten per cent (10%) or more of the initial contract price, must receive the prior approval of the head of the purchasing agency.

h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.

i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.

20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:

(1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;

(2) Method of delivery; or

(3) Place of delivery.

a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By

proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.

b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.

c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if a written response is not given prior to final payment under this Contract.

d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:

(1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(2) By unit prices specified in the Contract or subsequently agreed upon;

(3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;

(4) In such other manner as the parties may mutually agree; or

(5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.

b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:

(1) Description of performance (Attachment 1);

(2) Time of performance (i.e., hours of the day, days of the week, etc.);

(3) Place of performance of services;

(4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the STATE in accordance with the drawings, designs, or specifications;

(5) Method of shipment or packing of supplies; or

(6) Place of delivery.

b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the Agency procurement officer shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fixed fee; and (3) other affected terms and shall modify the Contract accordingly.

c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.

d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.

e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.

24. Confidentiality of Material.

a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.

b. All information, data, or other material provided by the CONTRACTOR to the STATE shall be subject to the Uniform Information Practices Act, chapter 92F, HRS.

25. Publicity. The CONTRACTOR shall not refer to the STATE, or any office, agency, or officer thereof, or any state employee, including the HOPA, the CPO, the Agency procurement officer, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR'S brochures, advertisements, or other publicity of the CONTRACTOR. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.

26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.

27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.

28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:

a. The cost or pricing data, and

b. A state contract, including subcontracts, other than a firm fixed-price contract.

29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over $100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.

If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.

30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.

31. Records Retention.

(1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.

(2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.

32. Antitrust Claims. The STATE and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to STATE any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the STATE under an escalation clause.

33. Patented Articles. The CONTRACTOR shall defend, indemnify, and hold harmless the STATE, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the STATE any such infringement or improper or unauthorized use, including, without limitation: (a) furnishing at no cost to the STATE a substitute article, process, or appliance acceptable to the STATE, (b) paying royalties or other required payments to the patent holder, (c) obtaining proper authorizations or releases from the patent holder, and (d) furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

34. Governing Law. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Contract shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.

35. Compliance with Laws. The CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract.

36. Conflict Between General Conditions and Procurement Rules. In the event of a conflict between the General Conditions and the procurement rules, the procurement rules in effect on the date this Contract became effective shall control and are hereby incorporated by reference.

37. Entire Contract. This Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the STATE and the CONTRACTOR relative to this Contract. This Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. There are no agreements, conditions, understandings, promises, warranties, or representations, oral or written, express or implied, between the STATE and the CONTRACTOR other than as set forth or as referred to herein.

38. Severability. In the event that any provision of this Contract is declared invalid or unenforceable by a court, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Contract.

39. Waiver. The failure of the STATE to insist upon the strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the STATE'S right to enforce the same in accordance with this Contract. The fact that the STATE specifically refers to one provision of the procurement rules or one section of the Hawaii Revised Statutes, and does not include other provisions or statutory sections in this Contract shall not constitute a waiver or relinquishment of the STATE'S rights or the CONTRACTOR'S obligations under the procurement rules or statutes.

40. Pollution Control. If during the performance of this Contract, the CONTRACTOR encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, HRS, the CONTRACTOR shall immediately notify the STATE and all other appropriate state, county, or federal agencies as required by law. The Contractor shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the STATE determines that this Contract requires an adjustment of the time for performance, the Contract shall be modified in writing accordingly.

41. Campaign Contributions. The CONTRACTOR is hereby notified of the applicability of 11-355, HRS, which states that campaign contributions are prohibited from specified state or county government contractors during the terms of their contracts if the contractors are paid with funds appropriated by a legislative body.

42. Confidentiality of Personal Information.

a. Definitions.

"Personal information" means an individual's first name or first initial and last name in combination with any one or more of the following data elements, when either name or data elements are not encrypted:

(1) Social security number;

(2) Driver's license number or Hawaii identification card number; or

(3) Account number, credit or debit card number, access code, or password that would permit access to an individual's financial information.

Personal information does not include publicly available information that is lawfully made available to the general public from federal, state, or local government records.

"Technological safeguards" means the technology and the policy and procedures for use of the technology to protect and control access to personal information.

b. Confidentiality of Material.

(1) All material given to or made available to the CONTRACTOR by the STATE by virtue of this Contract which is identified as personal information, shall be safeguarded by the CONTRACTOR and shall not be disclosed without the prior written approval of the STATE.

(2) CONTRACTOR agrees not to retain, use, or disclose personal information for any purpose other than as permitted or required by this Contract.

(3) CONTRACTOR agrees to implement appropriate "technological safeguards" that are acceptable to the STATE to reduce the risk of unauthorized access to personal information.

(4) CONTRACTOR shall report to the STATE in a prompt and complete manner any security breaches involving personal information.

(5) CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR because of a use or disclosure of personal information by CONTRACTOR in violation of the requirements of this paragraph.

(6) CONTRACTOR shall complete and retain a log of all disclosures made of personal information received from the STATE, or personal information created or received by CONTRACTOR on behalf of the STATE.

c. Security Awareness Training and Confidentiality Agreements.

(1) CONTRACTOR certifies that all of its employees who will have access to the personal information have completed training on security awareness topics relating to protecting personal information.

(2) CONTRACTOR certifies that confidentiality agreements have been signed by all of its employees who will have access to the personal information acknowledging that:

(A) The personal information collected, used, or maintained by the CONTRACTOR will be treated as confidential;

(B) Access to the personal information will be allowed only as necessary to perform the Contract; and

(C) Use of the personal information will be restricted to uses consistent with the services subject to this Contract.

d. Termination for Cause. In addition to any other remedies provided for by this Contract, if the STATE learns of a material breach by CONTRACTOR of this paragraph by CONTRACTOR, the STATE may at its sole discretion:

(1) Provide an opportunity for the CONTRACTOR to cure the breach or end the violation; or

(2) Immediately terminate this Contract.

In either instance, the CONTRACTOR and the STATE shall follow chapter 487N, HRS, with respect to notification of a security breach of personal information.

e. Records Retention.

(1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.

(2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.

SPECIAL PROVISIONS

(REQUIRED FEMA DISASTER PROVISIONS)

1. Administrative, Contractual, or Legal Remedies

For all contracts greater or equal to $150,000, which is the current Simplified Acquisition Threshold set by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council pursuant to 41 U.S.C. § 1908, Contractor agrees to be bound by the administrative, contractual, or legal remedies set forth in the State of Hawaii, General Conditions (AG-008), which govern contractors' violation or breach of contract terms and appropriate sanctions and penalties.

2. Termination for Cause and for Convenience

For all contracts in excess of $10,000, Contractor agrees to be bound by the termination for cause and for convenience provisions set forth in the State of Hawaii, General Conditions (AG-008).

3. Equal Employment Opportunity

If this contract is for construction, Contractor agrees, pursuant to the requirements provided in 2 C.F.R. Part 200, Appendix II, and 41 C.F.R. § 60-1.4(b), as follows:

> (A) Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
>
> Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
>

(C) Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(D) Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(G) In the event of Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965), followed by the provisions of subparagraphs (A) through (G) in this paragraph 3, so that such provisions will be binding upon each subcontractor or vendor.

    Certificate of Insurance, showing up-to-date coverage, shall be on file with the State before the Contract may commence.

    The State reserves the right to require higher or lower insurance limits where warranted. Failure to provide proof of insurance as required will be deemed a material breach of this Contract. Contractor's failure to maintain this insurance requirement for the term of this Contract will be grounds for immediate termination of this Contract.

19. **RESERVED**.

20. **PUBLIC INFORMATION:** Contractor agrees that this Contract, related purchase orders, related pricing documents, and invoices will be public documents and may be available for public and private distribution in accordance with the State of Utah's Government Records Access and Management Act (GRAMA). The Division, the Eligible Users, and the State of Utah are not obligated to inform Contractor of any GRAMA requests for disclosure of this Contract, related purchase orders, related pricing documents, or invoices.

21. **DELIVERY:** All deliveries under this Contract will be F.O.B. destination with all transportation and handling charges paid for by Contractor. 22. **ACCEPTANCE AND REJECTION:** An Eligible User shall have thirty (30) days after delivery of the Procurement Item(s) to perform an inspection of the Procurement Item(s) to determine whether the Procurement Item(s) conform to the standards specified in the Solicitation and this Contract prior to acceptance of the Procurement Item(s) by the Eligible User.

    If Contractor delivers nonconforming Procurement Item(s), an Eligible User may, at its option and at Contractor's expense: (i) return the Procurement Item(s) for a full refund; (ii) require Contractor to promptly correct or replace the nonconforming Procurement Item(s); or (iii) obtain replacement Procurement Item(s) from another source, subject to Contractor being responsible for any cover costs. Contractor shall not redeliver corrected or rejected Procurement Item(s) without: first, disclosing the former rejection or requirement for correction; and second, obtaining written consent of the Eligible User to redeliver the corrected Procurement Item(s). An Eligible User's payment for the Procurement Item(s) and/or Services shall not be deemed an acceptance of the Procurement Item(s) and is without prejudice to any and all claims that the Eligible User may have against Contractor. Contractor shall not charge Eligible Users electronic payment fees of any kind.

25. **INDEMNIFICATION RELATING TO INTELLECTUAL PROPERTY:** Contractor will indemnify and hold the Division, the Eligible Users, and the State of Utah harmless from and against any and all damages, expenses (including reasonable attorneys' fees), claims, judgments, liabilities, and costs in any action or claim brought against the Division, the Eligible User, or the State of Utah for infringement of a third party's copyright, trademark, trade secret, or other proprietary right. The parties agree that if there are any limitations of Contractor's liability, such limitations of liability will not apply to this section.

26. **OWNERSHIP IN INTELLECTUAL PROPERTY:** The Division, the Eligible User, and Contractor each recognizes that each has no right, title, or interest, proprietary or otherwise, in the intellectual property owned or licensed by the other, unless otherwise agreed upon by the parties in writing.     3. Contractor will retain all right, title, and interest in and to all Intellectual Property Rights in or related to the services, or tangible components thereof, including but not limited to (a) all know-how, intellectual property, methodologies, processes, technologies, algorithms, software, or development tools used in performing the Services (collectively, the "Utilities"), and (b) such ideas, concepts, know-how, processes and reusable reports, designs, charts, plans, specifications, documentation, forms, templates, or output which are supplied or otherwise used by or on behalf of Contractor in the course of performing the Services or creating the Custom Deliverables, other than portions that specifically incorporate proprietary or Confidential Information or Custom Deliverables of the Eligible User (collectively, the "Residual IP"), even if embedded in the Custom Deliverables.

    4. Custom Deliverables, not including Contractor's Intellectual Property Rights, Background IP, and Residual IP, may not be marketed or distributed without written approval by the Eligible User.

    Contractor agrees to grant to the Eligible User a perpetual, irrevocable, royalty-free license to use Contractor's Background IP, Utilities, and Residual IP, as defined above, solely for the Eligible User and the State of Utah to use the Custom Deliverables. The Eligible User reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for the Eligible User's and the State of Utah's internal purposes, such Custom Deliverables. For the Goods delivered that consist of Contractor's scripts and code and are not considered Custom Deliverables or Work Product, for any reason whatsoever, Contractor grants the Eligible User a non-exclusive, non-transferable, irrevocable, perpetual right to use, copy, and create derivative works from such, without the right to sublicense, for the Eligible User's and the State of Utah's internal business operation under this Contract. 29. **REMEDIES:** Any of the following events will constitute cause for an Eligible User to declare Contractor in default of this Contract: (i) Contractor's non-performance of its contractual requirements and obligations under this Contract; or (ii) Contractor's material breach of any term or condition of this Contract. An Eligible User may issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. Time allowed for cure will not diminish or eliminate Contractor's liability for damages. If the default remains after Contractor has been provided the opportunity to cure, an Eligible User may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) terminate this Contract; (iii) impose liquidated damages, if liquidated damages are listed in this Contract; (iv) debar/suspend Contractor from receiving future contracts from the Division; or (v) demand a full refund of any payment that the Eligible User has made to Contractor under this Contract for Procurement Item(s) that do not conform to this Contract.

30. **FORCE MAJEURE:** Neither an Eligible User nor Contractor will be held responsible for delay or default caused by fire, riot, act of God, and/or war which is beyond that party's reasonable control. TITLE 220 – DEPARTMENT OF ADMINISTRATION

CHAPTER 30 – PURCHASES

SUBCHAPTER 00 – N/A

PART 13 – General Conditions of Purchase

13.1 Purpose

The purpose of the General Conditions of Purchase is to provide a comprehensive, clear, consistent and reasonable set of contractual terms to serve as the base agreement between the State of Rhode Island ("State") and a Vendor. These General Conditions, along with items specified in § 13.4 of this Part herein, shall serve as the Contract with the State regardless of the method of procurement.

13.2 Definitions

A. For the purposes of this Part, the following definitions shall apply:

1. "Contract" means a Purchase Order, Purchase Agreement, and/or Letter of Authorization issued by the Division, along with any and all contractual documents incorporated by reference by the Division.

2. "Purchase agreement" means a written document formally issued by the Division to a Vendor that binds the parties to general terms, but does not represent a specific order for goods or services. A Purchase Agreement may include:

   a. A "Statewide purchase agreement" or "Master price agreement" or "MPA," which serves as an agreement for more than one agency, but does not include a specific quantity until a Purchase Order is issued; or

   b. An "Agency purchasing agreement," or "Agency pricing agreement," or "APA," which serves as an agreement for one agency, but does not include a specific quantity until a Purchase Order is issued;

3. "Vendor" means any individual, firm, corporation, partnership or other entity submitting a proposal to the Division indicating a desire to enter into contracts with the State of Rhode Island, or with whom a Contract is executed by the State Purchasing Agent.

B. All other terms contained in the State Purchases Act and State Procurement Regulations and used herein shall have the same meanings.

13.3 Procurement Process

A. Pricing

All pricing offered or extended to the State is considered to be firm and fixed unless expressly provided for to the contrary in the Purchase Order or Purchase Agreement.

B. Cost of Preparation

All costs associated with the preparation, development and submission of bids or proposals and/or protests arising therefrom, in response to solicitations issued on behalf of the State, shall be the Vendor's sole responsibility. The State will not reimburse any Vendor for such costs.

C. Selection

1. Vendor bids and proposals shall be evaluated and Purchase Orders or Purchase Agreement issued with reasonable promptness and by written notice to the successful Vendor (only); bids and proposals are considered to be irrevocable for a period of sixty (60) days following the opening date unless expressly provided for to the contrary in the solicitation document, and may not be withdrawn during the specified period without the express written permission of the State Purchasing Agent.

2. The State reserves the right, before making an award, to initiate investigations as to whether or not the materials, equipment, supplies, services, qualifications, integrity, capability, capacity, and/or facilities offered by the Vendor meet the requirements set forth in the solicitation and are ample and sufficient to ensure the proper performance of the Contract in the event of award. Failure to pay subcontractors on previous Vendor Contracts may be considered (also see § 13.5 of this Part herein). If upon such examination it is found that the conditions of the solicitation are not complied with, and/or that the goods or services proposed to be furnished do not meet the requirements called for in the solicitation, and/or that the services, qualifications, integrity, capability, capacity and/or facilities of the Vendor are not satisfactory, then the State may reject Vendor's bid or proposal at the State's sole discretion. Nothing in the foregoing shall mean or imply that it is obligatory upon the State to make any examinations before issuance of a Purchase Order or Purchase Agreement. If such examination is made, it in no way relieves the Vendor from fulfilling all requirements and conditions of the Contract.

3. Qualified or conditional offers which impose limitations of the Vendor's liability or modify the requirements of the solicitation, offers for alternate specifications, or offers which are made subject to different terms and conditions, including form contracts, other than those specified by the State may be, at the sole discretion of the State Purchasing Agent:

   a. Rejected as being non-responsive; or,

   b. Set aside in favor of the requirements set forth in the solicitation (with the consent of the Vendor); or,

   c. Accepted, if the State Purchasing Agent determines in writing that such acceptance is in the best interest of the State.

   d. Acceptance or rejection of alternates or counter-offers by the State Purchasing Agent shall not constitute a precedent and shall not be considered to be binding on successive solicitations or procurements.

4. Vendor bids and proposals must bear an authorized signature or certification in a form approved by the State Purchasing Agent. Vendor bids and proposals which do not bear the required signature or certification may be deemed to be non-responsive to the solicitation. Bids submitted in pencil will not be accepted.

5. Vendor bids and proposals must utilize the unit of measure specified in the solicitation. In the event of any discrepancy between unit prices and their extensions, the unit price will govern.

6. The State Purchasing Agent reserves the right to determine whether a Vendor's bid or proposal is Responsive to a solicitation and whether a Vendor is Responsible.

7. The State Purchasing Agent reserves the right to reject any and all bids or proposals in whole or in part, to waive technical defects, irregularities, and omissions, to give consideration to a Vendor's past performance where, in the State Purchasing Agent's judgment, the best interest of the State will be served, to require additional competitive negotiations and/or to issue a request for best and final offers.

8. The State Purchasing Agent reserves the right to make awards by items, group of items or on the total low bid for all the items specified as indicated in the solicitation, unless the Vendor expressly indicates otherwise in its bid or proposal that doing so is not acceptable.

9. Preferences may be given as authorized by law or regulation, including, but not limited to, the following:

a. Preference may be given to bids for products raised or manufactured in Rhode Island, in the event that all other things are equal. Contracts funded entirely by State funds, when all factors are equal, a Vendor or service provider whose headquarters or primary place of business is located within the State, or in the event of a joint venture with a Vendor or service provider whose headquarters or primary place of business is within the State, shall receive preference.

b. MINORITY BUSINESS ENTERPRISES - Pursuant to the provisions of R.I. Gen. Laws Chapter 37-14.1 reserves the right to apply additional consideration to offers, and to direct awards to bidders other than the responsive bid representing the lowest price where:

(1) The offer is fully responsive to the terms and conditions of the Request;

(2) The price offer is determined to be within a competitive range (not to exceed 5% higher than the lowest responsive price offer) for the product or service;

(3) The firm making the offer has been certified by the R.I. Department of Administration, Office of Diversity Equity and Opportunity to be a small business concern meeting the criteria established to be considered a Minority Business Enterprise. A minimum of ten percent [10%] of the dollar value of the work performed against contracts shall be performed by certified Minority Business Enterprises where it has been determined that subcontract and/or supply opportunities exist, and where certified Minority Business Enterprises are available. A vendor may count 60% of its expenditures for materials and supplies required under a contract and obtained from an MBE certified as a regular dealer or supplier, and 100% of such expenditures when obtained from an MBE certified as a manufacturer, towards the MBE participation requirement under R.I. Gen. Laws § 37-14.1-6. For materials or supplies obtained from firms certified as a broker or manufacturer's rep, vendors may receive MBE participation credit only for the fees and commissions charged for the procurement of the goods and materials, but not the cost of the materials themselves. Awards of this type shall be subject to approval, by the Director of Administration, of a Subcontracting Plan submitted by the bidder receiving the award.

10. The State Purchasing Agent reserves the right to act in the State's best interest regarding awards caused by clerical errors or omissions by the Division.

11. Any Contract issued by the Division is subject to the resolution of any timely bid protest.

12. Any objections to specifications or requirements in a solicitation must be received by the Chief Purchasing Officer in accordance with State Procurement Regulation (§ 1.6 of this Subchapter).

D. Public Records

Vendors are advised that all records submitted to the Division may be subject to disclosure in accordance with the Rhode Island Access to Public Records Act, R.I. Gen. Laws § 38-2-1, *et seq*. and/or in the course of litigation through discovery. Any records submitted which a Vendor believes are of a privileged or confidential nature or are not subject to disclosure in accordance with R.I. Gen. Laws § 38-2-2 or other applicable laws, should be clearly marked. The Vendor should provide a brief explanation as to why each portion of information marked as confidential or privileged should be withheld from public disclosure and cite the specific provision of R.I. Gen. Laws § 38-2-2. In the event the Vendor makes a reasonable assertion of confidentiality or privilege, the Division and/or agency and/or public institution of higher education will use reasonable efforts to honor the Vendor's request.

E. Product Evaluation

In all solicitations, the words "or equal" shall be understood to apply to each article when a manufacturer's name or catalog are referenced unless the solicitation specifically states "no substitutions." When submitting a bid or proposal which includes items other than those specified in the solicitation, the Vendor must, in every instance, give the trade designation of the article, manufacturer's name and detailed specifications of the item the Vendor proposes to furnish; otherwise, the bid or proposal shall be construed as being submitted for the identical commodity described in the solicitation. The State Purchasing Agent reserves the right to determine whether or not the substitute item(s) offered by the Vendor is an approved equal to the item(s) specified in the solicitation.

1. All standards are minimum standards except as otherwise provided for in the solicitation.

2. Samples must be submitted to the Division of Purchases in accordance with the solicitation. Samples must be furnished free of charge with the understanding that they shall not be returned to the Vendor.

3. All samples submitted by Vendors may be subject to examination or testing by any laboratory the State Purchasing Agent may designate.

F. COLLUSION - Vendor warrants that it has not, directly or indirectly, entered into any agreement or participated in any collusion or otherwise taken any action in restraint of full competitive bidding.

G. PROHIBITION AGAINST CONTINGENT FEES AND GRATUITIES - Vendor warrants that it has not paid, and agrees not to pay, any bonus, commission, fee, or gratuity to any employee or official of the State for the purpose of obtaining any contract or award issued by the State. Vendor further warrants that no commission or other payment has been or will be received from or paid to any third-party contingent on the award of any contract by the State, except as shall have been expressly communicated to the State Purchasing Agent in writing prior to acceptance of the contract or award in question. Subsequent discovery by the State of non-compliance with these provisions shall constitute sufficient cause for immediate termination of all outstanding contracts and suspension or debarment of the bidder(s) or contractor(s) involved.

13.4 Entire Agreement

A. Incorporation

The Purchase Order, Purchase Agreement or Letter of Authorization issued by the Division, together with associated documents referenced therein, shall constitute the entire and exclusive agreement between the State and any Vendor receiving an award. As noted in § 13.1 of this Part, the resulting Contract shall incorporate by reference:

1. The "State Purchases Act," R.I. Gen. Laws § 37-2-1, *et seq.*;
2. The Procurement Regulations adopted pursuant thereto;
3. The Vendor Certification Cover Form;
4. All other applicable provisions of the Rhode Island General Laws and applicable federal laws;
5. The specific requirements described in the solicitation and related solicitation documents;
6. These General Conditions of Purchase, along with applicable addenda as referenced in § 13.34 of this Part herein; and
7. The offer/proposal submitted by Vendor and accepted by the State.

B. Order of Precedence

Unless otherwise approved by the State Purchasing Agent, in the event of any express conflict or dispute regarding a Vendor's proposal, a Vendor's proposed standard terms of sale, the solicitation documents, statutes, regulations and/or these General Conditions of Purchase, the following order or precedence shall generally apply (with 1 being the highest level of precedence):

1. Federal laws and/or regulations (for federally funded contracts only)

2. Rhode Island General Laws;

3. State Procurement Regulations (Parts 1 through 13 of this Subchapter), General Conditions of Purchase and contract Addenda in addition to the General Conditions ("GC Addenda") (§ 13.34 of this Part);

4. The Purchase Order or Purchase Agreement issued by the Division;

5. The offer, proposal or bid submitted by the Vendor and to the extent accepted by the Division;

6. Solicitation documents issued by the Division; and

7. To the extent allowed by law, for an individual procurement, the State Purchasing Agent may agree to an alternate order of precedence to serve the best interest of the State and/or to protect the health, safety and welfare of the State and its citizens.

C. Contract Contingencies

1. All Contracts are subject to the following:

   a. All material communication between the State and any Vendor pertaining to any solicitation, award or management of a Contract shall be set forth in writing.

   b. Vendor proposals shall be accepted by the Division with the understanding that the issuance of a Purchase Order, Purchase Agreement or Letter of Authorization shall be the only document which creates a binding Contract between the Vendor and the State. The Purchase Order, Purchase Agreement or Letter of Authorization shall bind the Vendor on its part to furnish and deliver goods and/or services at the prices and in accordance with the conditions of Vendor's proposal. A Contract shall be deemed executory only to the extent of funds available for payment of the amounts shown on the Purchase Order. Additionally, any Contract shall be contingent upon the resolution of a timely bid protest.

   c. No alterations or variations of the terms of the Contract shall be valid or binding upon an agency, the State, or the Division unless

submitted in writing and accepted by the State Purchasing Agent thorough issuance of an approved Purchase Order or Change Order. All Contracts and changes must be approved by and emanate from the Division. Oral agreements or arrangements made by a Vendor with anyone, including an agency or agency employee, shall not be binding upon an agency, the State or the Division unless and until reduced to writing and approved by the State Purchasing Agent through the issuance of an approved Purchase Order, Purchase Agreement or Change Order.

d. Contracts shall remain in force for the term specified in the Purchase Order or Purchase Agreement or until all articles or services ordered before date of termination shall have been satisfactorily delivered or fully rendered and accepted by the State and thereafter until all terms and conditions have been met, unless:

(1) Terminated prior to expiration date by satisfactory delivery against orders of entire quantities, or

(2) Extended upon written authorization of the State Purchasing Agent to permit ordering of the unordered balances or additional quantities at the Contract price and in accordance with the Contract terms, or

(3) Canceled by the State in accordance with other provisions stated herein.

e. All Vendor obligations as described herein shall survive expiration, termination and/or cancellation of the Contract.

13.5 Relationship of Parties

The selected Vendor must be fully qualified and capable in all material respects to provide the specified goods and/or services. Unless specifically provided for in the solicitation, the Vendor shall be an independent contractor and not an employee, agent, partner or joint venturer with the State. Nothing herein shall be construed as creating any contractual relationship or obligation between the State and any sub-bidder, subcontractor, supplier of the Vendor, and/or employee of the Vendor. With that said, the State may consider Vendor non-payment of subcontractors or suppliers in determining whether an award to the Vendor is in the best interest of the State. If the solicitation allows, and the Vendor is a joint entity consisting of more than one individual, partnership or corporation or other business organization, all such entities shall be jointly and severally liable for performing the Contract; however, one entity shall be designated as the lead Vendor for contracting purposes.

13.6 Specified Quantity Requirements

A. Except where expressly specified to the contrary, all solicitations are predicated on a specified quantity of goods or services, or for a specified level of funding. Provided, however, that:

1. If stated in the solicitation, the State reserves the right to modify the quantity, scope of service, or funding of any Contract, with no penalty or charge, by written notice to the Vendor; and,

2. The State shall not accept quantities in excess of the specified quantity except where the item is normally sold by weight (where sold by weight, the State shall not accept quantities greater than ten per cent [10%] of the specified quantity), or where the solicitation provides for other than exact quantities; and,

3. Quantities and performance periods set forth in a Purchase Order or a Purchase Agreement may be increased or extended with approval of the State Purchasing Agent provided; however, that any such increase or extension shall be documented through issuance of a Change Order issued by the Division.

13.7 Term and Renewal

Where offers have been requested or Contracts awarded for terms exceeding periods of twelve (12) months, it is mutually understood and agreed that the State's commitment is subject to the appropriation of funding and is limited to a base term not to exceed twelve (12) months, subject to renewal annually at the State's sole option for successive one-year terms, except where expressly specified to the contrary. Purchase Orders, Purchase Agreements, and/or Change Orders appearing to commit the State to obligations of funding or terms of performance in excess of twelve (12) months may be executed for administrative convenience, but are otherwise subject to this provision. In such cases the State's renewal shall be deemed to be automatic, conditional on the continued availability of appropriated funds for the purpose, except as written notice of the State's intent not to renew is served.

13.8 Delivery

A. Delivery must be made as ordered and in accordance with the solicitation and Vendor's proposal. If delivery qualifications do not appear on the Vendor's proposal, then the proposal shall be interpreted to mean that goods are in stock and that shipment will be made within seven (7) calendar days after issuance of the Purchase Order. The decision of the State Purchasing Agent as to reasonable compliance with the delivery terms shall be final. The burden of proof for delay in delivery of an order shall rest with the Vendor. Except when authorized on the Purchase Order:

1. All prices shall be quoted F.O.B. destination, freight pre-paid with all transportation and handling charges paid by the Vendor;

2. Responsibility and liability for loss or damage shall remain with the Vendor until final inspection and acceptance when responsibility shall pass to the State except as to latent defects, fraud and or Vendor's warranty obligations;

3. Deliveries shall be inside deliveries to other than a loading dock, front lobby or reception area and as designated in the Purchase Order; and,

4. Costs shall include all packaging and/or crating charges which shall be of durable construction, good condition, properly labeled and suitable for handling of contents.

13.9 Foreign Entities

In accordance with R.I. Gen. Laws § 7-1.2-1401, no business entity shall have the right to transact business in Rhode Island until it shall have procured a certificate of authority to transact business in the State from the Rhode Island Secretary of State. The term "Entity" means a corporation, a business trust, or association, a real estate investment trust, a common-law trust, a sole proprietorship or any other unincorporated business, or entity including a partnership, whether general or limited, (including a registered limited liability partnership), a foreign limited liability company, or as defined in R.I. Gen. Laws § 7-1.2-1401.

13.10 Product Acceptance

A. Quality

All goods offered or otherwise provided by Vendors shall be new, of the latest model or design, sourced from regular stock product inventories with all parts regularly used with the type of goods offered, without attachment(s) or part(s) substituted or applied contrary to manufacturer's recommendation and standard practice, of prime manufacture, and of first quality unless otherwise specified by the State.

B. Rejection of Nonconforming Goods

The State reserves the right to reject all nonconforming goods, and to cause their return for credit or replacement, at the State's option. Contract deliverables specified for procurement of services shall be construed to be work product, and subject to the provisions of this Section.

1. Failure by the State to discover latent defect(s) or concealed damage or non- conformance shall not foreclose the State's right to subsequently reject the goods in question.

2. Formal or informal acceptance by the State of non-conforming goods shall not constitute a precedent for successive ordering, receipt, acceptance, or procurement of non-conforming goods.

3. If the Vendor fails to promptly cure the defect or replace the goods, the State reserves the right to cancel the Purchase Order. The State may then contract with a different Vendor and invoice the original Vendor for any differential in price over the original Contract price.

4. When materials, equipment or supplies are rejected, the same must be removed by the Vendor from State property within forty-eight (48) hours of notification, unless otherwise specified by the State. Rejected items left longer than forty-eight (48) hours or another time set by the State, shall be regarded as abandoned and the State shall have the right to dispose of those items at the Vendor's expense.

13.11 Ownership

Unless otherwise specifically provided for in the solicitation, General Conditions, or General Conditions Addenda, all data, material and documentation prepared for the State shall be considered work for hire and belong exclusively to the State.

13.12 Product Warranties

A. All product or service warranties normally offered by the Vendor shall accrue to the State's benefit, in addition to any special requirements or benefits which may be stated in the solicitation and/or additionally offered by the Vendor in its bid or proposal. During the term of any maintenance period, but for no less than one year from acceptance, the Vendor shall warrant:

1. The product or services shall perform according to the specific claims and representations made by the Vendor in its bid or proposal;

2. The services or product offered by the Vendor are suitable for the ordinary purposes for which such product is used or services provided;

3. The product or services offered by the Vendor are suitable for any special purposes identified in the solicitation or for which the State has relied on the Vendor's skill or judgment;

4. The product was designed and the services performed in a commercially reasonable manner; and,

5. The product or services are free from defects in material and workmanship.

B. The State shall give notice of a warranty claim to the Vendor in a commercially reasonable manner, upon which, the Vendor shall repair or replace at no cost to the State the product or services. If the repaired or replaced product or services prove to be inadequate, or fail of their essential purpose, the Vendor shall refund the full amount of any payments that have been made by the State. The rights and remedies of the State under this Section are in addition to any other rights and remedies (including cover) provided by law or equity. Any alternate warranties proposed by a Vendor are subject to the provisions of § 13.3(C)(3) of this Part.

13.13 Payment

A. Unless otherwise provided for in the solicitation, Purchase Order or Agreement, payment (subject to retention or set-off, if applicable) shall not be made by the State until goods and are delivered or services performed, in full, and accepted. After such acceptance, payment shall not be due until a properly submitted invoice, with satisfactory documentation, is delivered to the State. Payment then shall be made promptly in accordance with R.I. Gen. Laws § 42-11.1-1, *et seq.*:

1. Vendor payment terms other than as set forth herein may be rejected as being non-responsive.

2. No partial shipments will be accepted, unless provided for by the solicitation or Purchase Order.

3. Where a question of quality or performance is involved, payment in whole or part against which to charge back any adjustment required, shall be withheld at the direction of the State Purchasing Agent.

4. In the event a cash discount or rebate is stipulated, the withholding of payments, as herein described, will not deprive the State from taking such discount or rebate.

5. If not rejected, payments for used portion of inferior or defective goods shall be made by the State on an adjusted price basis.

6. Requests for payments on Contracts under architectural or engineering supervision must be authorized by the architect or engineer and submitted to the agency involved for approval.

13.14 Set-Off Against Payments

Payments due the Vendor shall be subject to reduction by the State Controller equal to the amount of unpaid and delinquent State taxes (or other just debt owed to the State), except where notice of deficiency for trust fund taxes is not a final assessment and still open for a hearing request or while the tax deficiency notice is pending in administrative hearing or from any judicial appeal therefrom.

13.15 Claims

A. Setoff

Any claim against a Vendor may be deducted by the State from any money due it in the same or other transactions. If no deduction is made in such fashion, the Vendor shall pay the State the amount of such claim on demand. Submission of a voucher and payment, thereof, by the State shall not preclude the State Purchasing Agent from demanding a price adjustment in any case when the good or service is delivered or is later found to deviate from the Contract.

B. Damages for Claims

The Purchasing Agent may assess dollar damages against a Vendor determined to be non-performing or otherwise in default of its contractual obligations equal to the cost of remedy incurred by the State, and make payment of such damages a condition for consideration for any subsequent award. Failure by the Vendor to pay such damages shall constitute just cause for disqualification, rejection, and/or suspension. Vendor may appeal any assessment of damages in accordance with § 1.6 of this Subchapter.

13.16 Unused Balances

Unless otherwise specified, all unused quantities and/or unexpended funds shall be automatically canceled on the expiration of the specified term stated in the Contract. Similarly, for orders encompassing more than one State fiscal year, unexpended balances of funding allotted for an individual fiscal year may be liquidated at the close of that fiscal year, at the State's sole option.

13.17 Confidentiality

A. "Confidential Information"

1. Whenever used in a Contract, the term "Confidential information" means:

   a. Information exempt from disclosure to the public or other unauthorized persons under either Rhode Island or federal statutes or regulations; or

   b. Information related to the State's infrastructure, operations, security, or personnel unless otherwise identified by the State in writing as non-confidential at the time of disclosure; or

   c. Any other information which the State has identified to the Vendor in writing as confidential at the time of disclosure or within thirty (30) days after disclosure; or

d. State Data which includes User Data and the State's data used, processed, hosted, stored, or generated as a result of the Services. User Data means any and all information reflecting the access or use of the Services by or on behalf of the State or any authorized user, including any end user profile, visit, session, impression, information, click-through or click stream data and any statistical or other analysis, information or data based on or derived from any of the foregoing; or

e. Information that would ordinarily be reasonably considered confidential or proprietary in the light of the circumstances surrounding disclosure.

B. Form of Confidential Information

1. Confidential Information may take the form of, but is not limited to, plans, calculations, charts, concepts, know-how, inventions, licensed technology, design sheets, design data, diagrams, system design, materials, hardware, manuals, drawings, processes, schematics, specifications, instructions, explanations, research, test procedures and results, equipment, identity and descriptions of components or materials used, any and all personal and/or confidential information pertaining to State employees and/or State personnel, including, but not necessarily limited to, any and all personal and/or confidential healthcare and/or health and/or medical data and/or any other similar and/or related personal and /or confidential information, pertaining to State employees and/or State personnel or any other material or information supplied by or on behalf of the State, State Data or that is disclosed to or becomes known by Vendor as a result of its dealings with the State. Confidential Information may be in tangible or intangible form. The State's failure to expressly identify Confidential Information as such shall not in any way lessen or negate Vendor's obligation to keep such information confidential in accordance with these terms.

2. Exemptions to Confidential Information

a. Notwithstanding the foregoing, and except as provided in the Contract or Addenda, the term "Confidential information," shall not be construed to include information that:

(1) Is or becomes readily available in public records or documents, other than as a result of an inappropriate disclosure by Vendor or other entity or persons acting on behalf of Vendor, or

(2) Can be documented to have been known by Vendor prior to its release to the Vendor by the State without an obligation of confidentiality, or

(3) Is disclosed pursuant to applicable Rhode Island law and/or federal law, judicial action or government regulations.

C. Vendor Acknowledgement

Vendor acknowledges that the Confidential Information is confidential and proprietary information and that its protection is essential to the security and mission of the State. It is understood that the Vendor is not granted an express or implied license or an option on a license, or any other rights to or interests in the Confidential Information other than any licensing provisions as defined in a Contract and/or agreement between the State and Vendor.

D. Vendor's Agents

Vendor acknowledges and also shall require its employees, officers, independent contractors, and subcontractors, agents and any other entities acting on its behalf (collectively "Affiliates") to:

1. Copy, reproduce or use Confidential Information only for the purpose described in the Contract and not for any other purpose unless specifically authorized to do so in writing by the State; and

2. Not permit any other person or entity to use or disclose the Confidential Information for any purpose other than those expressly authorized by the Contract; and

3. Disclose such Confidential Information only to those of its Affiliates who require knowledge of the same for the purpose described in the Contract; provided such Affiliates are obligated to maintain the confidentiality of the Confidential Information and otherwise comply with the terms of the Contract; and

4. Implement physical, electronic and managerial safeguards to prevent unauthorized access to or use of Confidential Information, including without limitation, providing Affiliates a copy of the terms of the Contract and any other Non-Disclosure Agreement the State may provide for said Affiliates signature. Such restrictions will be at least as stringent as those applied by the Vendor's own most valuable confidential and proprietary information and as required by the Contract.

5. The acts or omissions of Vendor's Affiliates with respect to the Confidential Information shall be deemed to be acts or omissions of the Vendor.

E. Additional Requirements

1. Vendor will not remove, obscure or alter any confidentiality or trade secret notation from the Confidential Information without the State's prior written authorization.

2. Confidential Information will remain the exclusive property of the State unless as otherwise provided for in any agreement and/or the Contract between the State and Vendor; upon completion of the project and/or services, or whenever requested by the State, Vendor will promptly destroy or return to the State, in a form acceptable to the State, any and all Confidential Information and all copies thereof, including summaries, reports or notes based thereon, unless otherwise expressly authorized otherwise by the State in writing.

3. Vendor agrees that the breach of these terms would cause irreparable damage to the State. Therefore, Vendor agrees that should it breach its obligations hereunder, Vendor shall defend, indemnify, release, and hold the State harmless from actual damages from losses that result from its breach, including, but not limited to, reasonable attorneys' fees and related litigation expenses. Also, the State has the right to seek an order to restrain the Vendor and its agents, Affiliates, etc. from breaching these terms or otherwise commence any action in law or in equity.

13.18 Taxes

A. The State and its agencies are exempt from payment of any tax imposed directly on the purchaser of goods and services under federal, state or local law with the sole exception of the Rhode Island Motor Fuel Tax, R.I. Gen. Laws § 31-36-1, *et seq*. Except for the Rhode Island Motor Fuel Tax, federal, state and local taxes should not be included in the Vendor's bid or proposal price or otherwise invoiced. Exemption Certificates will be furnished upon request. Vendors and their subcontractors performing improvements to real property pursuant to a contract with a State agency may purchase materials specifically allocated for the performance of said Contract from their suppliers provided that:

1. The materials are essential to the project;

2. The materials are incorporated into the project; and,

3. The Vendor or its subcontractors provide their suppliers with an exemption certificate.

13.19 Insurance/Bonds/Other Security

A. Insurance

Prior to issuance of a Contract, Vendor shall submit to the Division proof of insurance coverages as set forth in the General Condition Addendum A (General

Insurance Requirements), other applicable General Condition Addenda and/or as required by the solicitation ("Insurance Requirements"). Vendor shall comply with the minimum Insurance Requirements imposed by the State. If different or additional insurance requirements are set forth in the solicitation, then Vendor shall comply with the insurance requirements specified in the solicitation.

B. Payment and Performance Bonds

When required by the solicitation or the General Condition Addenda, the successful Vendor shall furnish a payment and/or performance bond in the amount stated in the solicitation from a surety licensed to conduct business in the State of Rhode Island upon the tentative selection.

C. Other Security

The State Purchasing Agent reserves the right to consider and accept alternate forms and plans of insurance or other comparable forms of security, and/or to require additional or more extensive coverage for any individual procurement. Vendors shall provide certificates of insurance and required endorsements for all insurance requirements of the solicitation in form and terms acceptable to the State Purchasing Agent. Failure to comply shall result in a determination that the Vendor is not "responsible." The State Purchasing Agent may change the insurance requirements contained in General Condition Addenda as necessary to protect the State's interests.

13.20 Termination, Default, Cancellation and Stop Work

A. Non-Performance or Breach

A Contract may be rescinded, canceled or terminated by the State Purchasing Agent, at the Vendor's expense upon non-performance or breach by the Vendor of any of its obligations. Failure of a Vendor to cure such non-performance or breach within ten (10) business days after the receipt of notice, unless otherwise determined by the State Purchasing Agent, shall be sufficient cause for the cancellation, rescission or termination of a Contract, the cancellation of all existing State contracts and or subcontracts to which the Vendor is a party, and/or the suspension or debarment of the Vendor from participating in future procurements. The State may pursue any and all of its rights and remedies at law or in equity against the defaulting Vendor or its surety.

B. Timeliness

Failure of a Vendor to deliver the required goods or perform services within the time specified and in accordance with the applicable standards of professional skill and care, or within reasonable time as interpreted by the State Purchasing Agent, or failure of a Vendor to make replacement of rejected articles, when so requested, immediately or as directed by the State Purchasing Agent, may cause

the State Purchasing Agent to purchase in the open market to replace those goods or services rejected or not delivered. The State Purchasing Agent reserves the right to authorize immediate purchase in the open market against rejections on any Contract when necessary. On all such purchases, the Vendor, and/or its surety, agrees to promptly reimburse the State for excess costs occasioned by the Vendor's default. Should the replacement cost be less, the Vendor shall have no claim for the difference. Vendor who fails to commence within the time specified or complete an award made for repairs, alterations, construction, or any other service may be considered to be in default of Contract. The State Purchasing Agent may contract for completion of the work with another Vendor and seek reimbursement of all costs and expenses from the defaulting Vendor and/or its surety and pursue all rights and remedies at law or in equity.

C. Availability of Funds.

Any and all payments by the State are expressly contingent upon and subject to the appropriation, allocation and availability of funds by the General Assembly and/or the Federal Government. If any Contract is funded in whole or in part by federal funds, the State's performance and payment shall be subject to and contingent upon the continuing availability of said federal funds. If the term of extends into fiscal years subsequent, continuation of the Contract is expressly contingent upon the appropriation, allocation, and availability of funds. If funds to effect payment are not available, the State will provide written notification to Vendor. If the Contract is terminated under this paragraph, Vendor agrees to take back any affected goods not yet delivered, terminate any services supplied to the State, and relieve the State of any further obligation thereof. State shall remit payment for goods and services accepted prior to the date of termination in the notice.

D. Convenience

1. For subscription services the State may terminate for convenience.

2. For all other Contracts, the State Purchasing Agent shall have the right to terminate the Contract for convenience if the State Purchasing Agent determines in writing that termination is in the State's best interest. The Vendor shall be paid for work completed and accepted, but Vendor shall not be entitled to recover lost profits.

E. Stop Work

In the interests of health, safety and welfare, economic or otherwise, the State Purchasing Agent may issue a stop work order to a Vendor on any Contract for a reasonable period of time. The Vendor shall cease and desist any further work until so ordered by the State Purchasing Agent. In the event that the Vendor bears responsibility for the conditions requiring a stop work order, the State shall not be responsible for any delays.

13.21 Indemnification

A. General

Vendor shall defend, indemnify, release and hold harmless the State and its agencies, together with their respective officers, agents and employees, from and against any and all third-party claims, demands, liabilities, causes of action, losses, damages, judgments and other costs and expenses (including attorneys' fees) arising out of, or related to, directly or indirectly, in whole or in part, Vendor's breach of the Contract or the act(s), error(s) or omission(s) of the Vendor or its employees, agents, subcontractors or volunteers at any tier.

B. Intellectual Property

Vendor shall defend, indemnify, release and hold harmless the State and its agencies, together with their respective officers, agents and employees, from and against all claims, demands, damages, liabilities, death, injury, judgments and other costs and expenses (including attorneys' fees), arising out of or related to, directly or indirectly, in whole or in part, a claim that a product or service or its use infringes the intellectual property rights of another person or entity.

13.22 Vendor Obligations

A. In addition to the specific requirements imposed by the State in the Contract, a Vendor engaged in providing goods or services to the State shall generally have the following standard responsibilities:

1. Perform services in accordance with applicable standards of professional skill and care or as otherwise provided in the solicitation or Contract. When applicable law requires that services be performed by licensed professionals, Vendor shall provide those services through the performance of qualified persons or entities duly licensed to practice their professions.

2. To furnish adequate protection from damage for all work and to repair damage of any kind, for which it or its workmen are responsible, to the building or equipment, to its own work, or to the work of other Vendors.

3. To clear and remove all debris and rubbish resulting from its work from time to time, as directed or required, at completion of the work to leave the premises in a neat, unobstructed condition, broom clean, and in satisfactory order and repair.

4. To store equipment, supplies, and material at the project site only upon approval by the State, and at its own risk.

5. To perform all work so as to cause the least disruption and inconvenience to the State, and with proper consideration for the rights of other Vendors and workers.

6. To acquaint themselves with conditions to be found at the project site, and to assume responsibility for the appropriate dispatching of equipment and supervision of its employees during the conduct of the work.

7. To supervise Vendor employees and subcontractors and to ensure that its employees are instructed with respect to special rules, regulations, policies, and procedures in effect for any State facility or project site, and that its employees comply with such rules, regulations, policies and procedures.

8. To perform background checks of Vendor employees, subcontractors and agents as required by the State.

9. EQUAL OPPORTUNITY COMPLIANCE, HANDICAPPED ACCESS AND AFFIRMATIVE ACTION - Contractors of the State are required to demonstrate the same commitment to equal opportunity as prevails under federal contracts controlled by Federal Executive Orders 11246, 11625, 11375 and 11830, and R.I. Gen. Laws Chapter 28-5.1. Affirmative action plans shall be submitted by the contractor for review by the State Equal Opportunity Office. A contractor's failure to abide by the rules, regulations, contract terms and compliance reporting provisions as established shall be grounds for forfeiture and penalties as shall be established, including but not limited to suspension.

10. DRUG-FREE WORKPLACE REQUIREMENT – Vendors who do business with the State and their employees shall abide by the State's drug-free workplace policy. Specifically, Vendor agrees as follows:

    a. Vendor employees and agents are required to refrain from the abuse of alcohol and/or illegal and/or prescription drugs and must report to work in a fit condition to perform their duties or be subject to disciplinary action by the Vendor.

    b. All Vendor employees, while on State business, on or off the workplace, are prohibited from purchasing, transferring, using, or possessing illegal drugs or from abusing alcohol or prescription drugs in any way that is illegal.

    c. Vendors will take appropriate disciplinary action with all violators of this policy who are currently employed. Vendors will not knowingly consider for employment anyone who is known to currently abuse alcohol and/or illegal and/or prescription drugs.

11. In the best interest of the State, the State Purchasing Agent reserves the right to remove or have a Vendor immediately remove any Vendor employee, subcontractor or agent of the Vendor working on a State Contract based on a good faith belief that the individual is not acting in an appropriate, professional and/or in a commercially reasonable manner.

12. To comply with the provisions of R.I. Gen. Laws § 37-2-34 (Right to inspect facilities – Right to Audit) as necessary.

13.23 Force Majeure

Neither the State, nor its Vendors, shall be liable to the other for failure or delay in performance due to a cause not reasonably foreseen by, beyond the control of, and without the fault or negligence of the party declaring a force majeure event; provided that the party declaring a force majeure event shall have used its best efforts to avoid such failure or delay in performance, minimized the impact thereof, and given prompt written notice to the other party when first discovered, fully describing its probable effect and duration. In such event of excusable delay or non-performance, the State shall have the right at its option and without liability to cancel by notice to the Vendor any and all portions of Vendor's performance so affected and to take such other action as may be necessary. The State may, after ascertaining the facts and the extent of the delay, extend the time for completing performance when the facts so justify and amend the timetable accordingly. The State shall not be liable for any increased costs, including price escalation, beyond the performance or delivery date, due to a force majeure event. Force majeure shall not include a Vendor's financial distress or the financial distress of Vendor's parent, subsidiary, affiliated or associated company; claims or court orders that restrict Vendor's ability to deliver the goods, products or services contemplated by the Contract; strikes; labor unrest; supply chain disruptions; Vendor's subcontractor's or supplier's financial distress, conduct, negligence or default; or, as otherwise set forth within the Contract and associated documents.

13.24 Compliance with Law

During the term of the Contract with the State, Vendors shall comply with all statutes, laws, regulations, codes, orders, policies, rules and regulations of federal, state or municipal authorities applicable to the furnishing of such goods or services as set forth in the solicitation and the Vendor's bid or proposal all of which are hereby incorporated by reference into any Purchase Order or Purchase Agreement issued by the Division. Vendors shall pay for all required permits, licenses and fees required for the delivery of goods or services to the State unless otherwise stated in the solicitation or Contract.

13.25 Subcontracting, Assignment, Merger or Acquisition, Key Personnel, Third-Party Payment, and Prompt Payment of Subcontractors

A. Subcontracting

Vendors shall not subcontract with any third-party, except as set forth in its bid or proposal, without the prior written consent of the State Purchasing Agent. Such consent, if granted, shall not relieve the Vendor of any of its responsibilities under the Contract, nor shall it create privity of contract between the State and the sub-contractor. If a Vendor uses a sub-contractor to fulfill its responsibilities, then the Vendor shall be responsible for the sub-contractor's performance, compliance with the applicable terms of the Contract and all applicable statutes, rules, regulations, and these General Conditions of Purchase. Provided, however, for Rhode Island Department of Transportation ("RIDOT") road, bridge and heavy construction projects, approval of subcontractors shall be in accordance with "Bluebook" specifications issued by RIDOT. Upon request, contractors must submit to the Division of Purchases a list of all subcontractors to be employed in the performance of any Purchase Order or other contract arising from this Request.

B. Assignment

Vendors shall not, in whole or part, assign, transfer, convey, sublet, delegate or otherwise dispose of a Purchase Order, Purchase Agreement or Contract with the State or its right, title or interest therein, or its power to execute such Contract prior to issuance of a Purchase Order, to any other person, company, corporation, or entity without the written consent of the State Purchasing Agent. If consent is not granted, then the assignment, transfer, conveyance, sublet, delegation, or disposal shall be void ab initio.

C. Merger or Acquisition

If subsequent to the submission of a bid or proposal and prior to issuance of a Purchase Order or Purchase Agreement, a Vendor merges with or is acquired by another entity, then the Vendor shall provide appropriate and legally binding documentation between the Vendor and the successor entity ratifying acceptance of the Vendor's bid, proposal and any Contract terms, conditions, and pricing submitted to the Division. The State Purchasing Agent may disqualify the Vendor if the successor entity is determined to be not responsible.

D. If, after issuance of a Purchase Order, there is a material acquisition or change of ownership of a Vendor or its parent to another entity or person, the State Purchasing Agent may either authorize assignment of the Purchase Order or Purchase Agreement to the successor entity or cancel the Purchase Order or Purchase Agreement.

E. Key Personnel

If the Vendor's bid or proposal identified key personnel who would be responsible for fulfillment of the Vendor's performance obligations and said key personnel are for any reason no longer available, then the State Purchasing Agent may either authorize substitution of said key personnel by the Vendor or cancel the Contract.

F. Third-Party Payment

Unless expressly provided for in the solicitation, the State will not accede to any request for third party or joint payment(s), except as provided for in specific orders by a court of competent jurisdiction, or by express written permission of the State Purchasing Agent. If a Vendor's bid or proposal is contingent upon such payment(s), then it must be clearly stated within the bid or proposal and is subject to approval by the State Purchasing Agent.

G. Prompt Payment of Subcontractors

In accordance with R.I. Gen. Laws § 42-11.1-3(b) Vendors shall make prompt payment for satisfactory subcontract work for which the State has made partial or full payment. The State reserves the right to determine whether a Vendor, who repeatedly fails to make prompt payment to subcontractors, is Responsible relative to future procurements, and may suspend, debar or otherwise remove such Vendors from the State Bidders List.

13.26 Advertising

Vendors shall not reference a State Contract for the purposes of advertising or promotion without written authorization from the State Purchasing Agent and any agency owner of the referenced Contract.

13.27 Non-Exclusive Rights

The State reserves the right to issue multiple solicitations for goods or services similar or identical to the goods or services described in a solicitation for which a Purchase Order or Purchase Agreement has been issued to a Vendor.

13.28 Election of Remedies

All rights exercisable by and remedies of the State shall be cumulative. The exercise or beginning of the exercise by the State of any of its rights and remedies will not preclude the State from exercising any other right hereunder or otherwise granted by law or in equity.

13.29 Survival

All Vendor obligations herein shall survive expiration, termination and/or cancellation of the Contract.

13.30 Contract Transition

Vendor agrees to act in good faith and a commercially reasonable manner at all times in the transition of a Contract to a new Vendor.

13.31 Governing Law, Forum

A. The construction and effect of any solicitation, Contract or Purchase Order documents, Purchase Agreement or actions by the Department of Administration, by and through its Division of Purchases, arising under the "State Purchases Act", R.I. Gen. Laws § 37-2-1, *et seq*. shall be governed and construed in accordance with the laws of the State of Rhode Island, without reference to its principles of conflict of laws, except where the federal supremacy clause requires otherwise.

B. After exhaustion of any administrative remedies, any suit, action or proceeding brought by a Vendor in connection with any solicitation, Contract, or Purchase Order or actions by the Department of Administration, by and through its Division of Purchases, arising under the "State Purchases Act", R.I. Gen. Laws § 37-2-1, *et seq*. shall be brought solely in the Providence Superior Court, Providence, Rhode Island. Vendors irrevocably submit to the jurisdiction of said court and all courts of appeal from which an appeal may be taken from such court, waive any objection to the venue of said court and any claim that such suit, action or proceeding has been brought in an inconvenient forum. Nothing contained in this section shall be construed to waive any State immunity to suit or liability.

13.32 Effective Date and Commencement of Work

A. Effective Date of the General Conditions

The General Conditions shall apply to all procurements issued after the effective date of these regulations.

B. Contract Effective Date

The effective date of any procurement shall be the date contained in the Contract. No work or services shall commence prior to the issuance of a Purchase Order or written authority to proceed formally issued by the Division. Any work performed by the Vendor prior to issuance of a Purchase Order or approved Change Order shall not be subject to payment by the State.

13.33 Amendments to General Conditions

The State Purchasing Agent reserves the right to agree to alternate terms and conditions for a specific purchase in order to serve the best interests of the State and/or protect the health, safety or welfare, economic or otherwise, of the State and its citizens.

13.34 Contract Addendums in Addition to the General Conditions of Purchase

A. In addition to the General Conditions of Purchase, the additional contract Addenda ("GC Addenda") listed below shall apply to specific types/categories of Contracts with the State at the direction of the Division. The Division shall indicate any applicable GC Addenda in the solicitation or other procurement. These GC Addenda shall be considered as additional Contract terms and conditions with the State.

B. The GC Addenda may be amended from time to time without Administrative Procedures Act promulgation and at the discretion of the Division. The GC Addenda shall be considered contract terms and not regulations.

C. The Division may post the current GC Addenda on the Division's website for reference purposes and/or may include with the solicitation. The GC Addenda includes the following:

1. GC Addendum A – General Insurance Requirements
2. GC Addendum B – Information Technology Requirements
3. GC Addendum C – Public Works Project Requirements (AIA Agreements)
4. GC Addendum D – Agency Specific Federal Funding Requirements – Provides any requirements imposed by federal partners.
5. GC Addendum E – Standard Business Associates Agreement Requirements
6. GC Addendum F – Special Requirements – Requirements not otherwise addressed in the General Conditions or GC Addenda above.

D. The Division reserves the right to add GC Addenda as necessary without further promulgation of regulation. Again, any additional GC Addenda would be considered a Contract term.

E. In lieu or in addition to any GC Addenda, the Division reserves the right to include any contract terms in a specific solicitation or procurement as necessary.

13.35 Severability

If any section, term, or provision of this regulation should be adjudged invalid for any reason, that judgment should not affect, impair, or invalidate any remaining section, term, or provision, which shall remain in full force and effect.

ATTACHMENT C: STANDARD STATE PROVISIONS FOR CONTRACTS AND GRANTS

REVISED DECEMBER 7, 2023

1. Definitions: For purposes of this Attachment, "Party" shall mean the Contractor, Grantee, or Subrecipient, with whom the State of Vermont is executing this Agreement and consistent with the form of the Agreement. "Agreement" shall mean the specific contract or grant to which this form is attached.

2. Entire Agreement: This Agreement, whether in the form of a contract, State-funded grant, or Federally-funded grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect. Where an authorized individual is either required to click-through or otherwise accept, or made subject to, any electronic terms and conditions to use or access any product or service provided hereunder, such terms and conditions are not binding and shall have no force or effect. Further, any terms and conditions of Party's invoice, acknowledgment, confirmation, or similar document, shall not apply, and any such terms and conditions on any such document are objected to without need of further notice or objection.

3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial: This Agreement will be governed by the laws of the State of Vermont without resort to conflict of laws principles. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State regarding its performance under this Agreement. Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights, or actions arising out of the State's sovereign status or under the Eleventh Amendment to the United States Constitution. No waiver of the State's immunities, defenses, rights, or actions shall be implied or otherwise deemed to exist by reason of the State's entry into this Agreement.

5. No Employee Benefits For Party: The Party understands that the State will not provide any individual retirement benefits, group life insurance, group health and dental insurance, vacation or sick leave, workers compensation or other benefits or services available to State employees, nor will the State withhold any state or Federal taxes except as required under applicable tax laws, which shall be determined in advance of execution of the Agreement. The Party understands that all tax returns required by the Internal Revenue Code and the State of Vermont, including but not limited to income, withholding, sales and use, and rooms and meals, must be filed by the Party, and information as to Agreement income will be provided by the State of Vermont to the Internal Revenue Service and the Vermont Department of Taxes.

6. Independence: The Party will act in an independent capacity and not as officers or employees of the State.

7. Defense and Indemnity:

A. The Party shall defend the State and its officers and employees against all third-party claims or suits arising in whole or in part from any act or omission of the Party or of any agent of the Party in connection with the performance of this Agreement. The State shall notify the Party in the event of any such claim or suit, and the Party shall immediately retain counsel and otherwise provide a complete defense against the entire claim or suit. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits.

B. After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
