Event Description

RFx Premier has announced a bid opportunity from the University of Washington - RFP 1002566 - Integrated Smart Classroom Equipment and Services.

The purpose of this Request for Proposal (RFP) is to establish Master Agreements with qualified bidders, to provide Integrated Smart Classroom Equipment and Services for all Participating States.

The objective of this RFP is to obtain best value, and in some cases achieve more favorable pricing, than is obtainable by individual State or local government entity because of the collective volume of potential purchases by numerous state and local government entities.

The RFP is available and can be located here: <https://www.rfxpremier.org/current-solicitations/>
