RFP OVERVIEW- RFP AMENDMENT 2

I. INTRODUCTION

This Request for Proposals (RFP) is being issued by the State of Oregon, acting by and through its Department of Administrative Services, Procurement Services (Lead State or DAS) on behalf of the member states of the NASPO ValuePoint cooperative purchasing program (ValuePoint). The purpose of this RFP is to establish one or more Master Agreements with qualified proposers to provide **Passenger Vehicle and Box Truck Rental**.

The Lead State hopes to obtain best value, achieve more favorable pricing than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous Participating States/Participating Entities, and also, to create a selection of environmentally sustainable products for Participating States/Participating Entities to purchase.

The purpose of this RFP and its resulting Master Agreement(s) is intended to benefit all state departments, institutions, agencies, and political subdivisions and other eligible public and nonprofit entities in the 50 states, the District of Columbia, and U.S. territories. Proposals should be generally applicable to all potential Participating Entities and Purchasing Entities, except where specificity is requested.

The initial term of the Master Agreement(s) resulting from this RFP is anticipated to be 1 year, with the option to exercise renewals totaling up to an additional 4 years following the initial term, upon mutual agreement by the Lead State and Contractor.

About NASPO ValuePoint

NASPO ValuePoint is a division of the National Association of State Procurement Officials (NASPO), a non-profit association dedicated to advancing public procurement through leadership, excellence, and integrity. In accordance with NASPO Value Point's Lead State Model™, the Lead State is issuing this RFP, evaluating responses, and establishing Master Agreements with the support and assistance of a Multistate Sourcing Team™ comprised of individuals from other member states, representing a broad range of perspectives that ensure the RFP incorporates best practices recognized by public entities across the country.

Participation in NASPO ValuePoint Master Agreements is convenient and cost-effective for eligible entities—including state departments, institutions, agencies, and political subdivisions, federally recognized tribes, and other eligible public and nonprofit entities in the 50 states, the District of Columbia, and U.S. territories—and suppliers, with no membership or registration required. In 2023, contractors reported a combined spend for passenger vehicle rental of **\$106,620,000 million** in sales through the current Passenger Vehicle Rental portfolio and in 2021 was **\$1.43 million for Box truck rental spend**.

More information about NASPO, NASPO ValuePoint, and the NASPO ValuePoint Lead State Model can be found at www.naspo.org and www.naspovaluepoint.org and in Attachment 6, Participation Information.
