Orbis Online Charity Auction

Bid for your favourite gift from 9-13 July to support Orbis's blindness prevention awareness activities and COVID-19 Emergency Fund. www.accelevents.com/e/orbisauction

With the cancellation of the Singapore Gala and global fundraising events, your support is so critical for us to carry out essential eye care programs around the world during COVID-19.

From signed English Premier League 2020 Jersey and The Rolling Stones Sticky Fingers LP to beautiful artwork to decorate your homes and Orbis's collectibles, we hope you can find something you love that can support Orbis's eye care programs at the same time.

If you fancy none, bring home bottles of Israel Wine at a generous bid to celebrate the year we had planned to have come very far in our fight against the projected tripling of global blindness in the next 30 years. With you behind us, we are confident that this goal is attainable. Thank you!
