Orbis International

Changing the Way the World Sees

Orbis International Zambia invites reputable organizations and institutions offering consultancy services in research and project evaluations to register as consultants for providing these services to our offices

Submission Requirements:

Applicants must submit a comprehensive company profile, which should include:

1. Contact Information: Clearly state the physical address, telephone lines, and a valid email address (Orbis International Zambia emphasizes email communication with vendors).
2. Business Registration Documents: Certificates of registration/incorporation and all relevant statutory documents.
3. Research Credentials: proof of expertise in the field such as Curriculum Vitae, past research reports, certifications, or partnerships with academic or research institutions.

All vendors who have previously provided or are currently providing research and project evaluation services to Orbis International Zambia must apply with all documentation attached, as outlined above.

Submission Guidelines:

All applications must be clearly labelled "Registration for provision of Research and Project Evaluation consultancy services 2025" and emailed to info.zambia@orbis.org

Deadline:

The deadline for submission is February 28, 2025. Only shortlisted applicants will be contacted.
