OSI History
In 2010, OSI partnered with the Wallkill Valley Land Trust to acquire more than 11 miles of the northern Rosendale and Ulster sections of what is now the Wallkill Valley Rail Trail and, in 2013, the organizations raised nearly $1.5 million to restore the Rosendale Trestle. Then, between 2018 and 2023, OSI raised another $3 million to fully restore nearly 19 miles of the trail from the City of Kingston to Main Street in Gardiner.
