NECK PAIN

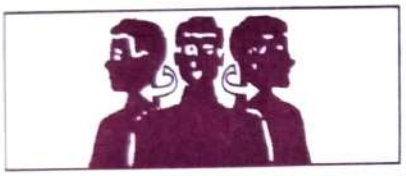

To avoid neck pain, follow the following instructions.

(1) Don't take a big pillow under your neck while sleeping (2) Don't read or watch TV while sleeping (3) Don't lift any heavy weight on your neck while in pain (4) Don't twist your neck while in pain (5) Avoid bending your neck at home or while working (6) Avoid driving in neck pain to prevent jerks.

Exercises for neck pain

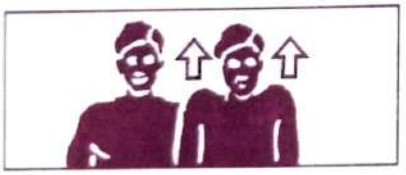

1. Keep your neck straight and bend it to right and left side.

2. Keep your neck straight and turn it to right and left side.

3. Bend your neck forward and backward slowly. Hold position for few seconds.

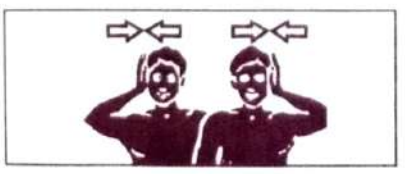

4. Lift your shoulder in upward direction till it reaches your ear and keep for 3-4 seconds and take it downward slowly.

5. Put your hands back on your head and put gentle pressure backward and resist with your hands.

6. Put your hands on your forehead and put pressure forward and resist with your hands.

7. Put your hand on your ear and press the hand with neck and press the ear with hand. Repeat the same on opposite side.

Note: For doing above exercises consult the Ortho Surgeon or a Physiotherapist.

BACK PAIN

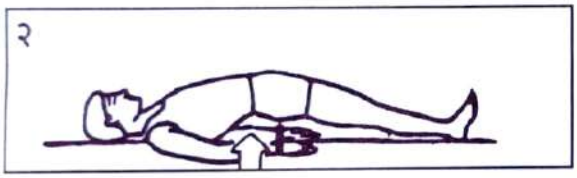

To avoid back pain, follow the following instructions.

(1) Avoid lifting weight till back pain is reduced. (2) While getting up from lying position turn to one side to avoid strain on painful nerves and muscles. (3) While lifting heavy weight bend on your knees not on your back to avoid strain. (4) Keep equal and same weight on both the hands while lifting. (5) While working on table, keep the legs parallel and don't bend at back and keep posture straight. (6) Keep your back straight while sitting on chair. (7) Make sure that your matress should be plain and slightly hard while sleeping. (8) Keep your posture straight while walking and don't bend.

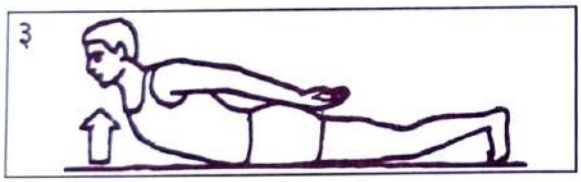

Exercises for back pain

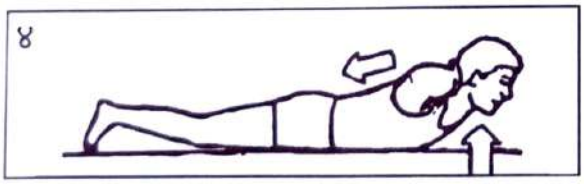

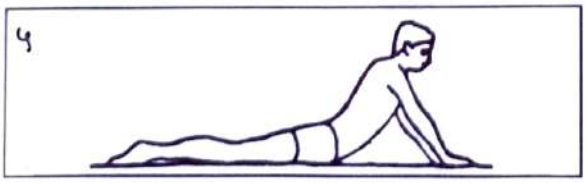

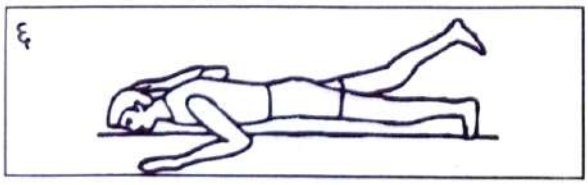

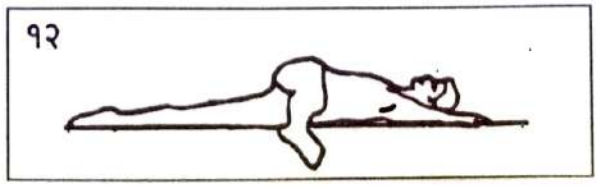

Note: For doing above exercises consult the Ortho Surgeon or a Physiotherapist.

Subject: Invitation as a Chief Guest for Inaugural Function of Research Avishkar Competition at PDEA Level

Respected Sir,

Our college Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the Pharmaceutical Sciences. The college is conducting D. Pharm., B. Pharm. and M. Pharm with specializations in Pharmaceutics and Quality Assurance Techniques. Recently, the college is recognized as a Ph. D Centre in Pharmacy under the faculty of Science & Technology by SPPU, Pune. The College is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipment's and class rooms with LCD projectors.

Every year, on the occasion of birthday celebration of Padmavibhushan Hon. Shree. Sharadchandraji Pawar Saheb, Ex. Agriculture Minister, Govt. of India, PDEA organizes various events like Research Avishkar Competition, E-Poster Competition, Video Making Competition, International Webinar, Sharada Vykhyanmala, E-Content Development Competition, Essay Competition, Robotics Model Making Competition, State Level Poem Writing Competition, Greeting Letter Writing Competition, State Level Elocution Competition, PDEA Level Sport Events at Balewadi Stadium etc.

This year, our college is organizing Research Avishkar Competition at PDEA level on the occasion of 82nd birthday celebration of Padmavibhushan Hon. Shree. Sharadchandraji Pawar Saheb, Ex. Agriculture Minister, Govt. of India on Thursday, 6th January, 2023. Various researchers and post graduate students from different faculties of PDEA like Humanities, Commerce, Science, Pharmacy, Medical (Ayurveda), Engineering and Technology, Management and Law and Agriculture are participating in this event.

Since you are an eminent researcher and academician and have made valuable contributions in different areas of research at National & International level, we take this opportunity to invite you as a Chief Guest for inaugural function on Thursday, 6th January, 2023 at 11.00 am. We are grateful to you for accepting our invitation and we request you to deliver a keynote address on the same occasion.

We look forward to your presence and guidance.

Thanking you.

Subject: Invitation as a Chief Guest for Inaugural Function of Research Avishkar Competition at PDEA Level.

Respected Sir,

Our college Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the Pharmaceutical Sciences. The college is conducting B. Pharm. and M. Pharm with specializations in Pharmaceutics and Quality Assurance Techniques. Recently, the college is recognized as Ph. D Centre in Pharmacy under the faculty of Science & Technology, by SPPU, Pune. The College is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipment's and class rooms with LCD projectors.

Every year, PDEA organizes various events on the occasion of birthday of Hon. Shree. Ajitdada Pawar, Deputy Chief Minister, Maharashtra & President, Pune District Education Association, Pune. This year due to COVID Pandemic, PDEA has organized various online events like E-Poster Competition, Video Making Competition, International Webinar, Anant Vyakhyanmala, E- Content Development Competition, State Level One Act Play & Poetry Writing Competition, Quiz Competition, Elocution Competition, Tree Plantation, Cycling & Suryanamaskar Activity, Mask Distribution and Knee Joint Treatment Camp.

Our college is organizing Research Avishkar Competition at PDEA level on the occasion of 62nd birthday of Hon. Shree. Ajitdada Pawar, Deputy Chief Minister, Maharashtra & President, Pune District Education Association, Pune on 27th & 28th July, 2021. Various researchers and post graduate students from different faculties of PDEA like Humanities, Commerce, Science, Pharmacy, Medical (Ayurveda), Engineering and Technology, Management and Law and Agriculture are participating in this event. At present, total 164 educational institutes inclusive of 20 Senior Colleges are working under the aegis of PDEA.

Since you are an eminent researcher and have made valuable contributions in different areas of research at National & International level, we take this opportunity to invite you as a Chief Guest for inaugural function on Tuesday 27th July, 2021 at 11.00 am. We are grateful to you for accepting our invitation and we request you to deliver a keynote address on the same occasion. The zoom meeting link will be conveyed to later on.

We look forward to your presence and guidance.

Thanking you.

Subject: Invitation as Resource Person for National Safety Day.

Dear Sir,

Our college Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in Pharmaceutical Sciences. The college is conducting B. Pharm and M. Pharm with specializations in Pharmaceutics and Pharmaceutical Quality Assurance. Savitribai Phule Pune University has recognized as a research center for Ph.D. course in Pharmacy from 2019-20. The College is dedicated to providing quality education to its students through its magnificent infrastructure, well-stocked and updated library, and spacious computer lab with all facilities and modern labs containing sophisticated equipment.

As per our telephonic conversation, I am pleased to extend an invitation to you for sharing your knowledge as a **resource person on the topic: Road Safety and Traffic Awareness in National Safety Day on 05th March 2022 at 11.00 am.** This program aims to public awareness of all safety principles, including road safety, workplace safety, human health safety, and environmental safety.

We look forward to your presence and guidance.

Thanking you!

Your valuable guidance has rightly helped us. Your expertise in the field has been truly inspiring for all students to expand their views.

We are looking forward to have such more interaction with you in the future.

Thanking you with regards.

Yours Sincerely,

Dr. Ashok Bhosale

REPORT
LABORATORY SAFETY PRACTICES

PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, arranged a seminar on Laboratory Safety Practices on 15th March 2022. Dr. Bhaskar Idage (Senior Scientist, NCL, Pune) and Mr. Dashrath Borude (Ex.IAF, Director BHAIRAVI FIRE System, Pune.) were invited as a chief guest for this seminar.

It is very important to emphasize that safety is about learning how to carry out laboratory work safely and not only about rules and regulations, so students are required to think about responsibility for safety in the conduct of their work. Working safely is a basic responsibility of every employee and every student, Dr. Bhaskar Idage said.

Mr. Dasharath borude delivered a lecture on preventing fire, adoring safe housekeeping practices etc. Students were informed about various types of fires and ways in which it can be extinguished. The focus was on raising awareness about fire safety among all students. The team of professionals gave a detailed account of firefighting techniques and demonstrated the handling of fire extinguishers.

The programme was also attended by other faculties and Principal Dr. Ashok Bhosale sir.

The programme was headed by the Professor, Mr. Vivek B. Ingale.

Subject: Invitation as Resource Person for Entrepreneurship seminar on topic **"How to Build Successful Career"**

Respected Sir,

Our college was established in 2009 with B. Pharm course at its initial stage, M. pharm in Pharmaceutics and Quality Assurance technique was introduced in the year 2014 with the prime aim of imparting quality education to students in the field of Pharmaceutical Sciences. Presently college is recognized as Ph.D. center for the faculty of pharmaceutical sciences.

College thrives for overall development of the students and is possible only by organizing various student centered activities such as Seminars, Workshops, Poster presentation, etc. Which enables students to get updated with present stage of profession and achieve skills and confidence to face todays challenges.

I proudly feel that you are the right person who can guide our students on the topic "**How to Build Successful Career** "as you are master and have vast experience in this field.

I kindly request you to accept our invitation and make it convenient to be present as a resource person on 25th March 2022 at 10.30.am, in our college and guide our students

Looking forward for same co-operation in future
Thanking You,

REPORT

Seminar on Gender Equality

Shankarrao Ursal College of Pharmaceutical Sciences and research centre, encourages gender parity and is constantly working towards providing a conducive environment for efficient and effective communications between the employees and students. A seminar on the topic 'Gender Equality' was organised on 7th April 2022 at 12.00 noon in the Seminar Hall of our College. Ms. Shweta Khiratkar welcomed the gathering.

The seminar was presented by Dr. Mrs. Rajashree Chavan, Principal of PDEA's Seth Govind Raghunath Sable College of Pharmacy, Saswad, Pune. She highlighted that the Constitution provides equal status to women and a 'positive discrimination' in favour of women. She gave a brief description about various offenses against women which are punishable and various provisions to safeguard violence and discrimination against women. She also added that society has assigned specific roles to men and women and that we are conditioned to think like that. It is time that we recognise and appreciate the reproductive as well as productive role each woman plays in a society and break from the patriarchal secondary status that is given to women.

All students and faculty attended the seminar. The Seminar was coordinated by Ms. Ghule Kiran.

Pune District Education Association (PDEA)

Pune District Education Association (PDEA), our parent society, has completed **80** years. PDEA was founded by the great visionary educationist Late Shri. Baburaoji Gholap in 1941 with the motto - "Bahujan Hitay Bahujan Sukhay" meaning, welfare of masses and happiness for all. PDEA opened 350 voluntary primary schools in a short span of time and now runs 56 High schools, 25 Vocational, 31 Junior, 08 Senior and 12 Professional colleges in Pune district. Professional courses are being run in the disciplines of Pharmacy, Engineering, Computer sciences, Management, Ayurveda and Law.

P.D.E.A. was awarded as best educational organisation in the year 2000 by Govt. of Maharashtra for commendable work in the field of education and social service. The organization aims to achieve greater heights under the visionary leadership of **Hon. Shri. Ajitdada Pawar**, Deputy Chief Minister, Maharashtra State and President of P.D.E.A., Pune.

About the College :

Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the pharmaceutical sciences. The institute is approved by the [illegible] Council of India, [illegible] Government of Maharashtra and affiliated to the Savitribai Phule Pune University, Pune. The college is conducting B.Pharm., M.Pharm with specializations in Pharmaceutics and Pharmaceutical Quality Assurance and Ph.D. Courses. The college is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipments and class rooms with LCD projectors. The college has highly qualified and experienced teaching staff to guide the students and embraces an integrated and problem based educational philosophy, hybridizing traditional and modern teaching-learning approaches that stresses heavily on outcome competencies of the graduates. The college has recognised as research centre for Ph.D in Pharmacy by SPPU, Pune.

About the Seminar :

Intellectual Property Rights (IPR) protection plays a key role in gaining an advantageous position in the competitive technology world for achieving economic growth. Pune, the city of the state of Maharashtra is an acclaimed information technology center of the world repute. Thus information on various technological advancements should be disseminated to the users of technology in order for our country to develop faster. Thus a culture to make aware of development of technology to pertinent users is essential. This has become more pronounced in the globalized economy with international agreements and obligations in the fields of IPR in the WTO regime. Huge information is to be provided while filing a patent application in order to ensure full disclosure of the invention.

Intellectual property is a "Product of Mind". It is similar to the property consisting of movable and immovable property which can be owned by owner along and not lawfully by others. Without owner's permission. World Intellectual Property Organization (WIPO) states that "Intellectual Property includes rights related to works in literary and artistic fields, performance of artists, broadcasts (in the form of CD, DVD, tape recording etc.), inventions in science and technology, industrial designs, trademarks, service marks, etc. It also includes inventions in all fields of human endeavor and protection against unfair competition and all other rights resulting from intellectual activity in the industrial, scientific or artistic fields.

Objectives :

- To create awareness about IPRs, especially patents and copy rights among faculty members of institute of Pharmaceutical sciences.
- To guide researchers/inventors in respect of patenting their inventions.
- To provide insight into practical applications of IP such as patent drafting, patentability search, freedom to operate search, validity invalidity search, evidence of use analysis.

Resource Persons :
Eminent experts from academia and research organisation will address the delegates.

Participants / Eligibility :
The teachers from all colleges and PG, Ph.D students as well as people working in research organisation can attend this programme. The number of participants being limited to 50, registration of candidates will be on the first come first serve basis.

Registration :
Registration fees of Rs. 1000/- should be sent either by online payment by scanning QR Code or by D.D. in favour of "Principal, Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre" payable at Kharadi along with the duly filled registration form. A report on
One Day State Level Seminar
on
"Publication Guidelines and Ethics"
25th February 2020

Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre Kharadi, Pune, organized a one-**Day state-level seminar** on **"Publication Guidelines and Ethics"**.

A Savitribai Phule Pune University-sponsored one-day state level seminar on Research Manuscript and Publication Guidance and Ethics was organized at Pharmaceutical Sciences & Research Centre Kharadi, Pune.

In the first session of the seminar, Dr. Bhaskar Idage, an ex-scientist at NCL, Pune, guided participants on how to write research in a proper manner and follow the rules of various journals of national and international standards.

On this occasion, Dr. Vinod Gaikwad, senior professor at Poona College of Pharmacy, guided the researchers, students, and attendees on the topics of research paper writing and the arguments to be used in it.

In the second session of the seminar, Prof. Amit Kasbe of Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre Kharadi guided on how it is

necessary to publish one's research in a proper manner and follow the rules of various journals of national and international standards.

About 70 participants from the state participated in this seminar. On this occasion, the Vice Principal, Dr. Vijaya Barge, Prof. Ravindra Patil, and all the teachers of the college were present. The coordination of this seminar was done by Prof. Amit Kasabe. The one-day state-level seminar was concluded with the vote of thanks by Prof. Vipul Dhasade.

About the College :

Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the pharmaceutical sciences. The institute is approved by the All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI), recognized by Government of Maharashtra and affiliated to the Savitribai Phule Pune University, Pune. The college is conducting B. Pharm. and M.Pharm with specializations in Pharmaceutics and Pharmaceutical Quality Assurance. The college is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipments and class rooms with LCD projectors. The college has highly qualified and experienced teaching staff to guide the students and embraces an integrated and problem based educational philosophy, hybridizing traditional and modern teaching-learning approaches that stresses heavily on outcome competencies of the graduates. The college has recognised as research centre for Ph.D in Pharmacy by SPPU, Pune.

About the Seminar :

In Research Methodology, researcher always tries to search the given question systematically in our own way and find out all the answers till conclusion. If research does not work systematically on problem, there would be less possibility to find out the final result. For finding or exploring research questions, a researcher faces lot of problems that can be effectively resolved with using correct research methodology

The seminar aims at imparting the knowledge of scientific research to integrate qualitative and quantitative approaches in research so that to orient the budding researchers to the new and recent trends in research methodology.

This program will provide an opportunity for participants to enrich their knowledge about selection of research topic, types and techniques of research, research funding, research ethics & application oriented research. The eminent personalities in the concerned fields will be invited to share their views and knowledge.

Objectives :

- Understand some basic concepts of research and its methodologies
- Select and define appropriate research problem and parameters
- Literature survey
- Data collection and data analysis tools for research
- Selection of appropriate statistical and mathematical tools for data analysis
- Organize and conduct research in a more appropriate manner
- Research proposal writing and research funding
- Awareness of plagiarism
- Write a research report and thesis
- Paper writing, publishing and Indexing Services

Resource Persons :

Eminent experts from academia and research organisation will address the delegates.

Participants / Eligibility :

The teachers from all colleges and P.G./Ph.D. students as well as people working in research organisation can attend this programme. The number of participants being limited to 70, registration of candidates will be on the first come first serve basis.

Registration :

Registration fees of Rs. 100/- should be sent by D. D. in favour of "Principal, Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre" payable at Kharadi along with the duly filled registration form. Registration form can be mailed to PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune-411014. Participation can be confirmed via email from amit9590@gmail.com.

Last date of receipt of application/confirmation : 22nd February 2020.

Subject: Invitation as a resource person.

Dear Sir,

We have organized one-day state level seminar on **"Research Methodology-Research Manuscript Writing and Publication Guidance and Ethics"** on Tuesday, 25th February 2020; for PG Students, PhD. Scholars and Faculties.

As per our telephonic conversation, we are pleased to extend an invitation to you for sharing your knowledge as a resource person on the topic entitled "**Publication Guidance and Ethics**"

The proposed lecture aims to highlight on various basic concepts of research and its methodologies.

I am sure your session will be useful to all participants to gain knowledge of research concepts. We have scheduled your lecture on Tuesday, 25th February 2020 at 02.30am to 03.30pm.

We look forward to your presence and guidance.

Thanking you.

A Report on Savitribai Phule Pune University sponsored two Days National Level Seminar on "Emerging Trends in Analytical Techniques" held on 19th & 20th September 2018.

Savitribai Phule Pune University sponsored Two Days National Level Seminar on "Emerging Trends in Analytical Techniques" was organized by Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi on 19th & 20th September 2018 with the objectives to provide an exposure to the faculty members and researchers to the emerging trends in analytical chemistry, to set a platform to discuss various approaches and their viability, to highlight on the current ongoing in the field, to add in the knowledge of participants and to address the queries of the participants.

The innovative ideas and technologies inherited in various analytical techniques such as chromatography, spectroscopy, mass spectrometry, characterizations and many more were discussed in detail by the renowned resource persons all over the nation from industrial and academics background. This event gathered all the eminent persons, professors, professionals, students, and industrialists all over the nation to exchange their ideas and researches. Almost 75 participants including PG students, research scholars and teachers all over the nation attended the seminar and 27 research papers were presented on various analytical areas.

The inaugural function of the national level seminar began with lighting ceremony and Saraswati Poojan at the auspicious hands of Chief Guest, Dr. Devanand B. Shinde, Vice-Chancellor, Shivaji University, Kolhapur, Chairman, Hon. Shri. Sandeep Kadam, Hon.Secretary PDEA, Guest of honour, Shri. Bapusaheb Pathare, Ex MLA, Dr. P.D. Lokhande, Professor in Organic Chemistry, Savitribai Phule Pune University, Pune, Dr. Uday Deshmukh, Senior Manager, Quality

Control, Cipla Ltd., MIDC Kurkumbh, Dr. P Ramalingam, Director-Research, Raghavendra Instititute of Pharmaceutical Education & Research, Ananthpur (A.P.), Dr. Bhaskar Idage, Research Scientist, NCL, Pune, Dr. S. D. Sawant, Principal, SIOP, Kashibai Navale College of Pharmacy and Dr. Ashok Bhosale, Principal of Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi.

On the occasion of Inaugral finction, Training and Placement brochure "VISTA" was released at the hands of Chief Guest and all dignitaries. The preamble of seminar was presented by Co-ordinator of Two Days National Level Seminar, Dr. Vijaya Barge, Vice-Principal and Asociate Professor, Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi. She highlighted on clear objectives of organizing the event and continued with the protocol of inaugural session. The inaugural function was introduced by Dr. Ashok Bhosale, Principal of Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi. He emphasized on the need of organizing such events to understand and learn the requirements of Global Pharmaceutical industries. While addressing to the assembly, Dr. Devanand B. Shinde discussed the applicatons of innovative analytical techniques and focused on Analytical quality by design and its need in pharmaceutical industries. Vote of thanks for inaugural function was presented by Dr. Vijaya Barge. The second session started with the very informative talk of Dr. P. D. Lokhande, Professor in Organic Chemistry, Savitribai Phule Pune University, Pune on the topic entitled "Spectroscopy in Drug Analysis". He discussed in his talk about the importance of various spectroscopic techniques especially IR Spectroscopy in Drug Analysis. The 3rd session was presented by Dr. Uday Deshmukh, Senior Manager, Quality Control, Cipla Ltd., MIDC, Kurkumbh on the topic "Quality control and Quality Assurance in Pharmaceutical Industry" with the special view on the quality, efficacy and safety attributes of products which are required be ensured so that the consumer health is not compromised. The fourth session was presented by Dr. P Ramalingam, Director-Research, Raghavendra Instititute of Pharmaceutical Education & Research, Ananthpur on the topic "Analytical quality by design (AQbD) - Need of the hour in

industry." The last seesion began with the talk of Dr. Bhaskar Idage, Research Scientist, NCL, Pune on the topic "Biodegradable Polymers for Controlled Drug Delivery" with the overview on the different biodegradable polymers that are currently being used in the development of controlled drug delivery system.

On the next day, 20th Sepetmeber, Dr. Sagar B. Wankhede, Principal, JSPMS Charak College of Pharmacy, Wagholi, Pune conducted the sixth session by presenting a lecture on the topic "Advancement in HPTLC". He explained about the use of tandem mass spectrometry (MS-MS) in combination with planar chromatography (TLC or HPTLC). The next seventh session was presented by Mr. J. V. Dhruvakumar, Director, D. M. Scientific Services, Mumbai on the topic "Latest trends in HPLC techniques" and the eighth session by Mr. Rajendra Bande, Director, D. M. Scientific Services, Mumbai on the topic "Trouble shooting in HPLC". Both of them explained use of HPLC by giving various examples and with special view on Trouble shooting in HPLC. All the sessions were very interactive and informative for the delegates.

Post lunch session began with the poster presentation session in which 27 research papers were presented by delegates all over the nation and the students of Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi. The last session of Valedictory Function was introduced by Mr. Vikram Veer, H. O. D., Dept. of Pharmaceutical Chemistry, Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi. Chief Guest, Dr. Mrs. R. S. Chavan, Vice-Principal, PDEA'S S. G. R. S. College of Pharmacy, Saswad addressed the assembly. The winners were presented with the certificates and the session was concluded by presenting vote of thanks by Coordinator, Dr. Vijaya Barge.

Pune District Education Association (PDEA), our parent society, has completed 77 years. PDEA was founded by the great visionary educationist Late Shri. Baburaoji Gholap in 1941 with the motto- "Bahujan Hitay Bahujan Sukhay" meaning, welfare of masses and happiness for all. PDEA opened 350 voluntary primary schools in a short span of time and now runs 56 High schools, 25 Vocational, 31 Junior, 08 Senior and 12 Professional colleges in Pune district. Professional courses are being run in the disciplines of Pharmacy, Engineering, Computer sciences, Management, Ayurveda and Law.

P.D.E.A. was awarded as "Best Educational Organisation" in the year 2000 by Govt. of Maharashtra for commendable work in the field of education and social service. The organization aims to achieve greater heights under the visionary leadership of **Hon. Shri. Ajitdada Pawar,** Ex.Deputy Chief Minister, Govt. of Maharashtra and President of P.D.E.A.

About The College :

Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the Pharmaceutical Sciences. The institute is approved by the All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI), recognized by Government of Maharashtra and affiliated to the Savitribai Phule Pune University. The college is conducting B. Pharm. and M. Pharm with specializations in Pharmaceutics and Quality Assurance Techniques. The College is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipments and class rooms with LCD projectors. The college has highly qualified and experienced teaching staff to guide the students and embraces an integrated and problem based educational philosophy, hybridizing traditional and modern teaching-learning approaches that stresses heavily on outcome competencies of the graduates.

About the Seminar :

In pharmaceutical & other industries analytical chemistry provides the means of testing raw materials and for assuring the quality of finished products whose chemical composition is critical. Nowaday's instrumental methods of analysis are widely accepted over the classical chemical methods. These methods are extremely sensitive providing precise and detail information from small samples of material. For the most part they are rapidly applied and amenable to automation.

The theme of this national level workshop is **"Emerging Trends in Analytical Techniques"** which will provide a platform for the discussion of current trends in Analytical techniques. This event gathers all the eminent persons, professors, professionals, students, and industrialists all over the country to exchange their ideas, researchers and to exhibit their novel instruments. The seminar provides an opportunity to discuss and learn about the innovative ideas and technologies inherited in various analytical techniques such as chromatography, spectroscopy, mass spectrometry, characterizations and many more.

Objectives :

1. Faculty members and researchers will have exposure to the emerging trends in analytical chemistry.
2. Researchers engaged in different areas of pharmaceutical research & development will get a platform to discuss various approaches and their viability.
3. Research scholars in the field of analytical chemistry will highlight on the current ongoing in the field to add in the knowledge of participants.
4. Scholars working in this area will address the queries of the participants.
5. Resource persons will emphasize on the various aspects of spectral methods like UV-Vis spectroscopy, IR, NMR, Mass spectroscopies, separation techniques like GC, HPLC, LC-MS, GC-MS.

Resource Persons : Eminent experts from academi
will address the delegates.

Poster Presentation :

Research/review papers are invited for poster presentation at the seminar. Posters will be evaluated by eminent experts. The abstracts for the same can be mailed to barjevijaya2016@gmail.com The last date for submission of abstracts is 14th September 2018. Authors of the selected abstracts will be intimated by e-mail. Registration is compulsory for submission of abstracts.
Note : Abstract should not be more than 200 words.
Poster size should be 1m x 1m.

Participants/eligibility :

Interested teachers of diploma, degree pharmacy colleges and science colleges, P.G./Ph.D. students as well as people working in pharmaceutical & other industries can attend this programme. The number of participants being limited to 50, registration of candidates will be on the first come first serve basis.
Accomodation : Accomodation will be provided to the outstation delegates.

Registration :

Subject: Invitation as a Chief Guest for Inaugural Function of Two Days National Level Seminar

Respected Sir

Our college Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the Pharmaceutical Sciences. The college is conducting B. Pharm. and M.Pharm with specializations in Pharmaceutics and Quality Assurance Techniques. The College is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipment's and class rooms with LCD projectors.

We are organizing Two Days National Level Seminar on "**Emerging Trends in Analytical Techniques**" on **19th & 20th Sept. 2018** which is being sponsored by Savitribai Phule Pune University, Pune. Various researchers, academicians and post graduate students are participating in this event.

Since you are an eminent researcher in this field and have made valuable contributions to the topic, we take this opportunity to invite you as a Chief Guest for inaugural function on Wednesday 19th September, 2018 at 10.45 am. We request you to deliver a keynote address on the same occasion.

We look forward to your presence and guidance.

Thanking you.

Respected Sir,

At the outset, we wish to convey our sincere gratitude towards you for evaluation of Posters on 20th Sept. 2018 on the occasion of Two Days National Level Seminar on 'Emerging Trends in Analytical Chemistry'. Your valuable guidance has rightly helped to update knowledge of our students in making effective poster presentation.

We are looking forward to have such more interaction with you in the future.

Thanking you with regards.

Yours Sincerely,

(Dr. Ashok Bhosale)

A Report On

Two Days State Level Seminar On "Recent Trends in Formulation Development"

21st & 22nd September 2018

The institute organized a Savitribai Phule Pune University Sponsored, Two Days State Level Seminar on "Recent Trends in Formulation Development" on 21st & 22nd September 2018 with the objective to boost collaborative research activities amongst academics and industries by providing knowledge and latest updates in the Pharmaceutical field, to uncover the opportunities and challenges in the field of drug delivery system, to identify drug related problems relative to specific patient cases, and to provide evidence-based drug information that meets the needs of patients and other health care providers.

In this seminar, the issues of formulation development & regulatory affairs were discussed by eminent resource persons.

This seminar had not only given an idea on the pharma industries but also had created a unique approach towards novel strategies on formulation development and have focused on the several aspects requiring implementation of novel ideas to improve the oral drug delivery systems.

59 Participants consisting of PG students, teachers, research scholars participated in this seminar. 35 research papers were also presented with various sub-themes.

The seminar was inaugurated at the hands of Dr. V.K. Mourya, Principal, Govt College of Pharmacy Aurangabad, who delivered the key note on "Challenges and Trends in Pharmaceutical Industries in 2018 onwards", in his address he congratulated the college for successfully conducting various activities including workshop and seminars continuously.

The inaugural session was introduced by Dr. Ashok Bhosale (Principal and Chief- Coordinator), Mrs. Trusha P. Shangrapawar, coordinator of the seminar preamble the seminar and introduced the objective of organizing this seminar and conducted whole inaugural function.

For the II Session Dr. Bhaskar Idage, Research Scientist, NCL, Pune was the resource person. He addressed participants with his PPT on "Solubility and Bioavailability with Special Emphasis On Polymers" and discussed about IPR". He also gave a deep insight on IPR.

Third session was addressed by Dr. Vinayak Sarode, Pharma Techno-commercial Trouble shooter, he delivered session on the topic "Trouble shooting: Pharma Profession from MALADY to MELODY" and also given an emphasis on problems during formulation development.

The resource person for fourth session was conducted by Dr. C. K. Kokare, Professor in Pharmaceutics, Sinhgad Institute of Pharmacy Nahre, Pune, who addressed the session with topic "Formulation Development: Nose to Brain Targeting" and detailed on how the development of nasal drug products for brain targeting are facing enormous challenges.

The last session of first day was conducted by Dr. Atmaram Pawar, Vice-Principal, Poona College of Pharmacy, who given a focus on "Concepts of Formulation Design and Fixed Dose Combination", he explained various FDCs and approval and Implementation of FDCs in India.

On 22nd September, the sixth session was started with lightning of the lamp in front of Maa Saraswati by principal and respected dignitaries.

Dr. Sharvari Hardikar, Professor, Allana College of Pharmacy, Pune, discussed a new concept "An Introduction to Developability Classification System" and discussed its impact on formulation development.

The seventh session was delivered by Dr. S.N. Dhole, Principal, Modern College of Pharmacy, Moshi, Pune, on the topic "Self-emulsifying Drug Delivery System" and given view on promising approach of SEDDS for the formulation of drug compounds with poor aqueous solubility.

The last session of this two days' seminar was conducted by Dr. Namdeo Jadhav, Professor and Head, Bharati Vidyapeeth Kolhapur, he explained the thought on "Insight to Sericulture: Pharmaceutical Applications".

All the sessions were very lively and interactive.

After the lunch break the poster presentation competition was started, which was the special feature of this two days' seminar, total 35 papers were received and presented during the session. College students also presented papers in this session. The session was open for the discussions after the presentations. Dr. Sharvari Hardikar, Professor, Allana College of Pharmacy, Pune, Dr. S.N. Dhole, Principal, Modern College of Pharmacy, Moshi, Pune and Dr. Namdeo Jadhav, Professor

and Head, Bharati Vidyapeeth Kolhapur, were the evaluators of the competition. Following are the results-

Diploma- *Winner*- Miss. Khushabu Rawat (**PDEAs Shankarrao Ursal College of Pharmacy)**
Topic: "Nanorobots in the Field of Medicine."
***Runner*-** Miss. Prajakta Kamble **(PDEAs Shankarrao Ursal College of Pharmacy)**
Topic: "Solid Lipid Nanoparticles."

Degree -*Winner*- Miss. Gayatri Jangle **(Sinhgad Institute of Pharmacy, Nahre, Pune.)**
Topic: "Nose to Brain Targeting of Poliperidon Palmitate for Schizophrenia."
***Runner*-** Mr. Ajinkya Pote **(Sanjiwani College ofPharmacy, Kopargaon)**
Topic: "Economic Production of Biodegradable Polymer Used in Agricultural Waste."

The last session was the valedictory session and it was conducted by Mr. Sujit S. Kakade.
Dr. T. N. Salve, Principal Annasaheb Waghire College Otur, was the chief guest for this session. Dr. T. N. Salve in his valedictory speech expressed satisfaction with the discussion and deliberations throughout the day on the theme **"Recent Trends in Formulation Development".** From the feedback forms and speeches of delegates it reveals that the seminar was very informative and interactive and has also updated the knowledge of the participants on **"Recent Trends in Formulation Development".**
The Vote of Thanks was given by co-ordinator, Mrs.Trusha P. Shangrapawar and the session was ended with the national anthem.

Dr. V. K. Mourya delivering first session on "Challenges and Trends in Pharmaceutical Industries in 2018 Onwards" and interaction of Dr. V. K. Mourya with students.

Dr. Bhaskar Idage, Research Scientist, NCL, Pune, delivering second session on "Solubility and Bioavailability with Special Emphasis on Polymers in Formulation Development".

Dr. Bhaskar Idage sharing his research outcomes and patents with audience.

Dr. Vinayak Sarode, Pharma Techno-commercial Troubleshooter, (Consultant) Hadapsar Pune, delivering third session on "Trouble Shooting: Pharma Profession from MALADY to MELODY".

Dr.C.K.Kokare, Professor in Pharmaceutics, Sinhgad Institute of Pharmacy Nahre, Pune, delivering fourth session on "Formulation Development: Nose to Brain Targeting".

Dr.Atmaram Pawar Vice-Principal Poona College of Pharmacy, Erandawana, Paud Road, Pune, delivering fifth session on "Concepts of Formulation Design".

Dr. Sharvari Hardikar, Professor, Allana College of Pharmacy, Pune, delivering sixth session on" An Introduction to Developability Classification System" and her interaction with students.

Dr. S.N. Dhole, Principal, Modern College of Pharmacy, Moshi, Pune, delivering seventh session on "Self-emulsifying Drug Delivery System".

Dr. Namdeo Jadhav, Professor and Head, Bharati Vidyapeeth Kolhapur, delivering eighth session (last) on" Insight to Sericulture: Pharmaceutical Applications".

Inaguration of poster presentation competition by the hands of Dr. T. N. Salve, Principal, Annasaheb Waghire College Otur and evaluation of posters by Dr. S. N. Dole, Dr. Namdev Jadhav and Dr. T. N. Salve .

Mrs. Trusha P. Shangrapawar (Co-ordinator) delivering Vote of Thanks.

Pune District Education Association (PDEA), our parent society, has completed 77 years. PDEA was founded by the great visionary educationist Late Shri. Baburaoji Gholap in 1941 with the motto- "Bahujan Hitay Bahujan Sukhay" meaning, welfare of masses and happiness for all. PDEA opened 350 voluntary primary schools in a short span of time and now runs 56 High schools, 25 Vocational, 31 Junior, 08 Senior and 12 Professional colleges in Pune district. Professional courses are being run in the disciplines of Pharmacy, Engineering, Computer sciences, Management, Ayurveda etc. along with courses in Law and Education.

P.D.E.A. was awarded as best educational organisation in the year 2000 by Govt. of Maharashtra for commendable work in the field of education and social service. organization aims to achieve greater heights under the visionary leadership of **Hon. About the College :

Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the pharmaceutical sciences. The institute is approved by the All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI), recognized by Government of Maharashtra and affiliated to the Savitribai Phule Pune University, Pune. The college is conducting B. Pharm. and M.Pharm with specializations in Pharmaceutics and Quality Assurance Techniques. The college is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipments and class rooms with LCD projectors. The college has highly qualified and experienced teaching staff to guide the students and embraces an integrated and problem based educational philosophy, hybridizing traditional and modern teaching-learning approaches that stresses heavily on outcome competencies of the graduates.

About the Seminar :

The pharmaceutical sciences represent an evolving and highly dynamic field for which innovations in the formulation development continues to be driven by the need to improve drug bioavailability and efficacy.

Many therapeutics with their distinct physical, chemical, and biopharmaceutical attributes demands new drug release technologies to diminish barriers for drug delivery, poor bioavailability, instability in GI tract and poor absorption.

In addition, innovations in excipients as well as advances in processing and manufacturing technologies are also impacting formulation development. Need for safer and more consistent drug products are shaping how formulators approach the creation of new products.

So the **Recent trends in the formulation and development** have overcome these problems and have achieved plasma concentration of drugs within the therapeutic window for a longer period of time in a targeted tissue thereby to ensure uniform therapeutic action with lesser side effects and toxicity, better stability, greater accessibility, ease of administration and most importantly the best patient's compliance.

In this seminar, the issues of formulation development & regulatory affairs will be discussed by eminent resource persons.

It will not only gives an idea on the pharma industries but also creates a unique approach towards novel strategies on formulation development and will focus on the several aspects requiring implementation of novel ideas to improve oral drug delivery systems.

Objectives :

1. To boost collaborative research activities amongst academics and industries by providing knowledge and latest updates in the pharmaceutical field.
2. To uncover the opportunities and challenges in the field of drug delivery system.
3. To identify drug related problems relative to specific patient cases.
4. To provide evidence-based drug information that meets the needs of patients and other health care providers.

Resource Persons :
Eminent experts from academia and industry will address the delegates.

Poster Presentation :
Research/review papers are invited for poster presentation at the seminar. Posters will be evaluated by eminent experts. The abstracts for the same can be mailed to trusha_p10@rediffmail.com and sujitkakade@gmail.com. The last date for submission of abstracts is 17th September 2018. Authors of the selected abstracts will be intimated by e-mail. Registration is compulsory for submission of abstracts.

Note : Abstract should not be more than 200 words.
Poster size should be 1m x 1m.

Participants / Eligibility :
Interested teachers and P.G./Ph.D. students of diploma and drgree pharmacy colleges as well as people working in pharma industry can attend this programme. The number of participants being limited to 50, registration of candidates will be on the first come first serve basis.

Registration :
Registration fees of Rs. 300/- should be sent by D. D. in favour of "Principal, Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre" payable at Kharadi along with the duly filled registration form. Registration form can be mailed to PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune-411014. Pune District Education Association's Shankarrao Ursal College of Pharmaceutical Sciences & Research Centre, Kharadi, was established in 2009 with the prime aim of providing quality education in the pharmaceutical sciences. The institute is approved by the All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI), recognized by Government of Maharashtra and affiliated to the Savitribai Phule Pune University, Pune. The college is conducting B. Pharm. and M.Pharm with specializations in Pharmaceutics and Pharmaceutical Quality Assurance. The college is dedicated towards providing quality education to its students through its magnificent infrastructure, well stocked and updated library, spacious computer lab with all facilities, modern labs containing latest equipments and class rooms with LCD projectors. The college has highly qualified and experienced teaching staff to guide the students and embraces an integrated and problem based educational philosophy, hybridizing traditional and modern teaching-learning approaches that stresses heavily on outcome competencies of the graduates.

About the Seminar :

Intellectual Property Rights (IPR) protection plays a key role in gaining an advantageous position in the competitive technology world for achieving economic growth. Pune, the city of the state of Maharashtra is an acclaimed information technology center of the world repute. Thus information on various technological advancements should be disseminated to the users of technology in order for our country to develop faster. Thus a culture to make aware of development of technology to pertinent users is essential. This has become more pronounced in the globalized economy with international agreements and obligations in the fields of IPR in the WTO regime. Huge information is to be provided while filing a patent application in order to ensure full disclosure of the invention.

Intellectual property is a "Product of Mind". It is similar to the property consisting of movable and immovable property which can be used by the owner along and not lawfully by others without owner's permission. World Intellectual Property Organization (WIPO) states that "Intellectual Property" includes rights related to works in literary and artistic fields, performance of artists, broadcasts (in the form of CD, DVD, tape recording etc.), innovations in science and technology, industrial designs, trademarks, service marks, etc. It also includes inventions in all fields of human endeavor and protection against unfair competition and all other rights resulting from intellectual activity in the industrial, scientific or artistic fields.

Objectives :

- To create awareness about IPRs, especially patents and copy rights among faculty members of institute of Pharmaceutical sciences.
- To guide researchers/inventors in respect of patenting their inventions.
- To provide insight into practical applications of IP such as patent drafting, patentability search, freedom to operate search, validity/invalidity search, evidence of use analysis.

Resource Persons :

Eminent experts from academia and research organisation will address the delegates.

Participants / Eligibility :

The teachers from all colleges and P.G./Ph.D. students as well as people working in research organisation can attend this programme. The number of participants being limited to 50, registration of candidates will be on the first come first serve basis.

Registration :

Registration fees of Rs. 100/- should be sent by D. D. in favour of "Principal, Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre" payable at Kharadi along with the duly filled registration form. Registration form can be mailed to PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune-411014. Participation can be confirmed via email from vipuldhasade2009@gmail.com

APTI Celebrates 52 Golden Year

OFFICIAL DESK

S.K. Kulkarni
Emeritus Professor
skkulkarni46@gmail.com

Professor Harkishan Singh- a man with a mission*

In 1967-68 I was studying in the final year (1967-68) of the B. Pharmacy course in the Government College of Pharmacy, Bangalore (now Bengaluru) in Karnataka. There was so much of **halla gulla** about Medicinal Chemistry practical examination that our teacher told us read Morrison & Boyd's Organic Chemistry book. We had only one copy of the book in the library and we used to get it issued turn by turn for overnight home reading. There was a sigh of relief on the day of the examination when we came to know that the examiner who was to come from North India could not make it. The examiner was none other than Professor Harkishan Singh!

It took some years before I would have a close encounter with Professor Harkishan Singh. As destiny would have it I ended up serving Panjab University under his stewardship. When I joined Panjab University in January 1979, Professor Harkishan Singh was the Head of the Department. He was responsible for my joining the University as a teacher.

The man with a mission:

Developing Pharmacology Research at PU:

Professor Harkishan Singh had taken a calculated risk in importing me from America. An unknown entity, South Indian- not sure how long he would stick in an unknown territory and always in the lookout for an opportunity to move back to USA or to some other place (I was appointed to a senior position by the University without an interview, which was constantly questioned by political academics on the campus!). I could see this anxiety playing on his (Professor Singh's) mind. But he had a mission to accomplish, i.e. to establish 'Pharmacology research' in the department. Within months of my joining

advancement in area of medicine coupled with consumer demand promised impressive result at exorbitant prices to satisfy the need of brighter and healthier future.

The technical sessions of the seminar started with plenary lecture by Prof. (Dr.) Tejal Mehta, Head, Pharmaceutics, Institute of Pharmacy, Nirma University, Ahmedabad. She delivered lecture entitled as "Prognosticating Approaches for Effective Delivery of Natural Agent in Management of Breast Cancer" followed by session lecture by Dr. Pranav Shah, Professor, Pharmaceutics, Uka Tarsadia University, Surat. He talks about "Diabetes Management through Nanoparticles - Case Study"

On second day, technical session was started with plenary lecture by Prof. (Dr.) Sanjay Kumar Jain, Head, Dept. of Pharmaceutical Sciences, Dr. H. S. Gour, Central University, Sagar, (M.P) He delivered the lecture on topic "Potentials of Nano-constructs for Colon Targeted Drug Delivery" After his interactive talk, the gracing to the event was boosted by presence Dr. Ajay Khopade, Senior Vice President, Sun Pharma Advanced Research, Company Ltd., Vadodara, he addressed the audience on interesting topic "Small is a New Big : A Nanotechnology Products Case Study from Lab to Market".

The session was proceeded further by Prof. (Dr.) Krutika Sawant, Principal, Head, Dept. of Pharmacy, M.S. University, Vadodara. She spoke about "Ultrafine Emulsions: Nano emulsions" followed by session lecture by Dr. Gayatri Patel, Associate Professor, Dept. of Pharmaceutics, Charotar University of Science and Technology, Changa, Anand. She brief on topic "A Science Perspective on the Regulatory Challenges of the Nano-pharmaceuticals" Further the session was proceeded by poster presentation by participants which were judge by team of jury members. The panel of Jury members consists of Dr. Nazneen Surti, Vice Principal, Babaria Institute of Pharmacy, Vadodara, Mr. Rahul Pokharna, Sr. Executive, Global Manufacturing Science and Technology, Sun Pharma, Vadodara and Mr. Deepak Khatri, Manager, Global Manufacturing Science and Technology, Sun Pharma, Vadodara. Finally the event was concluded by formal vote of thanks by Mrs. Jaswandi Mehetre, coordinator of National Seminar.
