**A Report on
One Day Seminar on “Career Opportunities in Pharmaceutical Industry”
19th July 2024**

Institute organized a seminar on “Career Opportunities in Pharmaceutical Industry” on 19th July 2024 in seminar hall. Mrs. Trusha Shangrapawar commenced the seminar with a warm welcome to all participants and provided an overview of the day's schedule. Her introduction set a positive tone for the event. Mrs. Trusha Shangrapawar performed the felicitation of the esteemed guests, honoring them with a gesture of respect and gratitude for their presence and contributions. Dr. Ashok Bhosale, the principal, delivered an insightful address. He emphasized the importance of the pharmaceutical industry and encouraged students to explore the myriad opportunities it offers. Mr. Amit Kumar Mane, Founder, Global Pharma Academy the first speaker of the seminar provided a comprehensive seminar on the diverse career paths within the pharmaceutical industry. His presentation covered various roles, required qualifications, and the future scope of the industry. Catherine Joy Kasbe, Senior Recruitment Lead, Talent RPO was the second speaker of the seminar where she shared her expertise on recruitment and career development in the pharmaceutical sector. She offered valuable insights into what employers seek and how candidates can prepare themselves for successful careers. The seminar was concluded by Ms. Dipika Prajapati by expressing gratitude to all speakers, participants, and organizers. Her vote of thanks acknowledged the efforts of everyone involved in making the seminar a success.

This One Day Seminar on “Career Opportunities in Pharmaceutical Industry” was a well-organized and informative event. It provided attendees with valuable knowledge and guidance on navigating careers in the pharmaceutical industry. The collaboration of all responsible individuals contributed to the seminar's success, making it a memorable and enriching experience for all participants.

This program was coordinated by Mrs. Trusha P. Shangrapawar, and Mrs. Dipika Prajapati.

A Report on
Seminar on "Study Abroad - Process and Opportunities,"
20th August 2024

The seminar titled "Study Abroad - Process and Opportunities," organized by the Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune, under the Pune District Education Association, took place on 20th August 2024 at 10:30 AM. This event aimed to guide students through the various processes and opportunities related to studying abroad, aligning with the institution's commitment to broadening the academic perspectives of its students. The seminar began with an opening by Mrs. Trusha Shangrapawar, who set the tone by welcoming attendees and introducing the seminar's theme. She also facilitated the felicitation of the guest speaker, Mrs. Monica Zadke, Senior Advisor at Envision Overseas, Pune, recognizing her contribution to the event. Following this, Dr. Ashok Bhosale, the Principal, addressed the gathering, emphasizing the importance of such initiatives in preparing students for global educational opportunities.

The core of the event was a detailed presentation by Mrs. Monica Zadke, who explained the process of studying abroad, including selecting the right university, understanding admission requirements, financial planning, visa processes, and cultural adjustments. Her presentation was supported by technical assistance from Mr. Nitin Neharkar, who ensured that the PowerPoint slides and other technical aspects ran smoothly, contributing to the effective delivery of information. The seminar concluded with a vote of thanks by Ms. Ruchita Bhalerao, who expressed gratitude to the guest speaker, the organizing team, and the participants. This was followed by informal interactions, allowing students to seek further advice and ask questions directly to the speaker. Overall, the seminar was a well-organized and informative event that provided students with valuable insights into pursuing their academic goals abroad.

The overall activity was organised by Mrs. Trusha P. Shangrapawar, Ms. Dipika Pranjana and Ms. Ruchita Bhalariao, training and placement officer.

A Report on
Seminar on "Recent Trends in Pharma Homoeopathy"
29th August 2024

The Pune District Education Association's Sankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune organized a seminar on "Recent Trends in Pharma Homoeopathy" on August 29, 2024, starting at 2:30 pm. The seminar aimed to enhance the understanding of the evolving trends in homoeopathy and integrate these developments into pharmaceutical education and practice. The event began with anchoring and a preamble delivered by Mrs. Trusha Shangrapawar, who also facilitated the guest's felicitation. Following this, the Principal, Dr. Ashok Bhosale, addressed the attendees, emphasizing the importance of staying updated with the latest advancements in the field of homoeopathy.

The seminar featured Dr. Lakhwinder S. Momi, a Homoeopathy Doctor from Brampton, Ontario, Canada, who shared insights on current developments in Pharma Homoeopathy, highlighting innovative approaches and research trends that are shaping the future of this discipline. The session aimed to inspire participants to explore new methodologies and incorporate holistic approaches into their practices. Technical support, including a PowerPoint presentation, was managed by Mr. Nitin Neharkar, ensuring a smooth flow of information. The event concluded with a vote of thanks from Mrs. Trusha Shangrapawar, expressing gratitude to all participants and contributors for their roles in the seminar's success. The seminar was an enriching experience, reinforcing the commitment to continuous learning and innovation in pharmaceutical sciences.

The overall activity was organised by Mrs. Trusha P. Shangrapawar, Ms. Dipika Prajapati and Ms. Ruchita Bhalerao, training and placement officer.

A Report on
Seminar on “Pharma Profession and Global Health Needs.”
25th September 2024

On 25th September 2024, in celebration of Pharmacist Day, Pune District Education Association’s Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune, organized a seminar titled “Pharma Profession and Global Health Needs.” The event, anchored by Mrs. Trusha Shangrapawar, began with a warm welcome and felicitation of the guest speaker, Mr. Sagar Paygude, Director and Founder of Unity Medicare. Principal Dr. Ashok Bhosale delivered an inspiring address on the role of pharmacists in healthcare, emphasizing their significance in the global health landscape.

Mr. Paygude’s keynote talk highlighted the evolving responsibilities of pharmacists in addressing global health challenges and ensuring patient safety. The session, supported by a PowerPoint presentation and technical assistance from Mr. Nitin Neharkar, was insightful and engaging for students. The event concluded with a vote of thanks by Ms. Dipika Prajapati, expressing gratitude to the speaker, participants, and organizers.

The seminar was a great success, leaving a lasting impact on students, encouraging them to embrace their role in the pharmaceutical profession and global health.

The overall activity was organised by Mrs. Trusha P. Shangrapawar, Ms. Dipika Prajapati and Ms. Ruchita Bhalerao, training and placement officer.

A Report on
Seminar on "Guidance on Post Study Work and Career Opportunities"
1st October 2024

On October 1, 2024, Institute, organized a seminar titled "Guidance on Post Study Work and Career Opportunities", led by Ms. Vinisha Chavan, Assistant Manager and Study Abroad Counsellor from Study Smart, Pune. The objective of the seminar was to provide guidance to students on post-study work opportunities and career paths, particularly for those aspiring to study abroad, the session provided students with valuable insights into global career opportunities, visa processes, and work permits, highlighting the skills needed to thrive in international job markets.

The seminar was opened with a preamble and anchoring by Ms. Ruchita Bhalerao, who also facilitated the felicitation of the guest and delivered the vote of thanks. Principal Dr. Ashok Bhosale addressed the students, emphasizing the significance of understanding post-study opportunities. Technical support and a PPT presentation were provided by Mr. Nitin Neharkar, ensuring a smooth flow of the session. The event was well-received, and helped students better to understand the career prospects abroad. The overall activity was organised by Mrs. Trusha P. Shangrapawar, Ms. Dipika Prajapati and Ms. Ruchita Bhalerao, training and placement officer.

**A Report on
One Day Workshop on "Career Growth and Mental Resilience"
4th October 2024**

The one-day workshop titled "Career Growth and Mental Resilience," was organized on October 4, 2024, by the institute, to provide students with insights on career advancement and strategies to build mental resilience in professional environments. The session was led by Ms. Jyoti B. Dasgude, Process Specialist, of the Medsum Team at Allstate, Pune, and Dr. Shweta Kate, Manager of the Medsum Team at Allstate, Pune. They discussed techniques to enhance career growth while maintaining mental well-being, emphasizing the importance of resilience in handling career challenges.

The workshop was anchored by Ms. Ruchita Bhalerao, who also handled the guest felicitation and delivered the vote of thanks. Principal Dr. Ashok Bhosale addressed the participants, stressing the need for both career development and mental strength in today's fast-paced world. The technical support, including the PPT presentation, was managed by Mr. Nitin Neharkar. Coordinated by Mrs. Trusha P. Shangrapawar, the event provided students with practical knowledge to navigate professional growth while sustaining their mental health. The overall activity was organised by Mrs. Trusha P. Shangrapawar, Ms. Dipika Prajapati and Ms. Ruchita Bhalerao, training and placement officer.

Ms. Jyoti B. Dasgude, Process Specialist, of the Medsum Team at Allstate, Pune, addressing students.

One-Day Seminar on “Carbopol Polymers: Revolutionizing Drug Delivery Systems”

Thursday, 9th January 2025

Institute organized a one-day seminar on "Carbopol Polymers: Revolutionizing Drug Delivery Systems" on Thursday, 9th January 2025. The seminar aimed to enhance students' knowledge of advanced pharmaceutical excipients and their role in modern drug delivery. The event commenced with an anchoring and preamble by Mrs. Trusha P. Shangrapawar, followed by the felicitation of the esteemed guest speaker, Dr. Girish Kore, Manager, Lubrizol Life Sciences, Mumbai.

The seminar was graced by the presence of Principal Dr. Ashok Bhosale, who addressed the gathering and emphasized the importance of staying updated with advancements in pharmaceutical sciences. Dr. Girish Kore then delivered an insightful session on Carbopol polymers, explaining their unique properties, applications in drug formulations, and their transformative role in enhancing drug delivery systems. His presentation was well-supported by a PPT session, with Mr. Nitin Neharkar handling the technical aspects. The session was highly interactive, with students and faculty actively engaging in discussions.

The event concluded with a vote of thanks by Mrs. Dipika Prajapati, who expressed gratitude to the guest speaker, the principal, coordinators, and all attendees for their contribution to the seminar's success. The seminar proved to be an enriching experience for students and faculty alike, providing them with valuable insights into the innovative applications of Carbopol polymers in the pharmaceutical industry.

The overall activity was organised by Mrs. Trusha P. Shangrapawar and Ms. Dipika Prajapati.

Dr. Ashok Bhosale, Principal of the Institute, felicitating Dr. Girish Kore, Manager, Lubrizol Life Sciences, Mumbai.

Subject: Invitation as a Resource-person for a seminar on **“Carbopol Polymers in Pharmaceuticals: Innovation and Career Prospects”** on Thursday, 9th January 2025.

Dear Sir,

As per our conversation, I am pleased to extend an invitation as a resource person for organization of a seminar on **“Carbopol Polymers in Pharmaceuticals: Innovation and Career Prospects”** on Thursday, 9th January 2025 at 11.00 am in seminar hall. As we are aware that, Your expertise and experience in this field would be incredibly valuable to our students, offering them a unique perspective knowledge about the use of polymers in drug delivery system and in an endeavor to raise the awareness of utility of these excipients and career in polymer industry to our students, so, we take this opportunity to invite you to guide and to impart this knowledge in our students. So, we look forward to your presence and co-operation for the same. (For any query please contact to coordinator Mrs. Trusha P. Shangrapawar- 9823620854).

Thanking you!

Artificial Intelligence in Pharma
in Association with
Makeintern & E-Cell (IIT Hyderabad)
13th January 2025 – 17th January 2025**

Report

The Zonal Championship Program and Hands-on Workshop in Artificial Intelligence in Pharma was organized in association with Makeintern and the Entrepreneurship Cell (E-Cell) of IIT Hyderabad. Spanning five days (13th January 2025 – 17th January 2025), the event aimed to provide a comprehensive understanding of Artificial Intelligence (AI) applications in the pharmaceutical domain, including theoretical knowledge, hands-on training, and practical demonstrations.

The program commenced with a formal inauguration ceremony. The event began with anchoring and a preamble by Mrs. Trusha P. Shangrapawar, followed by the lighting of the lamp by the esteemed dignitaries. Mrs. Shangrapawar also handled the felicitation of the guests, after which Principal Dr. Ashok Bhosale addressed the gathering, emphasizing the importance of integrating AI into the pharmaceutical field.

The keynote address on *Artificial Intelligence in Pharma* was delivered by Dr. Gourab Banerjee, CEO and co-founder of Molsys Pvt. Ltd., who highlighted advancements in AI technologies and their transformative potential in drug discovery. The inauguration concluded with a vote of thanks by Mrs. Deepika Prajapati. Total 61 students from B.Pharm and M.Pharm had participated in the course.

Workshop Curriculum and Activities

The program featured an extensive five-day curriculum that integrated interactive lectures, live demonstrations, and hands-on practice, ensuring a blend of theory and practical applications. Participants underwent an assessment on the final day to reinforce their understanding. This five days' workshop underwent as per the curriculum designed and the details of which are as follows

Day 1: Getting to Know AI

- Topics covered: History, basics, and evolution of AI, including modern applications like GPT-based tools.
- Activities: An interactive session with a Q&A format.

Day 2: Basics of Statistical Learning and Computer Programming

- Topics: Central Tendency, Variance, Correlation, Regression, and introductory programming for AI.
- Activities: Practical examples using Excel and demonstrations of basic programming.

Day 3: Machine Learning, AI, and Deep Learning

- Topics: Key differences between Machine Learning, AI, and Deep Learning; techniques like supervised, unsupervised, and reinforcement learning; Natural Language Processing (NLP) and Large Language Models (LLMs).
- Activities: Group discussions, coding workshops in R, and real-world case studies.

Day 4: Computational Drug Discovery (CDD)

- Topics: Protein databases, homology modelling, ligand-based drug design, docking, and using online resources for analysis.
- Activities: Hands-on training with computational tools.

Day 5: Machine Learning in Drug Discovery and Clinical Trials

- Topics: Practical use of ML tools for drug discovery, including case studies and research paper analysis; understanding clinical trials (e.g., controlled and prospective trials).

Activities: Live demonstrations, practical exercises, and role-playing scenarios for clinical trials. The day concluded with a 25-mark test assessing participants' conceptual understanding. The students, Mr. Ritesh Ravan Salunkhe, Ms. Akshada Govind Shinde, Ms. Rushali Sanjay Koli, Ms. Sakshi Harish Wadhai and Ms. Aditi Nanasaheb Pawar performed exemplary in this program and were selected for Zonal Championship at IIT Delhi.

So in the Outcome and impact, the workshop successfully equipped participants with foundational and advanced knowledge of AI in pharmaceutical sciences. It bridged the gap between theoretical learning and practical implementation, empowering attendees to explore cutting-edge AI applications in areas like computational drug discovery and clinical trials.

The collaborative approach ensured active participation, engagement, and skill development. This program represents a significant step toward integrating emerging technologies into pharmaceutical education, paving the way for innovation and improved patient care.

This workshop was co-ordinated by Mrs. Trusha P. Shangrapawar, and Mrs. Dipika Prajapati.

Day- 1

Participants engaged in an interactive session, diving into the history, basics, and real-world applications of AI.

A knowledge-packed start to the workshop!

Day-2

Hands-on sessions with Excel and programming introduced key statistical concepts like correlation, regression, and variance—building the foundation for AI applications!

Day 3-

Engaging discussions and coding workshops in R helped participants understand machine learning techniques, NLP, and Large Language Models.

Day - 4 -

A deep dive into protein databases, homology modeling, and drug design. Hands-on training with computational tools brought theory to life!

Day-5-

Participants explored ML tools for drug discovery and clinical trials, with live demonstrations, role-playing exercises, and a final test to assess learning.

Day 6-

Wrapping up a transformative workshop, participants reflected on their journey, ready to integrate AI into pharmaceutical sciences for innovation and better patient care!

This is to inform all students of **Final Year B. Pharm, M. Pharm, and Ph.D.** programs that the **Training and Placement Cell** of our college is organizing a **Five-Day Certification Course on Artificial Intelligence in Pharma.**

The course is being conducted in collaboration with **MakeIntern** and **E-Cell, IIT Hyderabad**, as a part of the **Zonal Championship.**

Details of the Course:

- **Duration:** January 13, 2025, to January 17, 2025
- **Time:** 10:00 AM onwards
- **Venue:** Seminar Hall

All eligible students are required to attend this course. For further information or any queries, you may contact the following coordinators:

1. **Mrs. Trusha P. Shangrapwar** – 9823620854
2. **Mrs. Dipika Prajapati** – 7610693206

Ensure your presence and participation.

Curriculum for Artificial Intelligence in Pharma

Duration: 5 Days

Mode: Interactive Lectures, Demonstrations, and Hands-on Practice

Assessment: 25 Marks Test on Day 5

Sr. No.	Day	Topic	Details	Activities/Tools
1.	Day 1	Getting to Know AI	Introduction to AI - History of AI - Basics of AI - How AI was born - Modern AI (e.g., GPT Today)	Interactive session with Q&A
2.	Day 2	Basics of Statistical Learning	Central Tendency - Variance - Correlation - Regression	Practical examples with Excel
		Basics of Computer Language	Introduction to programming basics for AI - Demonstrations with Excel	Demo of basic programming

3.	Day 3	Difference Between Machine Learning, AI, and Deep Learning	Machine Learning techniques: - Supervised, Unsupervised, Semi-supervised - Reinforcement Learning - NLP (Natural Language Processing) - LLM (Large Language Models) - Case studies	Group discussions, real-world case studies, Coding workshop on R
4.	Day 4	Computational Drug Discovery (CDD)	1. Introduction to CDD 2. Protein Databases 3. Modeling (Homology) 4. Ligand-Based Drug Design 5. Docking 6. Using web resources and servers for analysis	Hands-on training with computational tools
5.	Day 5	Use of Machine Learning Tools and Techniques in Drug Discovery	Practical applications of ML in pharma - Case study on drug discovery - How to search research papers	Live demos and practical activities
		Clinical Trials	- Understanding trials: Controlled Trials, Prospective Trials	Role play scenarios for trials
	Test (25 Marks)	Short conceptual questions (3 marks each) - Duration: 1 hour	Assessment	

This curriculum ensures a structured and practical approach to understanding and applying AI concepts in the pharmaceutical domain.

Subject: Heartfelt Thanks for Your Valuable Contribution

Respected Sir,

On behalf of PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, I would like to extend our heartfelt gratitude for gracing the Zonal Championship Program and Hands-on Workshop in Artificial Intelligence in Pharma with your esteemed presence and expertise.

Your keynote address on 'Artificial Intelligence in Pharma' was truly inspiring and insightful, leaving a significant impact on all the participants. The practical knowledge and visionary ideas you shared have greatly enhanced the learning experience of our students and faculty members, igniting their interest in exploring the endless possibilities in this field. Your invaluable contribution and unwavering support have been instrumental in the success of this program. We deeply appreciate the time and effort you took to be a part of this event and share your expertise.

Once again, thank you for your remarkable contribution. We look forward to staying connected and collaborating in the future for more such enriching endeavours.

Thanking you with regards.

Yours Sincerely,

To,
Makeintern & E-Cell, IIT Hyderabad

Dear, Makeintern Team and E-Cell, IIT Hyderabad,

On behalf of PDEA's Shankarrao Ursai College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune, we would like to extend our heartfelt appreciation for your collaboration in organizing the *Zonal Championship Program and Hands-on Workshop in Artificial Intelligence in Pharma* from January 13 to January 17, 2025.

The workshop was a well-structured and highly engaging experience that provided our students with in-depth knowledge of Artificial Intelligence and its applications in the pharmaceutical domain. The blend of interactive lectures, live demonstrations, hands-on training, and case studies made the learning process highly effective.

We would especially like to express our deepest appreciation for **Dr. Gourab Banerjee**, whose dedication, passion for teaching, and expertise played a pivotal role in making this workshop a resounding success. Throughout the five-day program, Dr. Banerjee not only delivered insightful lectures but also engaged students with thought-provoking discussions, hands-on demonstrations, and real-world case studies. The assessments and interactive discussions taken by **Dr. Gourab Banerjee** were highly appreciated by our participants which helped reinforce key concepts, ensuring a thorough understanding of the subject matter.

Overall, the workshop has significantly contributed to enhancing the technical competencies of our students. We sincerely appreciate the efforts of Makeintern and E-Cell, IIT Hyderabad, in delivering such a high-quality program. We look forward to future collaborations that will continue to inspire and educate our students in emerging technologies.

Thank you once again for this wonderful opportunity.

A Report on
Guest Lecture - "Mastering GPAT: Strategies for Success"
Monday, 27th January 2025

Institute, organized a highly insightful and motivational guest lecture on "Mastering GPAT: Strategies for Success" on Monday, 27th January 2025. The session was aimed at guiding students on effective preparation strategies for the Graduate Pharmacy Aptitude Test (GPAT) and providing them with valuable insights into excelling in competitive pharmaceutical examinations.

The event commenced with a warm welcome by Mrs. Trusha P. Shangrapawar, who introduced the esteemed guest speaker, Dr. Vijaykumar R. Chakote, Director of Pharmastar Academy, Nanded. Following the introduction, Dr. Chakote was felicitated by Dr. Ashok Bhosale, Principal of the Institute, as a token of appreciation for his valuable time and contribution. The Principal, Dr. Ashok Bhosale, then addressed the gathering, emphasizing the importance of competitive examinations like GPAT in shaping a student's future and opening doors to higher education and career opportunities in the pharmaceutical sector.

The highlight of the event was the guest lecture by Dr. Chakote, which provided a comprehensive roadmap for GPAT preparation. He began by addressing the common challenges faced by students, highlighting that while many students excel in university exams, they often struggle in GPAT due to a lack of conceptual clarity and problem-solving skills. He emphasized the importance of understanding subjects in-depth and "connecting the dots" to solve complex questions.

Dr. Chakote also outlined the key attributes of a good mentor, stressing that students should seek guidance from GPAT-qualified educators with strong subject knowledge, industry exposure, and research experience.

The session covered various aspects of GPAT preparation, including:

- **An introduction to the GPAT exam and its significance.**
- **The benefits of qualifying for GPAT, including scholarships and admissions to prestigious institutes like NIPER.**
- **Overcoming the fear of GPAT through systematic and strategic preparation.**
- **Subject-wise study techniques and effective time management strategies.**
- **Introduction to Pharmastar Academy's GPAT coaching program, offering e-notes, test series, and personal mentoring.**

Dr. Chakote shared insights from his experience, explaining how students could boost their confidence, enhance conceptual learning, and develop problem-solving abilities to secure a high GPAT score. He also discussed the increasing competition in the pharmaceutical field and the importance of staying updated with industry trends and research advancements. The session concluded with an engaging Q&A segment, where students actively participated, seeking guidance on study plans, important topics, and exam strategies. Dr. Chakote patiently answered all queries and encouraged students to set ambitious goals, work diligently, and believe in their potential.

Finally, the Vote of Thanks was delivered by Ms. Deepika Prajapati, who expressed gratitude to Dr. Chakote for his invaluable guidance, to Principal Dr. Ashok Bhosale for his constant support, and to the organizing team for their efforts in making the event a grand success.

The session was highly motivating and informative, equipping students with practical strategies and a structured approach to GPAT preparation. The attendees left the session feeling inspired and more confident about their exam readiness. The event successfully achieved its objective of guiding and empowering future pharmacists on their journey toward academic and professional excellence.

The overall activity was organised by Mrs. Trusha P. Shangrapawar - training and placement officer and co-ordinator Ms. Dipika Prajapati..

**A Report on
IBM Skills Build- Skill Based Training Workshop
Friday, 31st January 2025**

The Training and Placement Cell of the Institute organized the *IBM Skills Build - Skill Based Training Workshop* on Friday, January 31, 2025. The event commenced at 10:30 AM with an introductory session led by Mrs. Trusha P. Shangrapawar, who anchored the program and facilitated the felicitation of the esteemed guests. Principal Dr. Ashok Bhosale addressed the gathering, emphasizing the importance of skill-based learning for career development.

The workshop featured interactive sessions on *Artificial Intelligence Fundamentals*, *Job Application Essentials*, and *Information Technology Fundamentals*, conducted by industry experts, including Mrs. Sonali Dhavan (Operational Lead at Pratham InfoTech Foundation), Mr. Ketan Sathe (Institutional Partnership & Training Associate). The sessions provided valuable insights into emerging technologies and essential job market skills, equipping students with practical knowledge to enhance their employability.

The event concluded with a formal vote of thanks delivered by Ms. Deepika Prajapati, expressing gratitude to the speakers, faculty, and participants for their active involvement. The workshop successfully contributed to the professional development of students, reinforcing the institution's commitment to bridging the gap between academic learning and industry expectations.

The overall activity was organised by Mrs. Trusha P. Shangrapawar - training and placement officer and co-ordinator Ms. Dipika Prajapati.

Subject: Invitation as a Resource-person for - IBM Skills Build- Skill Based Training Workshop on Friday, 31st January 2025.

Dear Sir,

As per our conversation, I am pleased to extend an invitation as a resource person for organization of IBM Skills Build- Skill Based Training Workshop on Friday, 31st January 2025 at 10.30 am in seminar hall. As we are aware that, your expertise in **digital learning, skill development, and career guidance** will provide valuable insights for our students and in an endeavor to raise the awareness of these options to our students, we take this opportunity to invite you to guide and to impart this knowledge in our students. So, we look forward to your presence and co-operation for the same. (For any query please contact to coordinator Mrs. Trusha P. Shangrapawar- 9823620854).

Thanking you!

**Report on
IBM Skills Build- Certification Training Workshop on Job Application
Essentials**

31st January, 2025, and 3rd February, 2025

Institute, organized a 10-hour IBM Skills Build Certification Training Workshop on Job Application Essentials on January 31, 2025, and February 3, 2025. The workshop was designed to equip students with essential job application skills, helping them to develop a strong professional presence, create impressive resumes, and ace job interviews.

The workshop was divided into **two days**, each focusing on different aspects of job application strategies:

Day 1 - Personal Branding and Workplace Research

On the first day, students learned about:

1. **Developing Their Brand Using Social Media** – This session emphasized the importance of building a professional image on platforms like LinkedIn and other social media networks.
2. **Focusing Their Direction with Workplace Research** – Participants were introduced to research methods to understand different industries, companies, and job roles before applying.

These sessions were conducted by Mr. Ketan Sathe (Institutional Partnership & Training Associate).

Day 2 - Resume Writing and Interview Preparation

On the second day, the focus was on practical job application techniques.

3. Creating a Great Professional Resume Students were guided on structuring and formatting resumes effectively, highlighting key skills, achievements, and experience.

4. Acing a Professional Interview – This session covered interview techniques, common questions, and tips to present oneself confidently. These sessions were delivered by **Ms. Gayatri Ballal (Institutional Partnership & Training Associate)**.

After completing curriculum, an interactive session was conducted by Mr. Ketan Sathe and Ms. Gayatri Ballal, where students participated in discussions, received personalized feedback, and clarified doubts related to job applications.

The workshop provided valuable insights and practical knowledge, enabling students to enhance their job-seeking skills. The **IBM Skills Build Certification** added significant value to their resumes, making them more competitive in the job market.

The overall activity was organised by Mrs. Trusha P. Shangrapawar - Training and Placement Officer and co-ordinator Ms. Dipika Prajapati.

**A Report on
Entrepreneurship Awareness Camp
Tuesday, 11th March 2025**

To encourage and inspire students towards entrepreneurial excellence, skill development, and an understanding of medicinal plants, Institute, successfully organized an Entrepreneurship Awareness Camp on March 11, 2025. The objective of this workshop was to provide students with insights into entrepreneurship, essential skills for business development, and the significance of medicinal plants in human welfare. The event commenced with the traditional lamp-lighting ceremony, followed by a warm welcome by Mrs. Trusha P. Shangrapawar, the coordinator of the event. Dr. Ashok Bhosale, Principal of the institute, addressed the audience, emphasizing the importance of entrepreneurship in today's dynamic world and encouraging students to develop innovative thinking and leadership skills. The workshop featured three distinguished speakers, each delivering insightful sessions on different aspects of entrepreneurship and skill development:

In first session, Mr. Sunil Mirashi, Director of Divine Corporation and an expert in Entrepreneurship, Skill Development & Value Education, was the first speaker of the day. With over 28 years of industry experience, including working with TATA Group and FUTURE Group, he shared valuable insights on how students can cultivate an entrepreneurial mind-set and take initiative in business development. His session encouraged students to think beyond conventional job roles and explore the world of start-ups and self-employment.

In second session, Prof. Chandrakant Gavhane, a well-known academician, delivered a session on "Importance of Medicinal Plants for Human Welfare." He highlighted the significance of herbal medicines in modern healthcare, discussing their therapeutic benefits and potential business opportunities in the herbal pharmaceutical sector. His session was highly informative,

inspiring students to explore entrepreneurship in the field of natural and traditional medicine and in third session, Mr. Prateek Mohite, an MBA graduate specializing in Marketing and Skill Development, conducted the final session on "Skills & Competencies Required to Be an Entrepreneur." He emphasized the importance of business acumen, strategic thinking, risk management, and innovation in becoming a successful entrepreneur. His practical approach and real-world examples provided students with a clear roadmap for developing essential entrepreneurial skills.

The workshop concluded with a valedictory function, where the key takeaways from the sessions were highlighted. The event was highly engaging, providing students with practical knowledge, industry insights, and motivation to embark on their entrepreneurial journey. Ms. Deepika Prajapati delivered the vote of thanks, expressing gratitude to the Principal, guest speakers, faculty members, and students for their active participation and support. The Entrepreneurship Awareness Camp was a resounding success, leaving students inspired and equipped with the necessary knowledge and skills to pursue entrepreneurial ventures. The event not only broadened their understanding of business and self-employment but also encouraged them to think innovatively and contribute to the ever-growing world of entrepreneurship. The overall activity was organised by Mrs. Trusha P. Shangrapawar - training and placement officer and co-ordinator Ms. Dipika Prajapati.

A Report on
“Cracking Competitive Exam Strategies for Success”
Wednesday, 5th March 2025

Institute successfully organized a seminar on “*Cracking Competitive Exam Strategies for Success*” on March 5, 2025. The event aimed to guide students in preparing for competitive exams such as MPSC, UPSC, and the Drug Inspector examination. The seminar commenced with Ms. Deepika Prajapati, who undertook the responsibility of anchoring and delivering the preamble. This was followed by the felicitation of the guest speaker, Mr. Aditya Wagare, Director of the Maharashtra Pharmacy Forum, by Dr. Vijaya Barge.

Dr. Vijaya Barge, the Vice-Principal, addressed the attendees, emphasizing the significance of competitive exams in shaping students' careers and encouraging them to take advantage of expert guidance. The highlight of the seminar was the session by Mr. Aditya Wagare, who shared valuable insights and strategies for excelling in competitive exams. He provided detailed guidance on exam patterns, preparation techniques, time management, and subject-specific strategies for MPSC, UPSC, and Drug Inspector examinations. His interactive session helped students gain clarity on various aspects of the exam process and preparation methods.

The seminar concluded with a vote of thanks by Ms. Deepika Prajapati, who expressed gratitude to the guest speaker, the organizing team, and the participants for making the event a success. Overall, the seminar was highly informative and beneficial for students aspiring to crack competitive exams, equipping them with the necessary strategies and motivation to achieve success.

This activity was organised by Mrs. Trusha P. Shangrapawar - training and placement officer and co-ordinator Ms. Dipika Prajapati.

A Report on
A Seminar On "Foreign Languages and Career"
Monday, 18th March 2025

The Institute, successfully organized a seminar on "Foreign Languages and Career" on 18th March 2025. The event aimed to provide insights into the career prospects associated with learning foreign languages, specifically German and French. The session was graced by Mr. Uday Dhanraj Sonawane, Founder Director of ACE INDIA and Channel Partner - FLOA, as the guest speaker. The event commenced with an engaging introduction and preamble by Ms. Deepika Prajapati. She welcomed all dignitaries, faculty members, and students, setting the stage for an informative session. Dr. Ashok Bhosale, Principal of the institute, addressed the gathering and emphasized the importance of learning foreign languages in today's globalized world. He highlighted how proficiency in languages like German and French opens up diverse career opportunities in various industries, including healthcare, pharmaceuticals, and international trade. The highlight of the seminar was the expert session by Mr. Uday Dhanraj Sonawane. He provided an in-depth understanding of the significance of German and French languages in career advancement. Key points covered in his presentation included the increasing demand for multilingual professionals in corporate and pharmaceutical sectors, the role of language proficiency in higher education, job placements, and overseas opportunities, career avenues such as translators, interpreters, foreign trade specialists, and roles in multinational companies, and the relevance of foreign language skills in business expansion and global networking. His session was highly interactive, with students actively participating and seeking guidance on foreign language certifications and study programs.

To conclude the seminar, Ms. Deepika Prajapati delivered a vote of thanks, expressing gratitude to Mr. Uday Dhanraj Sonawane for his enlightening session, the principal for his support, and the organizing team for their efforts in making the event a success.

This activity was organised by Mrs. Trusha P. Shangrapawar - training and placement officer and co-ordinator Ms. Dipika Prajapati.

The 9th National Zonal Championship

Makeintern & E-Cell (IIT Delhi)

22nd and 23rd March 2025

Report

The 9th National Zonal Championship was successfully held on 22nd and 23rd March 2025 at IIT Delhi, organized by Makeintern and the Entrepreneurship Cell of IIT Hyderabad. This prestigious event provided a platform for aspiring students to present their innovative business models and gain insights from industry experts. The primary objective of the competition was to foster entrepreneurial thinking, encourage technological innovations, and provide students with exposure to real-world business scenarios.

A team of five students from our Institute – Sakshi Harish Wadhai, Swayam Udaysinh Shinde, Ritesh Ravan Salunke, Rushali Sanjay Koli, and Akshada Govind Shinde – participated in the championship. Our college proudly presented a business model on "Nanotechnology-Based Biosensor for Cancer Detection", showcasing an innovative approach to early cancer diagnosis.

The competition was judged by a panel of esteemed juries: Mr. Yash Raj (Chief Operating Officer, Medulance), Ms. Lakshmi Mini (Co-Founder and CEO, GoHuddle), and Dr. Aprajita Prasad (Startup Mentor and Advisor, MetaConnect Consulting). After rigorous evaluations and presentations, the winners were announced as follows:

- Winner: Chitkara University, Punjab
- 1st Runner-Up: MIT-ADT University of Food Science and Technology, Pune
- 2nd Runner-Up (Tie): Miranda House, New Delhi & Samarth Education Trust, Arvind Gawali College of Pharmacy, Satara

While our team did not secure a winning position, their participation was commendable, and they received participation certificates in recognition of their efforts. The event was an incredible learning experience, allowing students to interact with industry leaders, gain valuable feedback on their ideas, and understand the dynamics of entrepreneurship and innovation. This participation has further motivated our students to pursue research-driven business ideas and contribute to advancements in the pharmaceutical and healthcare sectors. This workshop was co-ordinated by Mrs. Trusha P. Shangrapawar, and Mr. Nitin Neharkar.

Request for LMS Access for Students – Zonal Championship Program on AI in

Trusha Shangrapawar <trusha.shan@gmail.com>
to neelu.profavbhosale, S

Dear Sir/madam

I hope this email finds you well.

On behalf of **PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune**, we would be organizing the *Zonal Championship Program and Hands-on Workshop in Artificial Intelligence in Pharma*. The workshop was an effort to explore various applications in the pharmaceutical domain.

To further enhance their learning and allow them to revisit the concepts covered during the sessions, we kindly request **LMS (Learning Management System)** access for our students. This will help them revise key topics, access study materials, and strengthen their understanding of AI in Pharma.

Please let us know the necessary steps to facilitate this access and any specific requirements needed from our end. We appreciate your support.

Best Regards,

Mrs. Trusha P. Shangrapawar

A Report on
Internship on Clinical Data Management
14th June 2025 to 10th July 2025

The Clinical Data Management (CDM) Internship was organized by PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune, in collaboration with Makeintern, as part of the institute's MOU to provide practical exposure and skill-based training to students. The program aimed to equip participants with the essential knowledge and technical skills required in the field of Clinical Data Management, which plays a vital role in ensuring accuracy, reliability, and regulatory compliance in clinical trial data.

The internship sessions were scheduled from 14th June 2025 to 10th July 2025, with classes conducted on alternate days. Each session was held from 10:00 AM to 12:00 PM through the ClickMeeting online platform. The sessions were conducted by Mr. Rambabu Bittu, Central Monitor in IQVIA, covering various aspects of Clinical Data Management. The detailed schedule was as follows:

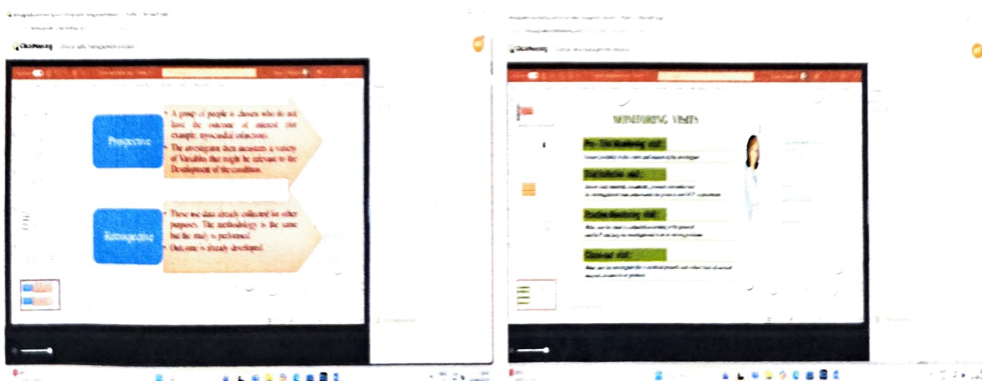

Sr. No	Date	Topic Covered
1.	14 th June 2025	Introduction to Clinical Research and Clinical Data Management
2.	17 th June 2025	Data Collection and Case Report Forms (CRFs)
3.	19 th June 2025	Data Validation and Cleaning Processes
4.	21 st June 2025	Use of CDM Tools and Software

5.	24 th June 2025	Regulatory Guidelines and Good Clinical Data Management Practices (GCDMP) – Part I
6.	26 th June 2025	Regulatory Guidelines and Good Clinical Data Management Practices (GCDMP) – Part II
7.	28 th June 2025	Real-world Case Studies and Practical Scenarios – Part I
8.	1 st July 2025	Real-world Case Studies and Practical Scenarios – Part II
9.	3 rd July 2025	Hands-on Discussion / Applications in Clinical Data Management
10.	5 th July 2025	Industry Relevance and Career Prospects in CDM
11.	8 th July 2025	Mock Assignments, Queries, and Problem Solving
12.	10 th July 2025	Concluding Session, Recap, and Feedback

This internship provided students with industry-oriented training, enhancing their employability and preparing them for potential roles in clinical research, regulatory affairs, and data analytics.

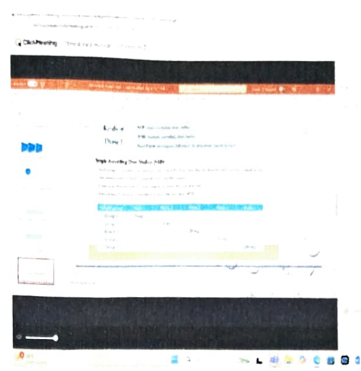

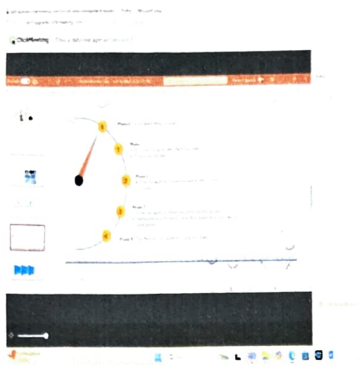

The program was well-received by participants, and feedback suggested that the sessions were informative, practical, and relevant to current industry needs. The college extends its gratitude to Makeintern and Prof. Mishra and Mr. Rambabu Bittu for their efforts in delivering this valuable learning experience.

A REPORT ON
CAMPUS RECRUITMENT DRIVE in ASSOCIATION with V- ENSURE
PHARMA TECHNOLOGIES PVT.LTD
FRIDAY, 27th JUNE 2025

PDEA's Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune, successfully organized a Campus Recruitment Drive in collaboration with V Ensure Pharma Technologies Pvt. Ltd. on Friday, 27th June 2025, at the college campus. The primary objective of the drive was to provide students with direct industry exposure and job placement opportunities while strengthening the institute's relationship with the pharmaceutical sector. The program commenced at 11:30 AM with a warm welcome and anchoring by Mrs. Trusha Shangrapawar.

The recruitment team from V Ensure comprised two distinguished professionals – Mr. Avinash Salunkhe, Senior Manager – Human Resource & Administration, and Mr. Khemchandra Dadare, Senior Manager – Analytical Laboratory. Both guests were felicitated by the college and introduced with brief overviews of their rich professional experience. Following this, preplacement talk was delivered by Mr. Avinash Salunkhe and addressed the students, emphasizing the importance of industry interactions in preparing students for their professional careers.

The recruitment process was then carried out by the V Ensure team, who interacted with students from D. Pharm, B. Pharm and M. Pharm courses. V Ensure offered apprenticeship roles for one year, with positions in Production and Warehouse for D. Pharm and B. Pharm students, and R&D, Quality Control, and Quality Assurance roles for M. Pharm candidates. The stipend offered ranged between ₹12,500 to ₹13,500 for D. Pharm, B.Pharm and ₹15,000 for M. Pharm students. The job location offered was at V Ensure's facility in Patalganga Industrial Area, Panvel, Maharashtra. The event concluded with a formal vote of thanks

delivered by Mrs. Trusha P. Shangrapawar, who expressed gratitude to the visiting team for their valuable time and guidance, and appreciated the efforts of the college management, faculty, and participating students. The drive provided a valuable opportunity for students to engage with industry experts, understand recruitment expectations, and secure potential job placements, making it a significant step forward in their professional journey.

This activity was organised by Mrs. Trusha P. Shangrapawar - training and placement officer and co-ordinator Ms. Dipika Prajapati. Total 7 students were selected and below is the result of the drive-

Sr. No.	Name of the Student	Class	Department
1.	Ms. Shrutika Harpale	S.Y.M.Pharm	Research and Development
2.	Mr. Rahul Rathod	S.Y.M.Pharm	Quality Control
