## **REPORT**

### **Seminar on Gender Equality**

Shankarrao Ursal College of Pharmaceutical Sciences and research centre, encourages gender parity and is constantly working towards providing a conducive environment for efficient and effective communications between the employees and students. A seminar on the topic 'Gender Equality' was organised on 7<sup>th</sup> April 2022 at 12.00 noon in the Seminar Hall of our College. Ms. Shweta Khiratkar welcomed the gathering.

The seminar was presented by Dr. Mrs. Rajashree Chavan, Principal of PDEA's Seth Govind Raghunath Sable College of Pharmacy, Saswad, Pune. She highlighted that the Constitution provides equal status to women and a 'positive discrimination' in favour of women. She gave a brief description about various offenses against women which are punishable and various provisions to safeguard violence and discrimination against women. She also added that society has assigned specific roles to men and women and that we are conditioned to think like that. It is time that we recognise and appreciate the reproductive as well as productive role each woman plays in a society and break from the patriarchal secondary status that is given to women.

All students and faculty attended the seminar. The Seminar was coordinated by Ms. Ghule Kiran.
