Martin Luther King Jr. dreamed of a world where all people would have equal rights and opportunities. What are your dreams for our future? Using magazines, old drawings and colored paper, create your own collage that illustrates your vision. What do you imagine it will look like?

SUPPLIES
• Paper
• Magazines
• Old drawings
• Colored paper
• Scissors
• Craft knife
• Glue stick

INSTRUCTIONS
Step 1: Look through your collage materials for images that inspire you. Cut out and collect pieces that you want to include in your final piece.

Step 2: Before gluing, arrange your pieces to make sure you like the final image.

Step 3: Glue down your collage starting with the largest pieces and adding details last.
