CEO Commentary

Commenting on the appointment, Freelancer Chief Executive and Chairman, **Mr Matt Barrie**, said:

"Dylan is an exceptionally capable finance executive. He brings a level of sophistication and rigour that is rare, forged across IPOs, APRA-regulated

balance sheets, capital markets, and high-growth technology businesses. His experience at Tyro, where he was instrumental in delivering the largest IPO of 2019, speaks for itself. From over two hundred applicants Dylan stood out as the clear choice to lead our finance function through the next phase of Freelancer's growth."
