11:00am & 12:30pm

Parents, teachers, school administrators and teens from New York City are invited to learn more about the Intrepid Museum's no-cost teen leadership programs. Current 8th and 9th grade girls are encouraged to attend an 11:00am session about the GOALS for Girls six-week summer intensive program, which focuses on leadership and STEM. At 12:30pm, current 9th-11th grade students of any gender are encouraged to attend a Youth Leadership Institute at Intrepid (YLI@Intrepid) session. YLI@Intrepid focuses on civics, leadership and social advocacy issues.

Both teen programs provide college and career-readiness workshops and youth development opportunities. Attendees will receive application materials and updates before the official dissemination in January 2020.

Participants are free to enjoy the Museum complex following the conclusion of each session.
