Our Services

Accreditation

ProjectConcert simplifies accreditation by providing institutions with essential tools, expert support, and services like consulting, assessment design, and portfolio resource rooms.

Data/System Integration

Eliminate data entry with our Integration Service. Our experts offer seamless solutions for streamlined operations. From single sign-on to registrar connections and more.

Support & Training

We understand that using new software can be challenging, which is why we offer comprehensive Support & Training services.

Database Management

The ProjectConcert team provides comprehensive data services to clients who need assistance with managing large sets of information.

Implementation

With our implementation service, you can rest assured that your transition to ProjectConcert will be seamless and worry-free.

HIPAA & FERPA Compliant

Ensuring the safety and security of institutional data is our foremost concern.

Accreditation

This solution is a powerful and all-encompassing tool designed to make the accreditation process easier and more efficient for educational institutions. It encompasses a multitude of features that are designed to simplify and optimize the intricate task of both initial and ongoing accreditation.

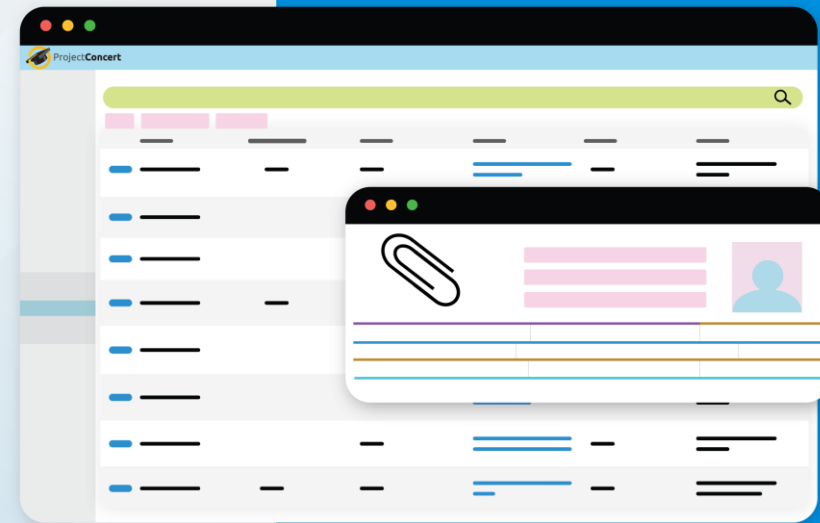

- Accreditation Portfolios
- Agreement Management
- Alumni Management
- Curriculum Mapping
- Evaluations & Surveys
- Exit, Alumni & Employment Surveys
- Faculty Management
- Faculty Portfolios
- Outsider Educator Management
- Standards & Competencies Library
- Student Management
- Student Portfolios

The screenshot displays the ProjectConcert web application. At the top, there's a header with the ProjectConcert logo and a user profile icon. Below the header, there's a navigation bar with several menu items. The main content area features a table with 11 rows, each representing a compliance item. The table has columns for an ID, a status indicator (represented by colored bars), a status label, and a date. The status labels include 'Not Compliant', 'Compliant', 'Pending', and 'Upcoming'.

ID	Status	Label	Date
1	Not Compliant	Not Compliant	
2	Compliant	Compliant	
3	Compliant	Compliant	
4	Compliant	Compliant	
5	Not Compliant	Not Compliant	
6	Pending	Pending	
7	Not Compliant	Not Compliant	
8	Upcoming	Upcoming	
9	Compliant	Compliant	
10	Compliant	Compliant	
11	Compliant	Compliant	

Experiential Learning

This solution is a comprehensive, experiential documentation tool designed to manage and streamline processes for experiential learning experiences in educational and healthcare institutions. It encompasses a variety of customizable features to guarantee the efficient planning, tracking, and evaluation of experiential learning activities while ensuring alignment with the institution's accreditation guidelines and competencies.

- Admission Management
- Compliance
- Evaluations & Surveys
- Faculty Management
- Journals & Hours
- Location Management
- POS/Advising
- Outside Educator Management
- Schedule
- Simulation Assessments
- Standards & Competencies Library
