

2026 EVENT SOLUTIONS KIT

**Meet the decision
makers creating live
event experiences.**

DECEMBER 2-8, 2026
LAS VEGAS, LVCC WEST HALL

LDI connects the entire entertainment, design, and technology community with manufacturers and distributors of state-of-the-art gear, and professional training from industry leaders.

Las Vegas Convention Center – West Hall

Pro Training: December 2-8

Expo Hall: December 6-8

Dec 6: 10:00 am - 6:00 pm

Dec 7: 10:00 am - 6:00 pm

Dec 8: 10:00 am - 3:00 pm

I met many of our reps on the show floor and discovered products I wouldn't have otherwise considered.

— Freelance Production Designer

LDI works because it's not passive.

It's a hands-on, demo-driven marketplace built around face-to-face discovery, gear testing, and technical conversations that translate directly into sales pipelines. **If relationships drive your business — LDI delivers them.**

Our followers & subscribers are your customers: invest in solutions that elevate your brand to this community.

LDI Is Where Business Happens. **Everyone is here.**

LDI is the global marketplace for entertainment technology and production professionals – uniting the entire community in one high-energy buying environment.

This is where products are discovered, relationships are built, and purchasing decisions begin.

Exhibit Opportunities at LDI 2026

Your booth isn't just square footage — it's your most powerful sales tool of the year.

Cost to Exhibit (price per sq. ft. unless otherwise notated)	
Inline	\$53.00/sq. ft.
Corner	\$59.00/sq. ft.
Peninsula	\$56.00/sq. ft.
Island Premiums	
900 sq. ft. & under	\$56.00/sq. ft.
901-2,800+ sq. ft.	\$45.00/sq. ft.
2801+ sq. ft.	\$40.00/sq. ft.

Exhibit Space Includes:

- Exhibit space on the show floor
- Exhibitor listing in electronic promotional materials, mobile app, and www.ldishow.com
- Unlimited promotional codes for your best prospects and clients for FREE admission to the LDI Expo Hall
- (5) expo hall passes per 100 sq. ft. for your booth personnel.
- Total of (2) exhibitor conference passes (does not include LDInstitute™)
- Unlimited sponsorship opportunities
- For details on other exhibitor services fees (i.e. electrical, rigging, lead retrieval, furnishings, etc.) Please contact your sales rep for more details.

Priority Points - All exhibitors will be ranked according to our priority point system. Space will be assigned based on the priority points earned for the contracted space in past shows and for contracted business between October 2025 and November 2026 as follows:
One point per 100 square feet contracted each year

Material Handling

Size advantage! All booths 800 sq. ft. (74.32m) and larger will be charged a flat rate of \$17.55 per sq. ft. for material handling for the LDI 2026 show.
Questex/LDI will subsidize \$3 per sq.ft. and the exhibitor is responsible for flat rate of \$14.55 per sq. ft. (billed directly by GES, LDI's general show contractor). Standard material handling rates will apply to booths 799 sq. ft. and smaller.
*Off target shipments will incur additional surcharges
For more details contact your account executive

- Swag distribution (optional)

VJ CHALLENGE

The Second Annual VJ Challenge!
Sunday, December 6 | 6:00–8:15pm
Hosted by Simon Evans, the pixel-punching guru of Visual Artform, the VJ Challenge at LDI is an exclusive event created to spotlight innovation and artistry in live visual performance. This high-energy competition invites VJs from around the globe to showcase their creativity and technical mastery on the LDI Main Stage, adjacent to the LDI Circle Bar.

Competition format: Each VJ prepares a custom showfile of visual clips, pre-programmed to a provided pixel map and tested in our previz suite. When it's time to perform, the twist begins – musical genres are assigned live on stage via the music roulette selector. From there, our featured DJs – such as Leroy Fish, DJCable, and KUTA – spin a six-minute set, while each VJ brings their visuals to life in real-time on massive LED screens.

Judged by an expert panel of industry leaders, this ultimate “winner-takes-all” showdown culminates in the opportunity to perform as a guest VJ at a top festival or Las Vegas nightclub event in 2027. The 2025 winner, VJ Legacy JP received a \$2,000 cash award and a license to Depence Show Control & Visualization software from Synchronorm.

BATTLE OF THE BUSK

The Battle of the Busk Is Back!
Monday, December 7 | 6:00-8:15pm
Luther Frank of House Lumina harnesses his lighting and production design skills for LDI's Battle of the Busk. His team of lighting and video industry professionals – including Visual Artform – takes a group of students through a few days of training on lighting consoles and media servers, leading up to an exciting battle between four teams live on LDI's Main Stage, adjacent to the LDI Circle Bar. The training is free to all attendees as part of LDI's support of the next generation!

Competition format: The teams consist of lighting and video buskers. Each team has two days of dedicated training, followed by one day of practice time prior to the actual competition on Monday evening. The winners will be announced within 30 minutes following the competition.

Now in its sixth year, Battle of the Busk has proven to be a leading showcase for lighting consoles, media servers, mobile stages, truss, sound systems, lighting fixtures, LED walls, video switchers, video cameras, etc... An exciting visual experience with student participation that puts the spotlight on new technology!

ON THE LDI MAIN STAGE...

LDI Main Stage + Circle Bar
