## **Rev-A-Shelf® Introduces the 53472 Series Solid Bottom Two-Tier Kidney-Shaped Lazy Susan – The Perfect Solution for Hard-to-Reach Corner Cabinets**

Rev-A-Shelf® is proud to announce the launch of the **53472 Series Solid Bottom Two-Tier Kidney-Shaped Lazy Susan**, designed to transform awkward corner cabinets into highly efficient storage spaces. This innovative Lazy Susan maximizes kitchen organization while providing effortless access to hard-to-reach areas.

The 28" **53472 Series** is thoughtfully engineered with a **telescoping shaft** and **independently rotating hardware**, allowing each tier to move smoothly and independently. This ensures a perfect fit within your cabinet and offers easy access to stored items, from pantry staples to cookware. The **chrome-plated telescoping shafts** adjust to accommodate **inner cabinet heights ranging from 26" to 32"**, providing flexibility and a custom fit.

The Lazy Susan features a durable **solid bottom construction**, offering a sturdy foundation that supports a variety of kitchen essentials while maintaining stability during rotation. Its two-tier design creates additional storage capacity, making it an ideal solution for optimizing **angled corner base cabinets**.

Available in three elegant finishes—**maple, gray, and orion gray**—the **53472 Series** blends seamlessly with a range of kitchen styles, from traditional to modern. Its sleek design and practical functionality make it a versatile addition to any kitchen renovation or organizational upgrade.

Whether you're remodeling your kitchen or simply seeking smarter storage solutions, the **53472 Series Solid Bottom Two-Tier Kidney-Shaped Lazy Susan** offers the perfect balance of style, convenience, and efficiency.

### **About Rev-A-Shelf® LLC.**

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf® subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
