Rev-A-Shelf® 53WC Series: Where Modern Italian Design Meets Innovative Functionality

Rev-A-Shelf® is proud to introduce the latest evolution in waste container organization: the **53WC Series**, now available in a sleek **black powder-coated frame** with matching black waste containers. Designed to bring elegance and efficiency to kitchen storage, this series offers a variety of configurations to meet diverse needs while maintaining a contemporary aesthetic.

Built for **15" and 18" base cabinets**, the 53WC Series accommodates **single 35 and 50 qt. or double 27, 35, and 50 qt. polymer containers**, providing flexible waste management solutions. The **durable powder-coated wire frame** is available in **black, champagne, metallic silver, and orion gray**, ensuring seamless integration with any kitchen decor.

Equipped with **full-extension soft-close slides**, this system delivers **smooth and quiet operation**, enhancing the user experience. Additionally, **pre-assembled door-mount brackets** allow for quick and hassle-free installation. For added functionality, **single units** feature a **convenient rear storage bin**, perfect for keeping essentials within reach.

To further enhance the system, optional **27, 35, and 50 qt. polymer lids** are available, providing a cleaner and more efficient waste disposal solution.

Upgrade your kitchen organization with the stylish and efficient **Rev-A-Shelf® 53WC Series**. For more information, **visit rev-a-shelf.com**

About Rev-A-Shelf® LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf® subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
