Omega National Products by Rev-A-Shelf® Introduces Curved Floating Shelves for a Bold, Modern Look

Omega National Products by Rev-A-Shelf® is proud to unveil its **Curved Floating Shelves**, a sleek, modern twist on traditional floating shelves designed for those seeking to add **extra design interest** to their spaces. Featuring a striking **8" radius curve** on one side, these shelves create a **bold focal point** that effortlessly complements both **contemporary** and **transitional interiors**.

Expertly crafted from **solid wood** and **wood veneer**, the Curved Floating Shelves are available in a variety of **premium materials**, including **maple, cherry, rift white oak, red oak, alder**, and **paint-grade options**. The **100 lb. capacity bracket system**, with **no visible hardware**, ensures a truly **floating appearance**, while the **sanded and ready-to-finish surfaces** offer complete **customization** with your choice of **paint or stain**.

Designed to blend **style with functionality**, the shelves come in **seven standard widths—24", 30", 36", 42", 48", and 54"**—and measure **2-1/2" thick and 10" deep**, with a **12" deep option** available by **special order**. Built to last, the shelves meet or exceed **BHMA standards for strength and stability**, making them as durable as they are beautiful. Each shelf is **individually packaged** in a **protective carton** for **safe handling and transport**.

Whether you're aiming to create a **striking focal point** in a **modern kitchen**, add **elegant storage** to a **bathroom**, or introduce an **artistic touch** to a **home office**, the **Curved Floating Shelves** provide a **stylish, functional solution** that stands apart from the ordinary.

About Rev-A-Shelf®

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
