Rev-A-Shelf® Introduces EDGE Collection: DEEP DRAWERS FOR “EDGE” FRAME Maximized Storage for Bulkier Wardrobe Essentials

Rev-A-Shelf® proudly unveils the **EDGE Collection**, an award-winning series that transforms wardrobe organization by merging luxury, practicality, and contemporary design. The EDGE Collection offers modular solutions crafted for flexibility, accessibility, and sophistication, designed to meet the evolving needs of modern living.

DEEP DRAWERS FOR “EDGE” FRAME For larger items, the Deep Drawers offer expansive storage while maintaining the sleek EDGE aesthetic. Available for both **16” and 20” depth frames**, the drawers adjust in width and provide a **9-21/32” deep height**, ideal for bulkier items such as handbags and sweaters. The durable powder-coated metal construction and optional non-slip mat keep items organized and secure.

About Rev-A-Shelf® LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf® subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
