Omega National Products by Rev-A-Shelf® Introduces the Bold and Modern Omni Range Hood

Omega National Products by Rev-A-Shelf® proudly unveils the **Omni Range Hood**, a striking addition designed to bring **bold, modern design** to today's kitchens. With its **commanding block-style silhouette**, the Omni Range Hood delivers a **sleek, contemporary statement** that effortlessly complements a variety of kitchen aesthetics.

Expertly crafted from **premium wood species**, the Omni Range Hood offers **endless customization possibilities**. Homeowners and designers can finish the hood in the **stain or paint of their choice**, ensuring a seamless integration into any kitchen design. Its **monolithic structure** serves as a **dramatic focal point**, making it an ideal choice for kitchens that embrace **clean lines** and **minimalist elegance**.

Understanding the needs of professionals, the Omni Range Hood is packaged in a **durable, re-shippable carton**, providing peace of mind that it will arrive safely at the job site, even after finishing. **Installation is made simple** with a **standard French cleat hanging system**, allowing for **quick, one-person installation**.

The Omni Range Hood is available in a variety of wood species including **red oak, white oak, rift white oak, maple, hickory, cherry, alder**, and **paint-grade options**. Each hood comes equipped with a **silver metallic steel liner** featuring a **pre-cut opening** designed to accommodate **Broan ventilation products**, available through *Omega National Products by Rev-A-Shelf®*.

Designed for homeowners who seek both **form and function**, the Omni Range Hood combines **architectural presence** with **modern sophistication**. It stands as a testament to *Omega National Products'* commitment to **quality craftsmanship** and **thoughtful design**, offering a bold new way to **elevate the heart of the home**.

About Rev-A-Shelf®

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
