February 25, 2025

### Omega National Products by Rev-A-Shelf® Showcases Versatile Floating Shelves for Every Space

*Omega National Products by Rev-A-Shelf®* highlights its long-time customer favorite, the **Floating Shelves**, designed to bring both **style and functionality** to a variety of spaces, including **kitchens, bathrooms, home offices, and laundry rooms**. These versatile shelves effortlessly blend into any décor while offering reliable storage solutions.

Crafted from **premium materials** such as **maple, cherry, rift white oak, red oak, alder**, and **paint-grade** options, the Floating Shelves combine **elegance with durability**. Each shelf features **solid wood and wood veneer construction**, while the paint-grade options are built from **poplar and MDF** for a smooth, flawless finish. Designed for both **professionals and DIYers**, these shelves provide a **clean, floating aesthetic with no visible hardware**, creating a streamlined, modern look.

The **complete turn-key system** includes **100 lb. capacity hanging brackets, mounting hardware, and installation instructions** to ensure a **smooth and straightforward installation process**. The **unique bracket hanging system** not only makes installation easy but also ensures **long-term strength**, meeting or exceeding **BHMA standards for safety and performance**. Each shelf comes **sanded and ready to finish**, giving users the **freedom to personalize** their final look.

Available in **standard widths of 24", 30", 36", 42", 48", 54", and 60"**, the shelves are designed with a **2-1/2" thickness and 10" depth**, making them ideal for a variety of applications. For projects requiring additional depth, a **12" deep option** is available by **special order**. Each shelf is **individually packaged in a protective carton** to ensure **safe transport and handling**.

With their **proven performance and premium craftsmanship**, the **Floating Shelves** from *Omega National Products by Rev-A-Shelf®* continue to be a **trusted choice** for interior projects. Whether used for **decorative displays or functional organization**, these shelves provide the perfect balance of **form and function** in any room.

#### About Rev-A-Shelf®

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
