## **Omega National Products by Rev-A-Shelf® Unveils the Two-Tone Artisan Range Hood, Offering Creative Freedom for Custom Kitchen Design**

*Omega National Products by Rev-A-Shelf®* is thrilled to introduce the **Two-Tone Artisan Range Hood**, a bold new option that brings **creative freedom** and **customization** to kitchen design, making its debut at **KBIS 2025**. Designed for homeowners and designers who want to make a **distinctive statement**, this range hood offers a **mix-and-match** approach, allowing for endless possibilities in **paints, stains, and wood combinations**.

The **Two-Tone Artisan Range Hood** is uniquely designed to be finished in **two parts**, enabling users to **combine wood species** or experiment with **contrasting finishes** to create a **stunning focal point** in any kitchen. Whether it's a classic wood-on-wood pairing or a bold mix of **paint and stain**, this range hood adapts to a wide range of **aesthetic preferences** and **design styles**.

Crafted with **professionals in mind**, the hood is packaged in a **re-shippable carton**, ensuring **safe transport** to the job site after finishing. The **standard French cleat hanging system** makes **installation simple and efficient**, allowing for a **quick, one-person setup**.

The **Two-Tone Artisan Range Hood** is available in a selection of **premium wood species**, including **red oak, white oak, rift white oak, maple, hickory, cherry, alder**, and **paint-grade options**. Every hood includes a **silver metallic steel liner** with a **pre-cut opening** designed to accommodate **Broan ventilation products**, available through *Omega National Products by Rev-A-Shelf®*.

Designed for those who value both **style and functionality**, the **Two-Tone Artisan Range Hood** transforms the kitchen into a space where **personal expression** meets **superior craftsmanship**. It's the ideal solution for designers and homeowners seeking to create a **one-of-a-kind kitchen centerpiece**.

### **About Rev-A-Shelf®**

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
