Omega National Products by Rev-A-Shelf® Introduces the Verona Range Hood, Where Timeless Craftsmanship Meets Modern Design

Omega National Products by Rev-A-Shelf® proudly unveils the **Verona Range Hood**, a seamless blend of **timeless craftsmanship** and **modern design**, debuting at **KBIS 2025**. Engineered for versatility and elegance, the **Verona Range Hood** features a **sleek, minimal trim detail** that offers a **refined aesthetic**, making it the perfect addition to a wide range of **kitchen styles**.

Available in **30", 36", 42"**, and **48" widths**, the Verona Range Hood delivers a **custom, high-end look** with **effortless sophistication**. The **sleek bottom trim** adds subtle contrast, enhancing the hood's clean lines while maintaining a **versatile design** that works in both **modern** and **traditional kitchens**.

Built with **both function and style in mind**, the **Verona Range Hood** is packaged in a **re-shippable carton**, ensuring it can be safely transported to the job site after finishing. The design allows for **easy customization**, giving homeowners and designers the flexibility to apply their preferred **paint or stain** for a tailored look. Thanks to the **French cleat hanging system**, **installation is simple**, allowing for a **quick, one-person setup**.

The Verona Range Hood is available in a range of **premium wood species**, including **red oak, rift white oak, maple, hickory, cherry, alder**, and **paint-grade options**, providing endless opportunities for **personalization**. Each hood comes equipped with a **silver metallic powder-coated liner** featuring a **pre-cut opening** designed to accommodate **Broan ventilation products** offered through *Omega National Products by Rev-A-Shelf®*.

The **Verona Range Hood** offers a perfect balance of **style, function, and craftsmanship**, making it an ideal centerpiece for any kitchen. Its **timeless design** and **modern versatility** create a stunning focal point that enhances the heart of the home.

For more information on the **Verona Range Hood**, visit omeganationalproducts.com.

About Rev-A-Shelf®

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
