For Immediate Release

February 25, 2025

Rev-A-Shelf® Introduces the Yo-Yo, 5PDYO Series Customizable Pull-Down Shelving System – A Sleek, Space-Saving Kitchen Upgrade.

Rev-A-Shelf® is redefining kitchen organization with the **Yo-Yo, 5PDYO Series Customizable Pull-Down Shelving System**, an innovative **space-saving solution** designed to bring **effortless accessibility** to wall cabinets.

Designed to fit **wall cabinets up to 36” wide with 5/8” wall construction and a 34-3/4” interior width**, this **versatile shelving system** is **trimmable**, allowing it to fit a wide range of cabinet sizes. The **recommended minimum internal width is 14-1/2”**, ensuring compatibility with various kitchen layouts.

Crafted from **durable sheet metal with a sleek black finish**, the **5PDYO Series** is built for **strength and longevity**, supporting up to **40 lbs.** of kitchen essentials. Its **gas-spring assist mechanism** allows for **smooth, controlled pull-down and push-up operation**, making it easy to access stored items with minimal effort.

The **side-mount design** optimizes cabinet space by leaving **room below for additional storage**, maximizing kitchen efficiency. Homeowners can choose from **two included maple shelves with matching back walls** or customize their setup using their **own 5/8” thick shelving substrate**, creating a **truly personalized storage solution**.

The **5PDYO Series Customizable Pull-Down Shelving System** will be available in **2025**. For more information, visit rev-a-shelf.com.

About Rev-A-Shelf® LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf® subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
