

AVAILABLE FALL 2022

ALWAYS INNOVATING

SWIVEL SHELF PULLOUT

The innovative 448SW Series is the only pullout on the market featuring two patent-pending swiveling shelves that allow the user to see and access items with a simple swivel of the shelf, and then return to center with the built in self-centering system. Available for 9" and 12" full height cabinets, they feature natural maple construction with a semi-gloss finish; beautiful chrome accents keep items secured and double as a handle when rotating the shelves.

Patent-pending design
