

# NEOLOOP

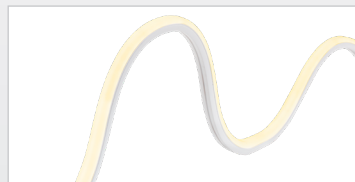

## Bold lighting for bright applications

Achieve seamless illumination from start to finish with Neoloop, flexible silicone LED lighting. Shatterproof and watertight when used with factory-installed molded ends, Luniform technology provides a continuous beam of light without dark spots.

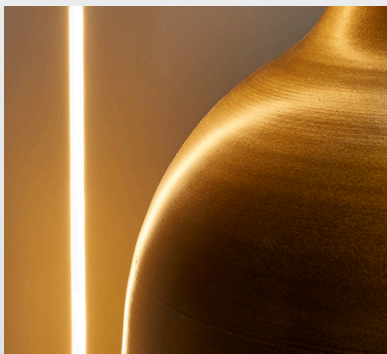

Available in side-emitting or top-emitting versions, side-emitting's narrow size is perfect for recess mounting to add light to dark millwork such as furniture, closets and around mirrors.

Side-Emitting: flat illuminated side bendable on the horizontal axis

Top-Emitting: curved illuminated top bendable on the vertical axis

Continuous beam of light without dark spots

Groove for recess mounting or surface mount with U-Clips
