Get Free Camfrog Video Chat

6.0 Windows (6.76MB)

Download Camfrog Free!

[Mirror](#) - [Change List](#) - [System Requirements](#)

Features

Video chat 1-on-1 and join video chat rooms.

No webcam is required to see people.

Camfrog works behind all firewalls, routers, and wireless networks.

It's easy to find new people to video chat with our user directory.

It's a small download, only 6.8MB. It takes under 15 minutes to download with a modem connection.
