& Free Video Chat Rooms!

# Free Video Chat for Mac OS X

**2.2 Mac OS (7.50MB)**

**Download Camfrog Free!**

[Mirror](#) - [Change List](#) - [System Requirements](#)

## Features

Video chat 1-on-1 and join video chat rooms.

No webcam is required to see people.

Camfrog works behind all firewalls, routers, and wireless networks.

It's easy to find new people to video chat with our user directory.
