

## Download Internet Explorer 9

You can download Internet Explorer 9 in the language that matches your version of Windows or choose the English version, which works with all versions of Windows Vista and Windows 7. For additional information, see [How do I install or uninstall Internet Explorer 9?](#)

If you need help finding out which version of Windows you're running, see [Is my PC running the 32-bit or 64-bit version of Windows?](#)

### System requirements
