Terms & Conditions

You can try out SecuritySpy free of charge for 30 days, after which time you must purchase if you wish to continue to use the software. Before purchase all features are available, however captured images will include a demo message that cannot be removed.

We guarantee free upgrades for a period of 6 months after purchase, however we will not necessarily charge for upgrades after this time - in the ten years that SecuritySpy has been on the market we have charged for an upgrade only once.

If in the unlikely event that you are not entirely happy with SecuritySpy within 30 days after purchase, we will provide a full refund.
