## Publisher's Description

From [IP Hider Pro](#):

IP Hider Pro is a professional software used to hide your IP address so that you can hide your internet traffic and the real location while surfing the web. The best IP Changer software makes nobody know what you do on the internet. IP Hider Pro provides government-level safety factor, so you are assured of freedom anywhere on the web without worrying about any of the information leaked.

IP Hider Pro is a super easy program to hide your ip address .

- IP addresses is around the world, dozens of countries of the IP address to be of your choice. One-click to make connection anonymously.
- Government-level encrypted transmission, impeccable. Reconnect automatically when dropped , all-round protection of your privacy.
- You can choose the applications you want to hide traffic for.
- DNS Lookups are redirected, Let your activities be without leaving a trace.
- Keep the same IP for as long as you like or tell IP Hider Pro to choose a new IP every 1, 5, 30 or 60 minutes for extra protection.
